The following is a review of the landscape plans prepared by Edward S. Fried Associates, dated 3/3/17. Located at 15608-15624 Park Station Boulevard

## **Review Comments**

All previously identified issues related to the approval of the landscape planting plan for the development as related to plant location, planting method, tree preservation and grading have been satisfactorily addressed. Therefore it is our recommendation that the proposed landscape dated 3-8-17 be accepted in conformance with the Village landscape ordinance.
