Re: Tennis Court Resurfacing & Repairs for Veterans Park and Treetop Park

Hello Beau

Upon an in depth inspection of the Veterans Park and Treetop Park tennis courts and basketball courts, the asphalt contractor has determined that the courts have sustained much more damage than originally visible. The substrate has shifted and created a wavy uneven and unsafe surface that appears to be sinking in numerous places. Therefore the material needed is twice what we originally calculated.

With this change, the price has to be adjusted accordingly. For Veterans Park, the total will now be \$137,500. This is the park with the most damage that needs to be repaired immediately. The surface is very unsafe and the courts should be locked up due to possible liability issues for the village until they are properly repaired. Treetop Park just needs a good cleaning and serious repairs can wait because it does not have the liability issues like Veterans Park. It does however have the substrate issues as well.

The new totals are \$137,500 for Veterans Park and \$80,021 for Treetop Park. Regardless of your decision, we would highly recommend closing Veterans Park courts asap.

Please let me know how you would like to proceed.

Sincerely,

Alexandra N Webb
