WHEREAS, the Act prohibits law enforcement officers from reviewing their own body-worn camera video recording before writing their report; and

WHEREAS, the Act creates a new felony offense whereby a law enforcement officer can be charged with a Class 3 felony (punishable with a minimum term of imprisonment of 2 years up to a maximum of 5 years) for failing to comply with a police department policy regarding the use of officer-worn body cameras.

NOW, THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, that the Illinois General Assembly is called upon to repeal Section 10-15 of the Act mandating the implementation of the use of body-worn cameras unless and until the funding for such implementation is provided by the State of Illinois, to all local governments and their law enforcement agencies.
