ABOUT DANCE CHICAGO

In 1995 Artistic Director and Curator John Schmitz and Fred Solari of the Athenaeum Theatre created Dance Chicago with generous donations from the John D. and Catherine T. MacArthur Foundation, Philip Morris Companies Inc. and WPWR Channel 50 Foundation. Now celebrating its nineteenth season, Dance Chicago offers the city's broadest range of dance styles from over 350 choreographers. Dance Chicago focuses on the development of Chicago-area choreography. It presents that choreography locally, nationally and internationally. We have featured major artists from such companies as the Joffrey Ballet, Hubbard Street Dance Chicago, the Dutch National Ballet, and a host of national and international companies, as well as the most talented Chicago area choreographers, small dance troupes and

independent artists. For more information on Dance Chicago, visit www.dancechicago.com. (Dance Chicago is a program of Emergence Dance Theatre)
