- 10.1. Time is of the essence with respect to all performance time schedules and timely completion of the WORK under the CONTRACT. VILLAGE shall not grant, and CONTRACTOR shall not seek damages for delays. However, VILLAGE shall review a CONTRACTOR's request for additional time, and may at VILLAGE's option and as conditions warrant, grant an increase in the CONTRACT time for delays beyond CONTRACTOR's control and not caused by CONTRACTOR, its Subcontractors or others for whose actions CONTRACTOR is liable.

ARTICLE 11: FORCE MAJEURE

- 11.1 Whenever a period of time is provided for in this Agreement for either the Contractor or Village to do or perform any act or obligation, neither party shall be liable for any delays or inability to perform

due to causes beyond the control of said party such as war, riot, insurrection, rebellion, strike, lockout, fire, flood, storm, earthquake, tornado, pandemic, act of public enemies, action of federal or state government or any act of God; provided, however, that said time period shall be extended for only the actual amount of time said party is so delayed. An act or omission shall not be deemed to be "beyond Contractor's control" if committed, omitted, or caused by Contractor, Contractor's employees, officers or agents or a subsidiary, affiliate or parent of Contractor or by any corporation or other business entity that holds a controlling interest in Contractor, whether held directly or indirectly (for example, but not by way of limitation, a strike by or lockout of Contractor's employees would not be an act "beyond Contractor's control"). Contractor shall notify the Village as soon as possible, but no later than two (2) business days, of any force majeure event. However, if the force majeure event continues to affect performance for more than three (3) business days, the Village may immediately terminate this Agreement. In the event of such termination, the Contractor shall be paid for services satisfactorily performed under this Agreement up to the effective date of termination and shall be entitled to reimbursement of any expenses already incurred and not recoverable by refunds.

ARTICLE 12: INSURANCE AND INDEMNIFICATION

12.1 Insurance Requirements

12.1.1. The successful proposer shall, within ten (10) business days of said receipt of notice of award of the CONTRACT, furnish to the VILLAGE a certificate of insurance showing the VILLAGE, its trustees, officers, directors, agents, employees, representatives and assigns as additional insureds to the General Liability and Automobile Liability policies by appropriate endorsement. Such coverages shall be placed with a provider acceptable to the VILLAGE, which is licensed to do business in the State of Illinois, and that maintains a minimum A. M. Best rating of A VII. The insurance coverages afforded under the CONTRACTOR's General Liability insurance policies shall be primary and non-contributory to any insurance carried independently by the Indemnitees. A Waiver of Subrogation in favor of the Additional Insureds shall apply to General liability and Worker's Compensation. Certificates of Insurance must state that the insurer shall provide the VILLAGE with thirty (30) days prior written notice of any change in, or cancellation of required insurance policies. All required insurance shall be maintained by the CONTRACTOR in full force and effect during the life of the CONTRACT, and until such time as all WORK has been approved and accepted by the VILLAGE. This provision constitutes the VILLAGE's continuing demand for such certificates and endorsement(s) or true and correct copies thereof and the obligation to provide such insurance coverage shall be in full force and effect during the life of the CONTRACT. Failure of the VILLAGE to request such certificates and endorsements shall not relieve the CONTRACTOR of these obligations to provide insurance.

12.1.2. The amounts and types of insurance required are defined in Exhibit 1 Insurance Requirements, a copy of which is attached hereto and made a part hereof.

12.1.3. CONTRACTOR shall cause each Subcontractor to maintain insurance of the type specified in Exhibit A. Prior to CONTRACT acceptance, and at any time when requested by the VILLAGE, CONTRACTOR shall furnish copies of certificates of insurance evidencing coverage for each Subcontractor and Sub-subcontractor.

12.2. Indemnification

12.2.1. The CONTRACTOR shall indemnify, defend and hold harmless the VILLAGE, its trustees, officers, directors, agents, employees and representatives and assigns, from lawsuits, actions, costs (including attorneys' fees), claims or liability of any character, incurred due to the ~~alleged~~ negligence of the CONTRACTOR, brought because of any injuries or damages received or sustained by any person, persons or property on account of any act or omission, neglect or misconduct of said CONTRACTOR, its officers, agents and/or employees arising out of, or in performance of any of the provisions of the CONTRACT DOCUMENTS, including any claims or amounts recovered for any infringements of patent, trademark or copyright; or from any claims or amounts arising or recovered under the "Worker's Compensation Act" or any other law, ordinance, order or decree. In connection with any such claims, lawsuits, actions or liabilities, the VILLAGE, its trustees, officers, directors, agents, employees, representatives and their assigns shall have the right to defense counsel of their choice. ~~The CONTRACTOR shall be solely liable for all costs of such defense and for all expenses, fees, judgments, settlements and all other costs arising out of such claims, lawsuits, actions or liabilities.~~

to the extent

12.2.2. The CONTRACTOR shall not make any settlement or compromise of a lawsuit or claim, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the VILLAGE and any other indemnified party. The VILLAGE or any other indemnified party, in its or their sole discretion, shall have the option of being represented by its or their own counsel. ~~If this option is exercised, then the CONTRACTOR shall promptly reimburse the VILLAGE or other indemnified party, upon written demand, for any expenses, including but not limited to court costs, reasonable attorneys' and witnesses' fees and other expenses of litigation incurred by the VILLAGE or other indemnified party in connection therewith.~~

at its own expense

ARTICLE 13: PERFORMANCE AND PAYMENT BONDS

13.1 The CONTRACTOR shall furnish Performance and Payment Bonds acceptable to the VILLAGE in the full amount of the CONTRACT. Bonds shall be from a surety licensed to do business in Illinois and said surety shall have a minimum A.M. Best rating of A-V. Each Bond shall require a time period during which the Bond can be called limited only to the extent required by Illinois law.

ARTICLE 14: EXECUTION OF CONTRACT

14.1 Execution of the CONTRACT between VILLAGE and CONTRACTOR is contingent upon receipt of required Certificates of Insurance, required signed certifications and required Performance and Payment Bonds.

ARTICLE 15: CHANGES IN THE WORK

15.1 All changes in the WORK must be requested by CONTRACTOR and approved by the VILLAGE via an Authorization to Proceed document bearing the signature of VILLAGE Manager or his designee. Any change order or series of change orders that increase or decrease the CONTRACT value by \$10,000 or more, or that increases or decreases the CONTRACT duration beyond the approved project schedule must be accompanied by a written request from CONTRACTOR justifying the additional cost or change in schedule. Within an agreed upon period of time, VILLAGE will provide

a response to CONTRACTOR's Change Order or Time request by providing a determination signed by the VILLAGE or its designee finding that the change requested was not reasonably foreseeable at the time the CONTRACT was signed, the change is germane to the CONTRACT or the change is in the best interest of VILLAGE. Any change increasing the original CONTRACT value by fifty percent (50%) or more must be re-bid by VILLAGE as required by law.

ARTICLE 16: TERMINATION

16.1 VILLAGE may, at any time, terminate the CONTRACT for the VILLAGE's convenience and without cause upon written notice to the CONTRACTOR and payment for all WORK directed to be performed prior to the effective date of termination along with agreed upon reasonable overhead and profit.

- (2) The deductible will be equal to the largest deductible applicable to any owned "auto" of the private passenger type for that coverage, or \$1,000, whichever is less.
- (3) Limited Hired Auto – Physical Damage – Private Passenger coverage is excess over any other collectible insurance.
- (4) Subject to the above limit, deductible, and excess provisions we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own of the private passenger type insured under this policy.

Coverage includes loss of use of that hired auto, provided it results from an "accident" for which you are legally liable and as a result of which a monetary loss is sustained by the leasing or rental concern. The most we will pay for any one "accident" is \$20 per day subject to a maximum of \$1,000.

If a limit for Hired Auto – Physical Damage is shown in the Schedule, then that limit replaces, and is not added to, the \$35,000 limit indicated above.

This extension of coverage does not apply to any "auto" you hire or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households.

8. Custom Signs And Decoration

The following is added to Paragraph A. Coverage 1. under SECTION III – PHYSICAL DAMAGE COVERAGE:

In the event of a total loss to an "auto" insured for auto physical damage coverage on this policy, in addition to the actual cash value of the "auto", we will pay the actual cost to repair or replace signage or custom paint details up to \$5,000.

9. Extended Towing Coverage

If the named insured carries Comprehensive and Collision Coverage for the damaged covered commercial "auto", then this coverage extension 9. applies to that covered "auto." If the damaged covered "auto" is of the private passenger type, then in addition to Comprehensive and Collision Coverage, the damaged covered "auto" must also carry Towing Coverage in order for this coverage extension 9. to apply.

The following is added to Paragraph A.2. Towing under SECTION III – PHYSICAL DAMAGE COVERAGE:

We will pay for towing and associated labor costs each time a covered "auto" is disabled. All labor must be performed at the place of disablement. If the "auto" is of the private passenger type, there will be no deductible. If the "auto" is not a private passenger type, a \$250 deductible will apply to this coverage but it will not reduce the available limit of insurance. For all types of "autos", the most we will pay under this coverage is \$1,000 per disablement. "Autos" which are disabled do not include stolen vehicles.

10. Glass Breakage

If you carry Comprehensive Coverage for the damaged covered "auto", then this coverage extension applies to that covered "auto":

The following is added to Paragraph A.3. Glass Breakage - Hitting A Bird Or Animal – Falling Objects Or Missiles under SECTION III – PHYSICAL DAMAGE COVERAGE:

Any deductible shown in the Declarations will not apply to glass breakage if such glass is repaired, in a manner acceptable to us, rather than replaced. If the glass must be replaced and there is no other damage associated with the "loss", the deductible will be \$100 unless

a lower deductible is shown on the declarations page for this coverage.

11. Reimbursement For Increased Temporary Transportation Expense For Private Passenger And Commercial Vehicles

A. If The Covered "Auto" Has Comprehensive Or Specified Causes Of Loss Physical Damage Coverage:

Paragraph a. Transportation Expenses under SECTION III – PHYSICAL DAMAGE COVERAGE, A. Coverage, 4. Coverage Extensions is replaced by the following:

If your covered "auto" is damaged or stolen and the damage or theft is covered by Comprehensive or Specified Causes of Loss coverage provided by this policy, we will pay up to \$50 per day subject to a maximum limit of \$1,500 for the necessary and actual temporary transportation expenses (including rental reimbursement) incurred by you during the period beginning 24 hours after the theft or damage and ending, regardless of the policy's expiration,

- a. when the covered "auto" is returned to use or we pay for its "loss" in the event of a total theft of the covered "auto", or
- b. when the covered "auto" is repaired or replaced, or we pay for its "loss", whichever is earlier in the event of a "loss" due to a cause other than the total theft of the covered "auto."

Except with respect to losses pertaining to the total theft of covered "autos" of the private passenger type, this coverage does not apply while there are spare or reserve "autos" available to you.

No deductible applies to this coverage.

B. If The Covered "Auto" Has Collision Physical Damage Coverage:

If your covered "auto" is damaged and the damage is covered by Collision coverage provided by this policy, we will pay up to \$50 per day subject to a maximum limit of \$1,500 for necessary and actual temporary transportation expenses (including rental reimbursement) incurred by you during the period beginning 24 hours after the "loss" and ending, regardless of the policy's expiration, when the covered "auto" is repaired or replaced, or we pay for its "loss", whichever is earlier.

This coverage does not apply while there are spare or reserve "autos" available to you.

No deductible applies to this coverage.

12. Extra Expense - Stolen Vehicles

The following is added under Paragraph A.4.a. Coverage Extensions of SECTION III - PHYSICAL DAMAGE COVERAGE:

13. Personal Effects Coverage

Paragraph A. Coverage under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to add the following coverage:

Personal Effects Coverage

1. We will pay for "loss" to personal property or effects which are owned by an insured and in or on your covered "auto" at the time of "loss" in the event of a total theft of that covered "auto."
2. Subject to Paragraph C. Limit Of Insurance under SECTION III – PHYSICAL DAMAGE COVERAGE, we will pay up to \$500 for "loss" of personal property or effects in any one "accident" involving total theft of a covered "auto".

This insurance will not apply if, at the time of "loss", the covered "auto" is unattended, unless the "loss" is the result of forced entry into the covered "auto" while all doors, windows or other openings are closed and locked and there is evidence of forced entry.

Under this extension, we will not pay for "loss" to the following: accounts, bills, currency, deeds, evidences of debt, money, notes or securities; electronic equipment or tapes, records, discs or other similar audio, visual or data electronic devices designed for use with audio, visual or data electronic equipment; jewelry, watches, necklaces, bracelets, gems, gold, platinum, silver, furs; animals, birds, or fish or any motorized vehicle.

This coverage will be excess over any other collectable insurance. No deductible applies to this coverage.

14. Audio, Visual, And Data Electronic Equipment

The sub-limit in Paragraph C.2. of the Limit of Insurance Provision of SECTION III- PHYSICAL DAMAGE COVERAGE is increased to \$1,500.

15. Loan/Lease Payoff Coverage

The following is added to Limit of Insurance of SECTION III - PHYSICAL DAMAGE COVERAGE:

In the event of a total "loss" to a covered "auto" shown in the schedule or declarations for which Collision and Comprehensive Coverage apply, we will pay any unpaid amount due on the lease or loan for that covered "auto," less;

1. The amount paid under the Physical Damage Coverage Section of the policy, and
2. Any;
 - a. Overdue lease/loan payments at the time of the "loss";
 - b. Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;
 - c. Security deposits not returned by the lessor;
 - d. Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease; and
 - e. Carry-over balances from previous loans or leases.

This coverage is limited to a maximum of \$1,500 for each covered "auto".

16. Airbag Coverage

If the named "insured" carries Comprehensive and Collision Coverage for the damaged covered "auto", then this coverage extension¹⁶ applies to that covered "auto".

The following is added to Subparagraph 3.a. under Paragraph B. Exclusions in SECTION III - PHYSICAL DAMAGE COVERAGE:

The accidental discharge of an airbag shall not be considered mechanical or electrical breakdown and therefore shall not be excluded. This provision does not apply to "autos" you hire with a driver and it is excess over any warranty specifically designed to provide this coverage.

17. Multiple Deductible Protection – Covered "Auto" And Trailer

If you carry Comprehensive and Collision coverages for the damaged covered "autos", then this coverage extension 17. applies to those covered "autos":

The following is added to Paragraph D. Deductible under SECTION III - PHYSICAL DAMAGE COVERAGE:

Whenever a covered "auto" and trailer are each damaged in the same "loss" while operating as a combined truck and trailer unit, only one deductible shall apply to the "accident". The larger of the two deductibles shall apply.

If another policy or coverage form issued by us, that is not an automobile policy or coverage form, applies to the same "loss" or "accident", the following applies:

1. If the deductible under this Business Auto Coverage Form is not the largest deductible, it will be waived.
2. If the deductible under this Business Auto Coverage Form is the largest deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

18. Duties In The Event Of An Accident, Claim, Suit, Or Loss

2. The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico, or Canada or in a settlement we agree to.

OWNER'S REPRESENTATIVE:

(Architect, Engineer or other party:)

§ 1 The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the Owner for the performance of the Construction Contract, which is incorporated herein by reference.

§ 2 If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except when applicable to participate in a conference as provided in Section 3.

§ 3 If there is no Owner Default under the Construction Contract, the Surety's obligation under this Bond shall arise after

- .1 the Owner first provides notice to the Contractor and the Surety that the Owner is considering declaring a Contractor Default. Such notice shall indicate whether the Owner is requesting a conference among the Owner, Contractor and Surety to discuss the Contractor's performance. If the Owner does not request a conference, the Surety may, within five (5) business days after receipt of the Owner's notice, request such a conference. If the Surety timely requests a conference, the Owner shall attend. Unless the Owner agrees otherwise, any conference requested under this Section 3.1 shall be held within ten (10) business days of the Surety's receipt of the Owner's notice. If the Owner, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor Default;
- .2 the Owner declares a Contractor Default, terminates the Construction Contract and notifies the Surety; and
- .3 the Owner has agreed to pay the Balance of the Contract Price in accordance with the terms of the Construction Contract to the Surety or to a contractor selected to perform the Construction Contract.

§ 4 Failure on the part of the Owner to comply with the notice requirement in Section 3.1 shall not constitute a failure to comply with a condition precedent to the Surety's obligations, or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.

§ 5 When the Owner has satisfied the conditions of Section 3, the Surety shall promptly and at the Surety's expense take one of the following actions:

§ 5.1 Arrange for the Contractor, with the consent of the Owner, to perform and complete the Construction Contract;

§ 5.2 Undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;

§ 5.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Owner and a contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Section 7 in excess of the Balance of the Contract Price incurred by the Owner as a result of the Contractor Default; or

§ 5.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:

- .1 After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, make payment to the Owner; or
- .2 Deny liability in whole or in part and notify the Owner, citing the reasons for denial.

§ 6 If the Surety does not proceed as provided in Section 5 with reasonable promptness, the Surety shall be deemed to be in default on this Bond seven days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Section 5.4, and the Owner refuses the payment or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

§ 7 If the Surety elects to act under Section 5.1, 5.2 or 5.3, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. Subject to the commitment by the Owner to pay the Balance of the Contract Price, the Surety is obligated, without duplication, for

- .1 the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;
- .2 additional legal, design professional and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Section 5; and
- .3 liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.

§ 8 If the Surety elects to act under Section 5.1, 5.3 or 5.4, the Surety's liability is limited to the amount of this Bond.

§ 9 The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators, successors and assigns.

§ 10 The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.

§ 11 Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after a declaration of Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

§ 12 Notice to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears.

§ 13 When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

§ 14 Definitions

§ 14.1 Balance of the Contract Price. The total amount payable by the Owner to the Contractor under the Construction Contract after all proper adjustments have been made, including allowance to the Contractor of any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Construction Contract.

§ 14.2 Construction Contract. The agreement between the Owner and Contractor identified on the cover page, including all Contract Documents and changes made to the agreement and the Contract Documents.

§ 14.3 Contractor Default. Failure of the Contractor, which has not been remedied or waived, to perform or otherwise to comply with a material term of the Construction Contract.

§ 14.4 Owner Default. Failure of the Owner, which has not been remedied or waived, to pay the Contractor as required under the Construction Contract or to perform and complete or comply with the other material terms of the Construction Contract.

§ 14.5 Contract Documents. All the documents that comprise the agreement between the Owner and Contractor.

§ 15 If this Bond is issued for an agreement between a Contractor and subcontractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

§ 1 The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the Owner to pay for labor, materials and equipment furnished for use in the performance of the Construction Contract, which is incorporated herein by reference, subject to the following terms.

§ 2 If the Contractor promptly makes payment of all sums due to Claimants, and defends, indemnifies and holds harmless the Owner from claims, demands, liens or suits by any person or entity seeking payment for labor, materials or equipment furnished for use in the performance of the Construction Contract, then the Surety and the Contractor shall have no obligation under this Bond.

§ 3 If there is no Owner Default under the Construction Contract, the Surety's obligation to the Owner under this Bond shall arise after the Owner has promptly notified the Contractor and the Surety (at the address described in Section 13) of claims, demands, liens or suits against the Owner or the Owner's property by any person or entity seeking payment for labor, materials or equipment furnished for use in the performance of the Construction Contract and tendered defense of such claims, demands, liens or suits to the Contractor and the Surety.

§ 4 When the Owner has satisfied the conditions in Section 3, the Surety shall promptly and at the Surety's expense defend, indemnify and hold harmless the Owner against a duly tendered claim, demand, lien or suit.

§ 5 The Surety's obligations to a Claimant under this Bond shall arise after the following:

§ 5.1 Claimants, who do not have a direct contract with the Contractor,

- .1 have furnished a written notice of non-payment to the Contractor, stating with substantial accuracy the amount claimed and the name of the party to whom the materials were, or equipment was, furnished or supplied or for whom the labor was done or performed, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the Claim; and

§ 5.2 Claimants, who are employed by or have a direct contract with the Contractor, have sent a Claim to the Surety (at the address described in Section 13).

§ 6 If a notice of non-payment required by Section 5.1.1 is given by the Owner to the Contractor, that is sufficient to satisfy a Claimant's obligation to furnish a written notice of non-payment under Section 5.1.1.

§ 7 When a Claimant has satisfied the conditions of Sections 5.1 or 5.2, whichever is applicable, the Surety shall promptly and at the Surety's expense take the following actions:

§ 7.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the Claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and

§ 7.2 Pay or arrange for payment of any undisputed amounts.

§ 7.3 The Surety's failure to discharge its obligations under Section 7.1 or Section 7.2 shall not be deemed to constitute a waiver of defenses the Surety or Contractor may have or acquire as to a Claim, except as to undisputed amounts for which the Surety and Claimant have reached agreement. If, however, the Surety fails to discharge its obligations under Section 7.1 or Section 7.2, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs thereafter to recover any sums found to be due and owing to the Claimant.

§ 8 The Surety's total obligation shall not exceed the amount of this Bond, plus the amount of reasonable attorney's fees provided under Section 7.3, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.

§ 9 Amounts owed by the Owner to the Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under any construction performance bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of the Contractor and Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.

§ 10 The Surety shall not be liable to the Owner, Claimants or others for obligations of the Contractor that are unrelated to the Construction Contract. The Owner shall not be liable for the payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligation to make payments to, or give notice on behalf of, Claimants or otherwise have any obligations to Claimants under this Bond.

§ 11 The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.

§ 12 No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the state in which the project that is the subject of the Construction Contract is located or after the expiration of one year from the date (1) on which the Claimant sent a Claim to the Surety pursuant to Section 5.1.2 or 5.2, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

§ 13 Notice and Claims to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears. Actual receipt of notice or Claims, however accomplished, shall be sufficient compliance as of the date received.

§ 14 When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

§ 15 Upon request by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor and Owner shall promptly furnish a copy of this Bond or shall permit a copy to be made.
