Dear Gary,

We would like to thank you for the opportunity to quote your facility on the following products and services. Aqua Pure Enterprises, Inc. has been assisting Aquatic Facilities such as yours over the past twenty-four years. Our highly trained service department is qualified to replace, repair and install complete chlorine feed systems, heater systems, filter systems and all other pump room equipment. Our technicians are Certified Pool Operators (CPO) and National Spa and Pool Institute (NSPI) Tech II certified.

We feel that the outlined quote will provide your pool with satisfactory results in:

- Monitoring and controlling pH and ORP chemical control
- Proportional feed – enhanced dosing of chemicals, automatically adjust for bather loads
- Over feed protection – selectable time limit for overfeed protection
- Temperature probe included
- Selectable output voltage: pH and ORP – 110/220 or ORP DRY 24/110 (for solenoid valve)
- Full five (5) -year warranty on electronics
- Full one (1) - year warranty on the probes, not prorated
- Full one (1) - year warranty on the flow cell

The quote to follow is for:

- Two AcuTrol AK110PS-A, automatic controllers with AK1200 Dual Chamber Flow Cell, ORP and, pH probes, Temperature Sensor, Flow Switch and Sample Stream.
- Includes approximately 1 hour of on site training for your personnel on this equipment, and installation of equipment listed

NOTE: Village of Orland Park TO PROVIDE A DEDICATED 110-VOLT OUTLET WITH-IN FOUR FEET OF CONTROLLER.

Thank you again for the opportunity to quote on products that will improve your facilities. Please note that the following proposal prices will hold thirty days from the date noted on this proposal.

Sincerely,

Todd Todner, Vice President

CC: Rudi Steiner, Regional Sales Representative
