All Unpermitted Exceptions or Survey Defects, which the Title Company commits to insure, shall be included within the definition of Permitted Exceptions. If Seller fails to consummate this Contract for any reason (other than Buyer's default or a termination of this Contract by Buyer pursuant to a right to do so expressly provided for in this Contract), Buyer may seek to enforce this Contract by an action for specific performance for Seller's breach. The exercise of one or more of said rights or remedies shall not impair Buyer's right to exercise any other right or remedy provided for in this Contract.

Notwithstanding the provisions above, no default by either Party shall result in a termination or limitation of any rights of such Party unless and until the other party shall have notified the defaulting Party in writing of said default, and the defaulting Party shall have failed to cure said default within three (3) days after the receipt of said written notice (said right to cure shall not apply to a demand for Closing).

5. **DESTRUCTION OR DAMAGE.**

- A. In the event that prior to the Closing Date all or any material portion of the Improvements shall be destroyed or damaged by fire or other casualty ("Casualty"), Seller shall give Buyer notice of such occurrence and notice of Seller's election either to (i) terminate this Contract and all obligations of the parties hereunder shall cease and this Contract shall have no further force or effect, or (ii) within such reasonable period of time following the date of such Casualty as circumstances permit, restore and repair the Improvements to a condition substantially comparable to that which existed prior to the date of the Casualty, in which event the Closing Date shall be postponed until such repairs are completed by Seller.
- B. Notwithstanding the foregoing, if Seller elects to terminate this Contract, Buyer shall have the option, which must be exercised within fifteen (15) days of receipt of Seller's notice of termination, to nullify Seller's notice of termination by giving notice to Seller of Buyer's intention to accept the Real Property in its "as is" and "where is" condition irrespective of such Casualty, in which event the parties shall proceed to close this transaction in accordance with the terms hereof with no reduction in the Purchase Price. If Buyer fails to exercise said option within such fifteen (15) day period, this Contract shall be deemed terminated, all rights and obligations of the Parties shall cease. As used in this Contract, "material" shall mean damage or destruction of a portion of the Improvements which the Seller in good faith believes would cost in excess of \$10,000.00 to repair or rebuild. Notwithstanding the foregoing, in the event a non-material portion of the Improvements, or a portion of the Improvements which Buyer planned to demolish for purposes of its intended development, is damaged or destroyed by fire or other casualty, Buyer may accept the Real Property in its "as is" and "where is" condition irrespective of such Casualty and the Parties shall proceed to close this transaction in accordance with the terms hereof with no reduction in the Purchase Price.
