M-5 Maintenance Facility

Hoffman Estates, IL I Owner: Illinois State Toll Highway Authority

New Construction and Site Improvements

The George Sollitt Construction Company constructed a new 95,797 square foot maintenance facility on 12 acres located at Central Road on I -90 in Hoffman Estates. The new maintenance building replaced the original facility built in Schaumburg in 1958. The Hoffman Estates (M-5) maintenance facility building serves as a fleet hub, maintenance garage and Illinois State Police office.

Maintenance facilities provide indoor storage for materials and equipment and vehicles used by the Tollway for responding to roadway incidents, debris removal, snow removal, Highway Emergency Lane Patrols (H.E.L.P.), emergency repairs on the highway and general roadside maintenance.

M-5 provides an enclosed truck wash facility, as well as a salt dome, capable of holding 6,500 tons of salt. The facility operates 24 hours a day and seven days a week. The Hoffman Estates (M-5) maintenance facility houses a staff of 40 roadway maintenance workers, as well as 28 plow trucks and other fleet vehicles.

Sustainable elements in the Tollway maintenance facilities include refueling equipment for low-emitting and fuel- efficient vehicles, installation of white TPO roof and concrete pavement with low reflectivity, reduction of light pollution with the installation of LED electronically programed exterior lighting and interior occupancy lighting. The buildings also incorporate photovoltaic panels to feed power back into the grid and electric vehicle charging stations. Skylights and punched openings in the pre-cast wall panels use translucent, insulating glass and polycarbonate panels to provide abundant natural lighting. The use of in- floor hydronic radiant heat and overhead natural gas radiant heat, along with installation of low-flow fixtures further reduce energy and water costs.

The new Hoffman Estates (M-5) Maintenance Facility serves eastern I-90, and provides a new, energy-efficient garage that includes cost-effective, sustainable programs that help the Illinois Tollway protect the environment and operate more efficiently.

- a. Subject to b. below, the most we will pay for "property damage" including all resulting loss of use is:
 - 1) \$2,500 as a result of any one "occurrence" and the most we will pay for the sum of all occurrences during the policy period is the aggregate limit of \$10,000; or
 - 2) The amount shown in the Declarations, if greater than 1) above, for Property Of Others In The Care, Custody, And Control Of The Insured & Voluntary Property Damage.
- b. The limit in 3.a. above is part of and not in addition to the Commercial General Liability Each Occurrence limit described in Paragraph 5. of Section III – Limits of Insurance of the Commercial General Liability Coverage Form.

We will not pay for "property damage" in any one "occurrence" until the amount of loss or damage exceeds the deductible shown for this coverage in the policy declarations. We will then pay the amount of loss or damage in excess of the deductible, up to the applicable limit of insurance. The limits of insurance will not be reduced by the application of such deductible amount.

We may pay any part or the entire deductible amount to effect settlement of any claim or "suit" and, upon notification of the action taken; you shall promptly reimburse us for such part of the deductible amount as has been paid by us.

c. The amount we pay for the sum of all occurrences in an annual policy period is the Aggregate Limit for this coverage. This amount is part of and not in addition to the Commercial General Liability General Aggregate Limit described in Paragraph 2. of Section III – Limits of Insurance of the Commercial General Liability Coverage Form.

B. ADDITIONAL INSURED – AUTOMATIC STATUS WHEN REQUIRED IN A WRITTEN CONSTRUCTION AGREEMENT

The words "you" and "your" as used in this provision refer to the Named Insured shown in the Declarations and any other person or organization qualifying as a Named Insured under the policy to which this endorsement is attached. "You" and "your" do not refer to an additional insured.

- SECTION II WHO IS AN INSURED is amended to include any person or organization whom you are required to add as an additional insured under a written contract or written agreement executed by you, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" and subject to the following:
 - a. If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:
 - (1) The Insurance Services Office (ISO) CG 20 10 (10/01 edition); or
 - (2) The Insurance Services Office (ISO) CG 20 37 (10/01 edition),

such person or organization is then an additional insured with respect to such endorsement(s), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of:

- (a) Your ongoing operations, with respect to Paragraph D.1.a.(1) above; or
- (b) "Your work" and included in the "products-completed operations hazard",, with respect to Paragraph D.1.a.(2) above,

which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph D.1.a., insurance afforded to such additional insured:

- i. Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs subsequent to your execution of the written contract or written agreement; and
- ii. Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

- **b.** If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:
 - (1) The Insurance Services Office (ISO) CG 20 10 (07/04 edition); or
 - (2) The Insurance Services Office (ISO) CG 20 37 (07/04 edition),

such person or organization is then an additional insured with respect to such endorsement(s), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" is caused, in whole or in part, by:

- (a) Your acts or omissions; or
- (b) The acts or omissions of those acting on your behalf,

in the performance of:

- 1. Your ongoing operations, with respect to Paragraph D.1.b.(1) above; or
- 2. "Your work" and included in the "products-completed operations hazard", with respect to Paragraph D.1.b.(2) above,

which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph D.1.b., insurance afforded to such additional insured:

- i. Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs subsequent to your execution of the written contract or written agreement; and
- ii. Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.
- c. If neither Paragraph D.1.a. nor Paragraph D.1.b above apply and such written contract or written agreement requires that you provide that the person or organization be named as an additional insured:
 - (1) Under the Insurance Services Office (ISO) CG 20 10 (04/13) or Insurance Services Office (ISO) CG 20 10 (12/19) edition, any subsequent edition, or if no edition date is specified; or
 - (2) With respect to ongoing operations if no form is specified;

such person or organization is then an additional insured, but only with respect to liability for 'bodily injury", "property damage" or "personal and advertising injury" is caused, in whole or in part by:

- (a) Your acts or omissions; or
- (b) The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations, which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph D.1.c. insurance afforded to such additional insured:

- i. Only applies to the extent permitted by law;
- ii. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured; and
- iii. Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs subsequent to your execution of the written contract or written agreement.
- d. If neither Paragraph **D.1.a.** nor Paragraph **D.1.b** above apply and such written contract or written agreement requires that you provide that the person or organization be named as an additional insured:

- (1) Under the Insurance Services Office (ISO) CG 20 37 (04/13) or Insurance Services Office (ISO) CG 20 37 (12/19) edition, any subsequent edition, or if no edition date is specified; or
- (2) With respect to the "products-completed operations hazard" if no form is specified.

such person or organization is then an additional insured, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part by "your work" and included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph D.1.d., insurance afforded to such additional insured:

- (a) Only applies to the extent permitted by law;
- (b) Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured; and
- (c) Only applies if the "bodily injury" or "property damage" occurs subsequent to your execution of the written contract or written agreement.
- 2. With respect to the insurance afforded to the additional insured described above, the following additional exclusion applies:
 - a. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render any professional engineering, architectural or surveying services by you or others on your behalf, including:
 - (1) The preparing, approving, failing to prepare approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, or drawings and specifications; or
 - (2) Supervisor or inspection activities performed as part of any related architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

- 3. With respect to the insurance afforded to an additional insured under Paragraph **D.1.c.** or Paragraph **D.1.d.** of this endorsement, the following applies:
 - a. The following is added to SECTION III LIMITS OF INSURANCE:

The most we will pay on behalf of the additional insured is the amount of insurance:

- (1) Required by a written contract or written agreement; or
- (2) Available under the applicable Limits of Insurance shown in the Declarations,

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

- b. Paragraph 9.f. of SECTION V DEFINITIONS is amended as follows:
 - f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or by those acting on your behalf. However, such part of a contract or agreement shall only be considered an "insured contract" to the extent your assumption of the tort liability is permitted by law. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

- 4. With respect to the coverage provided under this endorsement:
 - a. The following is added to Paragraph 4.a. of the Other Insurance, of SECTION IV COMMERCIAL GENERAL LIABILITY CONDITIONS:

Primary and Noncontributory Insurance

However, this insurance is primary to and will not seek contribution from any other insurance available to a person or organization added as an additional insured under the terms of the endorsement provided that:

- (1) The person or organization is a Named Insured under such other insurance; and
- (2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

b. The following paragraph is added to Paragraph 4.b. of the Other Insurance Condition under SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

5. This additional insured provision does not apply to an additional insured or project which has been specifically addressed by separate endorsement to this Coverage Part showing the additional insured in a Schedule of additional insureds.

C. ADDITIONAL INSURED - AUTOMATIC STATUS WHEN REQUIRED FOR PERMITS

- 1. The words "you" and "your" as used in this provision refer to the Named Insured shown in the Declarations and any other person or organization qualifying as a Named Insured under the policy to which this endorsement is attached. "You" and "your" do not refer to an additional insured.
- SECTION II -- WHO IS AN INSURED is amended to include any state, governmental agency, subdivision
 or political subdivision for which you are required to add as an additional insured because of the issuance
 or existence of a permit, but only with respect to:
 - a. Liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - (1) Your acts or omissions; or
 - (2) The acts or omissions of those acting on your behalf;
 - in the performance of your ongoing operations for which the permit was issued; and
 - b. Permits:
 - (1) Currently in effect or becoming effective during the term of this policy; and

(2) Executed prior to the "bodily injury", "property damage," or "personal and advertising injury". However,

- a. The insurance afforded to such additional insured only applies to the extent permitted by law; and
- **b.** If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

A person's or organization's status as an additional insured for ongoing operations ends when your operations for which the permit was issued are completed.
