Project: CPAC Slide Stair and Landing Walkway

We are pleased to provide the following quotation per site visit 04/30/2019.

Scope of Work

Provide all labor and material to:

- To remove existing decking material in two locations on slide platform. First location is approximately 4' x 7' feet and the other location is approximately 4' x 8'. These areas will be cleaned necessary to install galvanized concrete decking pans. Additional rebar will be installed followed by installation of 4000 psi concrete finished level with existing fiberglass. Surface will be light broom finish to provide a slip resistant surface. Additionally bottom stair tread will be supported by the installation of a custom pvc shim secured to adjacent concrete.

Lump Sum Total

\$9,842.00

Special Conditions

All work performed under this contract is done in compliance with all applicable State and Federal Laws, Rules and Regulations.

No changes, extensions, or other modifications shall be effective unless confirmed in writing and signed by an authorized agent of both parties.

Price valid for 30 days from the date of this proposal.

Terms: Paid within 30 days of completion of work.
