Face Coverings would be required at all essential businesses, including employees and customers. This resolution would not apply to the following persons:

- Engaged in outdoor activity such as walking, running, biking or other solitary physical activity while at the same time practicing social or physical distancing of at least six feet from others;
- Riding alone in a personal vehicle;
- Who are alone or with household members in a separate single space;
- When doing so creates a greater health, safety or security risk to the individual or the public; and
