

Edmond (Ed) Hanley

Biography-

Born and raised in Orland Park and educated through the local school districts whilst obtaining academic milestones including but not limited to a GED from Carl Sandburg and a Bachelor of Science in Public Affairs at Indiana University's School of Public and Environmental Affairs, Edmond, directly benefitted from Orland's recreational programs & Participated in many different activities in and around the community...

After furthering his Education at Indiana, having seen first-hand how good we truly have here compared to other less fortunate townships Edmond subsequently developed a desire and drive to want to help facilitate progress in the community and beyond.
