Our firm's executive recruitment philosophy embraces a professional process of integrity, trust, and respect toward all parties involved and complete commitment toward meeting the expressed needs and desires of our client. Each has impeccable professional credentials and unblemished personal reputations. Keeping both our client and prospective candidates informed on the status of the recruitment on a regular basis is also an important part of our recruitment process. Our work is carried out in an open manner with particular attention given toward seeking out critical factors of a client's organization and governance and utilizing such information respectfully and discreetly in seeking out candidates who truly have the ability to meet the expectations and needs of the client—working strenuously in developing a fully qualified, “best match” candidate pool for client consideration. Our process includes assistance in the critical final interview and selection phases of the recruitment, and availability to both client and candidate for months following the appointment. Our process was developed and refined over the years to meet the special, and often unique, needs and circumstances facing our local government, public management, and related not-for-profit clients.

SCOPE OF WORK

A typical recruitment and selection process can take 175 hours to conduct. At least 50 hours of this time is “administrative” including ad placement, acknowledgment of résumés, reference interviews, and due diligence on candidates. These tasks may take longer if someone is performing them for the first time. We believe our experience and ability to professionally administer your recruitment will provide you with the best possible outcome. GovHR USA clients are kept informed of the progress of a recruitment throughout the recruitment process. Consultants are always available to provide information and answer questions, and details of the process such as placement of advertising and applications received are discussed in regular updates via either telephone or email.

GovHR USA suggests the following approach to your recruitment, subject to your requests for modification:

Phase I – Position Assessment, Position Announcement and Brochure Development

Phase I will include the following steps:

- **Interviews** with the Mayor and Members of the Board of Trustees, and the Village’s senior staff as well as any other individuals you deem appropriate to best understand the responsibilities, challenges, and culture of the Village.

At least eight (8) hours of one-on-one interviews will be conducted with elected officials, staff and the public in order to develop our Recruitment Brochure. This important document outlines the expectations that the Village has for its next Village Manager, providing us with the information we need to target our recruitment. During this process we will assist you with establishing the salary for the Village Manager by conducting a salary survey of comparable communities, if so desired.

- Development of a **Position Announcement**.
- Development of a detailed **Recruitment Brochure** for your review and approval.
- Agreement on a detailed **Recruitment Timetable**.

Phase II – Advertising, Candidate Recruitment and Outreach

Phase II will include the following steps:

- Placement of the Position Announcement in appropriate professional online publications. In addition to public sector publications and web sites, outreach will include LinkedIn and other private sector resources. We can provide the Village with placement recommendations, if so desired.
- Technology has changed how organizations find the best and brightest candidates. GovHR USA is at the forefront of this technology automation. Our firm posts each position on LinkedIn, FaceBook, and Twitter a minimum of twice per week throughout the advertising process. Our Social Media integration procedures provide our customers with advanced utilization of keywords and hashtags to assist in driving awareness and ultimately bringing the greatest exposure for each position. We have dedicated and focused experts consistently monitoring the results and processes we use to ensure we are current with the latest trends in the industry to provide our customers with the greatest value and results with their advertising budgets.

- The development of a database of potential candidates unique to the position and to the Village of Orland Park, focusing on the leadership and management skills identified in Phase I as well as size of organization, and experience in addressing challenges and opportunities also outlined in Phase I.
- Outreach will be done through e-mail and telephone contacts as appropriate. GovHR USA consultants have extensive knowledge of the municipal government industry and will personally identify and contact potential candidates. With more than 600 collective years of municipal and consulting experience among our consultants, we often have inside knowledge about candidates.

Phase III – Candidate Evaluation and Screening

Phase III will include the following steps:

- Review and evaluation of candidates' credentials considering the criteria outlined in the Recruitment Brochure.
- Candidates will be interviewed by Skype or Facetime to fully grasp their qualifications and experience as well as their interpersonal skills. This is an hour long interview, asking specific questions about their experience and skill set. This allows us to ask follow up questions and probe specific areas. It also provides us with an assessment of their verbal skills and their level of energy for and interest in the position.
- Formal and informal references (two per candidate) and an internet search of each candidate will be conducted to further verify candidates' abilities, work ethic, management and leadership skills, analytical skills, interpersonal skills, ability to interact with the media, and any areas identified for improvement.
- All résumés will be acknowledged and contacts and inquiries from candidates will be personally handled by GovHR USA, ensuring Orland Park's process is professional and well regarded by all who participate.

Phase IV – Presentation of Recommended Candidates

Phase IV will include the following steps:

- GovHR USA will prepare a **Recruitment Report** that presents the credentials of those candidates most qualified for the position. You will advise us of the number of reports you will need for the individuals involved in this phase of the recruitment and selection process. We provide a binder which contains the candidate's cover letter and résumé. In addition, we prepare a "mini" résumé for each candidate, so that each candidate's credentials are presented in a uniform way. As résumés come in all different formats, these "mini" résumés will give you a clear, consistent look at each candidate "at a glance."
- GovHR USA will provide you with a log of all candidates who applied. You may also review all of the résumés should you so desire.
- GovHR USA will meet with you to review the Recruitment Report and expand upon the information provided. The report will arrive two to three days in advance of the meeting, giving you the opportunity to fully review it. In addition to the written report, we will spend 2 to 3 hours with you to bring the candidates to "life" by reviewing their telephone interview and providing excerpts from two (2) references we will have done on the individual.

Phase V –Interviewing Process

Phase V will include the following steps:

- At the Recommendation meeting, the Interviewing Process will be finalized including the discussion of any specific components you deem appropriate, such as a writing sample.
- GovHR USA will develop the first and second round interview questions for your review. GovHR USA will provide you with interview books that include the credentials each candidate submits, a summary of each candidate's credentials, a set of questions with room for interviewers to make notes, and an evaluation sheet to assist interviewers in assessing each candidate's skills and abilities.
- GovHR USA will work with you to develop an interview schedule for the candidates, coordinating travel and accommodations. The schedule will incorporate a tour of Village of Orland Park facilities and interviews with Department Heads and elected officials.

We offer a community "Meet and Greet" option, at no charge, as a means for the community to interact and get to know the candidates in an informal setting. At this "Meet and Greet," candidates would give a brief overview of themselves and answer questions from the audience.

- Once candidates for interview are selected, additional references will be contacted, along with verification of educational credentials, criminal court, credit, and motor vehicle and records checks. Using the candidate's name and work experience we review the top 200 search results available from Google, as well as his/her activity (if publicly available) on Facebook, Twitter, and other social media platforms. Employment verification can also be provided if so desired.

GovHR USA recommends a two-step interviewing process with (typically) five candidates interviewed in the first round. Following this round, we strongly suggest that two or three candidates are selected for second round interviews. Again, we will prepare a second round of interview questions and a "score sheet."

- GovHR USA consultants will be present for all of the interviews, serving as a resource and facilitator.

Phase VI – Appointment of Candidate

- GovHR USA will assist you as much as you request with the salary and benefit negotiations and drafting of employment agreement, if appropriate.
- GovHR USA will notify all applicants of the final appointment, including professional background information on the successful candidate.

Optional 360° Evaluation

As a service to the Village of Orland Park, we offer the option to provide you with a proposal for a 360° performance evaluation for the appointed Village Manager at about six months into his or her employment. This evaluation will include seeking feedback from both Elected Officials and Department Directors, along with any other constituent the Village feels would be relevant and beneficial. This input will be obtained on a confidential basis with comments known only to the consultant. If you are interested in this option, GovHR USA will prepare a proposal for this service.

Recruitment Schedule

A detailed recruitment schedule will be provided in Phase I. The recruitment and selection process typically takes 90 days from the time the contract is signed until the candidate is appointed. We can work with you on a shorter process, should you so desire.
