Dear Mr. Marquez:

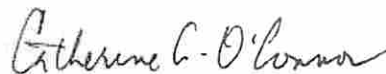

Subject: Notification of Amendment to the Watershed Management Ordinance

On February 15, 2018, the Metropolitan Water Reclamation District of Greater Chicago (District) Board of Commissioners adopted an amendment to the Watershed Management Ordinance (WMO), effective immediately. The redlined document and enclosed amended WMO can be found on our website, wmo.mwr.org. Per §1401.1.D, the District shall notify all Authorized Municipalities of any amendments to the WMO.

The Village of Orland Park (Village) is an Authorized Municipality under the WMO. The Village must adopt this amendment by reference to remain in compliance with the IGA. Please submit a copy of the ordinance or resolution authorizing the Village to adopt the amended WMO, dated February 15, 2018. If preferred, the Village may elect to adopt this amendment, and all future amendments. Then all future amendments will be considered adopted upon notification by the District.

We greatly appreciate your continued participation in the Authorized Municipality program. Please contact Ms. Lynn Kohlhaas at (312) 751-3242 if you require further information.

Very truly yours,

Catherine A. O'Connor
