destruction, or complete such repairs, rebuilding or restoration and comply with conditions in Section 1 of Article V within six (6) months of such damage or destruction, then Tenant may at any time thereafter cancel and terminate this Lease Agreement by sending ten (10) days written notice thereof to Landlord, or, in the alternative, Tenant may, during said ten (10) day period, apply for the same and Landlord shall cooperate with Tenant in Tenant's application. Notwithstanding the foregoing, if such damage or destruction shall occur during the last year of the term of this Lease Agreement, or during any renewal term, and shall amount to twenty-five (25%) percent or more of the replacement cost, (exclusive of the land and foundations), this Lease Agreement may be terminated at the election of either Landlord or Tenant, provided that notice of such election shall be sent by the party so electing to the other within thirty (30) days after the later of (i) the occurrence of such damage or destruction or (ii) notice to Tenant that such amount is twenty-five (25%) percent or more of the replacement cost, (exclusive of the land and foundations). ARTICLE XII - DEFAULT

Section 1: Landlord's Remedies. In the event that:

- a. Tenant shall on three or more occasions be in default (provided Landlord has given Tenant not less than 10 days prior written notice before declaring a default) in the payment of rent or other charges herein required to be paid by Tenant (default herein being defined as payment received by Landlord ten or more days subsequent to the due date; or
- b. Tenant has caused a lien to be filed against the Landlord's property and said lien is not removed within thirty (30) days of recordation thereof (provided, however, Tenant is

diligently attempting to remove such lien, Tenant shall be entitled to an amount of time as reasonably necessary to cause such lien to be removed in light of the circumstances); or

c. Tenant shall default in the observance or performance of any of the covenants and agreements required to be performed and observed by Tenant hereunder for a period of thirty (30) days after notice to Tenant in writing of such default (or if such default shall reasonably take more than thirty (30) days to cure, Tenant shall not have commenced the same within the thirty (30) days and diligently prosecuted the same to completion); or

d. Sixty (60) days have elapsed after the commencement of any proceeding by or against Tenant, whether by the filing of a petition or otherwise, seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or future Federal Bankruptcy Act or any other present or future applicable federal, state or other statute or law, whereby such proceeding shall not have been dismissed (provided, however, that the non-dismissal of any such proceeding shall not be a default hereunder so long as all of Tenant's covenants and obligations hereunder are being performed by or on behalf of Tenant); then Landlord shall be entitled to its election (unless Tenant shall cure such default prior to such election), to exercise concurrently or successively, any one or more of the following rights:

i. Terminate this Lease Agreement by giving Tenant notice of termination, in which event this Lease Agreement shall expire and terminate on the date specified in such notice of termination, with the same force and effect as though the date so specified were the date herein originally fixed as the termination date of the term of this Lease Agreement, and all rights of Tenant under this Lease Agreement and in and to the Leased Premises shall expire and terminate, and Tenant shall remain liable for all obligations under this Lease Agreement arising up to the date of such

termination, and Tenant shall surrender the Leased Premises to Landlord on the date specified in such notice; or

ii. Terminate this Lease Agreement as provided herein and recover from Tenant all damages Landlord may incur by reason of Tenant's default, including, without limitation, a sum which, at the date of such termination, represents the then value of the excess, if any, of (a) all other sums which would have been payable hereunder by Tenant for the period commencing with the day following the date of such termination and ending with the date herein before set for the expiration of the full term hereby granted, over (b) the aggregate reasonable rental value of the Leased Premises for the same period, all of which excess sum shall be deemed immediately due and payable; or

iii. Without terminating this Lease Agreement, declare immediately due and payable all rents and amounts due and coming due under this Lease Agreement for the entire remaining term hereof, together with all other amounts previously due, at once; provided, however, that such payment shall not be deemed a penalty or liquidated damages but shall merely constitute payment in advance of rent for the remainder of said Lease Term. Upon making such payment, Tenant shall be entitled to receive from Landlord all rents received by Landlord from other assignees, tenants, and subtenants on account of said Leased Premises during the term of this Lease Agreement, provided that the monies to which Tenant shall so become entitled shall in no event exceed the entire amount actually paid by Tenant to Landlord pursuant to the preceding sentence less all costs, expenses and attorney's fees of Landlord incurred in connection with the reletting of the Leased Premises; or

iv. Without terminating this Lease Agreement, and with prior written notice

to Tenant, Landlord may in its own name but as agent for Tenant enter into and upon and take possession of the Leased Premises or any part thereof, and, at Landlord's option, remove persons and property therefrom, and such property, if any, may be removed and stored in a warehouse or elsewhere at the cost of, and for the account of Tenant, all without being deemed guilty of trespass or becoming liable for any loss or damage which may be occasioned thereby, and Landlord may rent the Leased Premises or any portion thereof as the agent of Tenant with or without advertisement, and by private negotiations and for any term upon such terms and conditions as Landlord may deem necessary or desirable in order to relet the Leased Premises. Landlord shall in no way be responsible or liable for any rental concessions or any failure to rent the Leased Premises or any part thereof, or for any failure to collect any rent due upon such reletting. Upon such reletting, all rentals received by Landlord from such reletting shall be applied: first, to the payment or any indebtedness (other than any rent due hereunder) from Tenant to Landlord; second, to the payment of any costs and expenses of such reletting, including, without limitation, brokerage fees and attorney's fees and costs of alterations and repairs; third, to the payment of rent and other charges then due and unpaid hereunder; and the residue, if any, shall be held by Landlord to the extent of and for application in payment of future rent as the same may become due and payable hereunder. In reletting the Leased Premises as aforesaid, Landlord may grant rent concessions and Tenant shall not be credited therefore, if such rentals received from such reletting shall at any time or from time to time be less than sufficient to pay to Landlord the entire sums then due from Tenant hereunder, Tenant shall pay any such deficiency to Landlord. Such deficiency shall, at Landlord's option, be

calculated and paid monthly. No such reletting shall be construed as an election by Landlord to terminate this Lease Agreement unless a written notice of such election has been given to Tenant by Landlord. Notwithstanding any such reletting without termination, Landlord may at any time thereafter elect to terminate this Lease Agreement for any such previous default provided same has not been cured; or

v. Without liability to Tenant or any other party and without constituting a constructive or actual eviction, suspend or discontinue furnishing or rendering to Tenant any property, material, labor, utilities or other service, whether Landlord is obligated to furnish or render the same, so long as Tenant is in default under this Lease; or

vi. Allow the Leased Premises to remain unoccupied and collect rent from Tenant as it comes due; or

vii. Foreclose the security interest described herein, including the immediate taking of possession of all property on or in the Leased Premises; or

viii. Pursue such other remedies as are available at law or equity.

e. Landlord's pursuit of any remedy or remedies, including without limitation, any one or more of the remedies stated herein shall not (1) constitute an election of remedies or preclude pursuit of any other remedy or remedies provided in this Lease Agreement or any other remedy or remedies provided by law or in equity, separately or concurrently or in any combination, or (2) serve as the basis for any claim of constructive eviction, or allow Tenant to withhold any payments under this Lease.

Section 2: Landlord's Self Help. If a default by Tenant shall occur in the performance or observance of any agreement or condition in this Lease Agreement contained on its part to be performed or observed and shall not cure such default within thirty (30) days after notice from

Landlord specifying the default (or, if such default shall reasonably take more than thirty (30) days to cure, and Tenant shall not have commenced the same within the thirty (30) days and diligently prosecuted the same to completion), Landlord may, at its option, without waiving any claim for damages for breach of agreement, at any time thereafter cure such default for the account of Tenant, and any amount paid or contractual liability incurred by Landlord in so doing shall be deemed paid or incurred for the account of Tenant, and Tenant agrees to reimburse Landlord therefor and save Landlord harmless therefrom. Provided, however, that Landlord may cure any such default as aforesaid prior to the expiration of said waiting period, without notice to Tenant if any emergency situation exists, or after notice to Tenant, if the curing of such default prior to the expiration of said waiting period is reasonably necessary to protect the Leased Premises or Landlord's interest therein, or to prevent injury or damage to persons or property. If Tenant shall fail to reimburse Landlord upon demand for any amount paid for the account of Tenant hereunder, said amount shall be added to and become due as a part of the next payment of rent due and shall for all purposes be deemed and treated as rent hereunder.

Section 3: Tenant's Self-help. If Landlord shall default in the performance or observance of any agreement or condition in this Lease Agreement contained on its part to be performed or observed, and if Landlord shall not cure such default within thirty (30) days after notice from Tenant specifying the default (or, if such default shall reasonably take more than thirty (30) days to cure, and Landlord shall not have commenced the same within the thirty (30) days and diligently prosecuted the same to completion), Tenant may, at its option, without waiving any claim for damages for breach of agreement, at any time thereafter cure such default for the account of Landlord and any amount paid or any contractual liability incurred by Tenant in so doing shall be deemed paid or incurred for the account of Landlord, and Landlord shall reimburse Tenant therefor and save Tenant harmless therefrom. Provided, however, that Tenant may cure any such default as

aforesaid prior to the expiration of said waiting period, without notice to Landlord if an emergency situation exists, or after notice to Landlord, if the curing of such default prior to the expiration of said waiting period is reasonably necessary to protect the Leased Premises or Tenant's interest therein or to prevent injury or damage to persons or property. If Landlord shall fail to reimburse Tenant upon demand for any amount paid or liability incurred for the account of Landlord hereunder, said amount or liability may be deducted by Tenant from the next or any succeeding payments of rent and CAM charges due hereunder; provided, however, that should said amount or the liability therefor be disputed by Landlord, Landlord may contest its liability or the amount thereof, through arbitration or through a declaratory judgment action, and Landlord shall bear the cost of the filing fees therefor.

ARTICLE XIII - TITLE

Section 1: Quiet Enjoyment. Landlord covenants and agrees that upon Tenant paying the rent and observing and performing all of the terms, covenants and conditions on Tenant's part to be observed and performed hereunder, that Tenant may peaceably and quietly have, hold, occupy and enjoy the Leased Premises in accordance with the terms of this Lease Agreement without hindrance or molestation from Landlord or any persons lawfully claiming through Landlord.

Section 2: Licenses. It shall be the Tenant's responsibility to obtain any and all necessary licenses and the Landlord shall bear no responsibility therefor.

ARTICLE XIV - EXTENSIONS/WAIVERS/DISPUTES

Section 1: Extension Period. Any extension of the term hereof shall be subject to the provisions of Article III hereof.

Section 2: Holding Over. In no event shall Tenant hold over for longer than six (6) months after the expiration of the term of this Lease Agreement or any renewal or extension thereof.

Section 3: Waivers. Failure of either party to complain of any act or omission on the part of

the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any provision of this Lease Agreement shall be deemed a waiver of a breach of any other provision of this Lease Agreement or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion or a consent to or approval of any other action on the same or any subsequent occasion. Any and all rights and remedies which either party may have under this Lease Agreement or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other, and no one of them, whether exercised by said party or not, shall be deemed to be an exclusion of any other; and any two or more or all of such rights and remedies may be exercised at the same time.

Section 4: Disputes. It is agreed that, if at any time a dispute shall arise as to any amount or sum of money to be paid by one party to the other under the provisions hereof; the party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest," and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of the said party to institute suit for the recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said party to pay such sum or any part thereof, said party shall be entitled to recover such sum or so much thereof as it was not legally required to pay under the provisions of this Lease. If at any time a dispute shall arise between the parties hereto as to any work to be performed by either of them under the provisions hereof, the party against whom the obligation to perform the work is asserted may perform such work and pay the costs thereof "under protest," and the performance of such work shall in no event be regarded

as a voluntary performance and shall survive the right on the part of the said party to institute suit for the recovery of the costs of such work. If it shall be adjudged that there was no legal obligation on the part of the said party to perform the same or any part thereof, said party shall be entitled to recover the costs of such work or the cost of so much thereof as said party was not legally required to perform under the provisions of this Lease Agreement and the amount so paid by Tenant may be withheld or deducted by Tenant from any rents herein reserved.

Section 5: Notices. All notices and other communications authorized or required hereunder shall be in writing and shall be given by mailing the same by certified mail, return receipt requested, postage prepaid, and any such notice or other communication shall be deemed to have been given when received by the party to whom such notice or other communication shall be addressed. If intended for Landlord the same will be mailed to the address herein above set forth or such other address as Landlord may hereafter designate by notice to Tenant, and if intended for Tenant, the same shall be mailed to Tenant at the address herein above set forth, or such other address or addresses as Tenant may hereafter designate by notice to Landlord.

ARTICLE XV - PROPERTY DAMAGE

Section 1: Loss and Damage. Notwithstanding any contrary provisions of this Lease Agreement, Landlord shall not be responsible for any loss of or damage to property of Tenant or of others located on the Leased Premises, except where caused by the willful act or omission or negligence of Landlord, or Landlord's agents, employees or contractors, provided, however, that if Tenant shall notify Landlord in writing of repairs which are the responsibility of Landlord under Article V hereof, and Landlord shall fail to commence and diligently prosecute to completion said repairs promptly after such notice, and if after the giving of such notice and the occurrence of such failure, loss of or damage to Tenant's property shall result from the condition as to which Landlord has been notified, Landlord shall indemnify and hold harmless Tenant from any loss, cost or

expense arising therefrom.

Section 2: Force Majeure. In the event that Landlord or Tenant shall be delayed or hindered in or prevented from the performance of any act other than Tenant's obligation to make payments of rent, additional rent, and other charges required hereunder, by reason of strikes, lockouts, unavailability of materials, failure of power, restrictive governmental laws or regulations, riots, insurrections, the act, failure to act, or default of the other party, war or other reason beyond its control, then performance of such act shall be excused for the period of the delay and the period for the performance of such act shall be extended for a period equivalent to the period of such delay. Notwithstanding the foregoing, lack of funds shall not be deemed to be a cause beyond control of either party.

ARTICLE XVI – STATE CERTIFICATIONS

Section 1: Certifications. Landlord is a home rule municipal governmental entity and as such, this Lease Agreement is not subject to State of Illinois Procurement Code requirements.

Section 2: Equal Employment/Non-discrimination. The policy of Tenant and Landlord is to comply with all mandatory Federal and State nondiscrimination, equal opportunity and affirmative action laws, orders, and regulations.
