SECTION 3

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds, in relation to the proposed Special Use Permit for a public school as follows:

A. The Subject Property contains approximately 20.05 acres and is located within the Village of Orland Park in Cook County, Illinois. The Subject Property is of the type contemplated in Section 6-204.C.3. of the Code and has been developed in accordance with a site plan best suited for the Subject Property. The plan is to continue the existing land use of the Subject Property, which contains an existing 79,393 square foot school building (Orland Junior High) and an existing 37,031 square foot school building (High Point Elementary), with the development of a 2,207 square foot school building addition for Orland Junior High and a 15,630 square foot addition for High Point Elementary under the R-3 Residential Zoning classification, with a Special Use for a public school and the following conditions:

1. The development will be in substantial conformance with the Site Plan for Orland Junior High and High Point Elementary dated May 3, 2023, the Landscape Plan for Orland Junior High and High Point Elementary dated May 5, 2023, and the Building Elevations for Orland Junior High and High Point Elementary dated December 29, 2022
2. The Engineering Programs and Services Department must approve final engineering and final landscape plans prior to the commencement of site improvements.

3. A traffic and parking control/management plan must be approved by the Director of Engineering prior to occupancy of the building addition.
 4. A new dumpster enclosure meeting Land Development Code requirements must be installed prior to occupancy of the building addition.
 5. A letter shall be provided by the school district allowing Village access to the site to maintain existing and proposed utilities prior to the hearing of this case before the Board of Trustees.
 6. A Plat of Easement granting utility access must be recorded prior to the start of the 2025-2026 school year.
 7. Parking lot improvements as noted on attached Deferred Improvements Exhibit dated June 12, 2023, meeting all Land Development Code requirements be completed by December 1, 2025. Required improvements shall not reduce the total number of available parking spaces.
- B. The proposed use of the Subject Property is consistent with the purposes, goals, objectives and standards of the Comprehensive Plan, any adopted overlay plan and the Land Development Code. The Comprehensive Plan designates this property as Community and Institutional in the Orland Grove Planning District. The site provides for adequate buffering in the proposed use from surrounding land uses.
- C. The proposed Special Use will be consistent with the character of the immediate vicinity of the Subject Property. To the south and west are single-family homes zoned R-3A (South) and R-2 and R-3A (West); additionally to the north is open space zoned OL, and to the east is open space zoned R-3.
- D. The proposed use of the Subject Property creates no adverse effects, including visual impacts, on adjacent properties. The proposed Special Use will not adversely affect the value of adjacent property.
- E. The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police and fire protection, hospital and medical services, drainage systems, refuse disposal, water and sewers, and schools will be capable of serving the Subject Property at an adequate level of service. Adequate measures have been or will be taken to provide ingress and egress so designed to minimize traffic congestion in the public streets. The entrances and exits will comply with all applicable requirements, and internal traffic is adequately provided for.
- F. Petitioner has made adequate legal provision to guarantee the provision and preservation of all improvements associated with the Subject Property development.
- G. The proposed use will not adversely affect a known archaeological, historical or cultural resource.

H. The proposed Special Use for a public school shall comply with all additional standards imposed on it by all other applicable requirements of the ordinances of the Village.

SECTION 4

A Special Use for a public school is hereby granted and issued for the development of the Subject Property described in Section 2 hereof, subject to and conditioned upon the following:

A. The Subject Property shall be developed substantially in accordance with the Site Plan and Elevations, subject to the following:

1. The Engineering Programs and Services Department must approve final engineering and final landscape plans prior to the commencement of site improvements.
2. A traffic and parking control/management plan must be approved by the Director of Engineering prior to occupancy of the building addition.
3. A new dumpster enclosure meeting Land Development Code requirements must be installed prior to occupancy of the new building addition.
4. A letter shall be provided by the school district allowing Village access to the site to maintain existing and proposed utilities prior to the hearing of this case before the Board of Trustees.
5. A Plat of Easement granting utility access must be recorded prior to the start of the 2025-2026 school year.
6. Parking lot improvements as noted on attached Deferred Improvements Exhibit dated June 12, 2023, meeting all Land Development Code requirements be completed by December 1, 2025. Required improvements shall not reduce the total number of available parking spaces.

B. The special use permit granted and issued herein is granted with the following modification: a building height increase of 2'4" beyond the R-3 Residential District maximum height.

SECTION 5

The Petitioner (Permittee) hereunder shall at all times comply with the terms and conditions of the Special Use Permit herein granted and in the event of non-compliance, said Permit shall be subject to revocation by appropriate legal proceedings.

SECTION 6

That this Ordinance shall be in full force and effect from and after its adoption and approval as required by law.
