AND

METROPOLITAN ALLIANCE OF POLICE CHAPTER 159

THIS AGREEMENT entered into by the VILLAGE OF ORLAND PARK, ILLINOIS (hereinafter referred to as the "Village" or the "Employer") and the METROPOLITAN ALLIANCE OF POLICE, ORLAND PARK CHAPTER 159 (hereinafter referred to as the "Chapter" or "Chapter #159") is in recognition of the Chapter's status as the representative of the Village's non-supervisory sworn peace officers and has as its basic purpose the promotion of harmonious relations between the Employer and the Chapter; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of an entire agreement covering all rates of pay, hours of work, and conditions of employment applicable to bargaining unit employees.

Therefore, in consideration of the mutual promises and agreements contained in this Agreement, the Employer and the Chapter do mutually promise and agree as follows:

ARTICLE I
RECOGNITION

Section 1.1. Recognition. The Village recognizes the Chapter as the sole and exclusive collective bargaining representative for all full-time sworn peace officers below the rank of sergeant", but excluding all sworn peace officers of the rank of sergeant and above, all supervisory, confidential and managerial employees as defined in the Illinois Public Labor Relations Act and all other Village employees.

Section 1.2. Probationary Period. The probationary period shall be eighteen (18) months in duration. Time absent from duty or not served for any reason shall not apply toward satisfaction of the probationary period. During the probationary period, an officer is entitled to all rights, privileges or benefits under this Agreement, unless otherwise expressly provided, except that the Village may suspend or discharge a probationary officer without cause and such officer shall have no recourse to the grievance procedure to contest such a suspension or discharge.

Section 1.3. Chapter Officers. For purposes of this Agreement, the term "Chapter Officers" shall refer to the Chapter's duly elected President, Vice President, Secretary, Vice-Secretary and Sergeant of Arms.

With the prior approval of the Chief, the Chapter President, Vice President and Secretary shall each be allowed up to one (1) hour of duty time in each normal work week for the performance of Chapter business. Unused time shall not accumulate nor shall time be borrowed from future weeks.

Section 1.4. Fair Representation. The Chapter recognizes its responsibility as bargaining agent and agrees to fairly represent all employees in the bargaining unit, whether or not they are members of the Chapter.

Section 1.5. Gender. Wherever the male gender is used in this Agreement, it shall be construed to include both males and females equally.

Section 1.6. Written Notice. Wherever written notice is used in this Agreement, it shall be construed to also allow the use of electronic communications such as email. If a signature is required for any written notice, the delivery of an email with the use and return of a read receipt shall constitute a signed written notice.

ARTICLE II

LABOR-MANAGEMENT MEETINGS

Section 2.1. Meeting Request. The Chapter and the Employer agree that in the interest of efficient management and harmonious employee relations, that meetings be held if mutually agreed between Chapter representatives and responsible administrative representatives of the Employer. Such meetings may be requested by either party at least seven (7) days in advance unless mutually agreed otherwise, by placing in writing a request to the other for a "labor-management meeting" and expressly providing the agenda for such meeting. The other party may add additional items to the meeting agenda up to three (3) days before the meeting. Such meetings and locations, if mutually agreed upon, shall be limited to:

- (a) discussion of the implementation and general administration of this Agreement; and
- (b) notifying the Chapter of changes in conditions of employment contemplated by the Employer which may affect employees.

Section 2.2. Content. It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Specific grievances being processed under the grievance procedure shall not be considered at "labor-management meetings" nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings.

Section 2.3. Attendance. Attendance at labor-management meetings shall be voluntary on the employee's part, and attendance during such meetings shall not be considered time worked for compensation purposes unless the meeting can only be scheduled during work time. Normally, three (3) persons from each side shall attend these meetings, schedules permitting.

ARTICLE III

MANAGEMENT RIGHTS

Section 3.1. Management Rights. Except as specifically limited by the express provisions of this Agreement, the Village retains traditional rights to manage and direct the affairs of the Village in all of its various aspects and to manage and direct its employees,

including but not limited to the following: to plan, direct, control and determine all of the operations and services of the Village; to supervise and direct the working forces; to establish the qualifications for employment and to employ employees; to schedule and assign work; to determine the work week of employees and to establish the starting and ending times of the work day; to assign or to transfer employees within the Department; to establish work and performance standards and, from time to time, to change those standards; to assign overtime; to lay-off or relieve employees due to lack of work or funds or for other legitimate reasons; to determine the methods, means, organization and number of personnel by which such operations and services shall be made or purchased; to contract out for goods and services of non-law enforcement personnel; to make and enforce reasonable rules and regulations; to discipline, suspend and discharge employees for just cause (probationary employees without cause as provided by law); to change or eliminate existing methods, equipment or facilities; and to take any and all actions as may be necessary to carry out the mission of the Village in situations of local disaster emergencies as may be formally declared by the President and Board of Trustees, the Village Manager or designees in accordance with the authority provided under 20 ILCS 3305/11. In the event of such action, the provisions of the Agreement may be suspended if necessary, provided that wage rates and monetary benefits shall not be suspended and provided further that all provisions of this Agreement shall be immediately reinstated once a local disaster or emergency condition ceases to exist.

Any decision to suspend the provisions of the Agreement in connection with the declaration of a local disaster emergency may be subject to the grievance procedure and may be revised if proven to be unwarranted.

The exercise of the foregoing powers, rights, authorities, duties and responsibilities by the Village, the adoption of policies, rules, regulations and practices in furtherance thereof, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Illinois and the Constitution and laws of the United States.

ARTICLE IV **HOURS OF WORK AND OVERTIME**

Section 4.1. Application of Article. Except as provided in this Agreement, the normal work week shall be established by the Village from time to time. The work schedules of police officers shall be based upon 2080 hours on the job per year. The shifts, work days and hours to which police officers are assigned shall be based upon the Departmental work schedules which shall not be changed except to accomplish the missions and goals of the Department.

Section 4.2. Normal Workweek and Workday.

(a) General Changes -- Should the Village determine it to be necessary to establish general work schedules which are different from the current work schedules except in the case of emergencies, the Village shall give thirty (30) days prior written notice to the Chapter before any change is implemented. Upon such notification, the Chapter may request a labor-management meeting pursuant to the provisions of Article II. Failure of the Chapter to request a labor-management meeting prior to the implementation of any change shall act as a waiver of the right to such a meeting by the Chapter. Any changes in the work schedules shall be based upon a maximum of 2080 hours of work per year.

(b) Individual Changes –Individual officers' regular monthly work schedules shall be posted no less than seven (7) calendar days prior to the effective date of the schedule unless an emergency condition exists. Individual officer's schedules may be changed from time to time to suit varying conditions; provided, however, that the changes shall be made for valid operational reasons.

Section 4.3. Changes in Normal Work Week and Work Day.

(a) It is the Village's intent to maintain the work day and work week in effect on the effective date of this Agreement for the Patrol Division. Such schedule consists of six (6) eight-hour (8) and twenty-five (25) minute days consecutively worked and three (3) days off consecutively. Each eight (8) hour and twenty-five (25) minute shift shall consist of the following: A twenty-five (25) minute roll call period at the beginning of each shift; seven and one half (7 1/2) hours of regular duty and one-half (1/2) hour unpaid off-duty lunch period. According to this schedule, each officer is on the job a total of 40.55 work weeks per year for a total of 243 days of work or 2046.15 hours. The balance of 33.85 hours (2080 hours – 2046.15 hours) shall be used as scheduled by the Chief of Police for training sessions and shall be conducted under the current departmental policy concerning training as ten (10) three and one-half (3 1/2) hour training sessions, as agreed.

(b) Five (5) Day, Nine (9) Hour Work Schedule -- In the event of a determination by the Village to depart from the current work schedule during the term of this Agreement, the Village shall give special consideration to a departmental work schedule of consecutive five (5) nine (9) hour days with three (3) consecutive days off. Such a nine (9) hour day shall include a period of time designated for the purpose of roll call instruction, a one-half (1/2) hour off duty period for lunch, if available, and appropriate breaks in service as necessary. Utilizing such a schedule would render the Village 2052 hours of service. The remaining twenty-eight (28) hours due to the Village shall be allocated in seven (7) four (4) hour sessions and would be conducted under the current departmental policy concerning training.

(c) Five and Two Schedule -- The department currently and regularly assigns certain officers to a work schedule consisting of five (5) eight (8) hour days consecutively worked and two (2) days off consecutively. In using this schedule, officers assigned shall work a total of 52 work weeks a year for a total of 260 work days a year or 2080 hours scheduled. The eight (8) hour work day shall include a one-half (1/2) hour unpaid off-duty lunch period.

(d) Seniority Bidding of Permanent Shifts in the Patrol Unit of the Patrol Division. Non-probationary employees shall have preference for assignment to one (1) of the three (3) permanent shifts (Days, Afternoons, or Nights) in accordance with the bidding process described in Appendix I. Shifts shall be made available for bid by employees during the month of December. Shift assignments that are bid each year in December for the schedule year beginning February 1st and ending January 31st shall be for a twelve (12) month period. The bid process shall be conducted by the Chapter and the results shall be presented to the Chief of Police no later than November 1st for the period beginning February 1st. The Chief of Police shall then prepare the new schedule of shift assignments based upon the results of the bidding process and operational needs of the department as determined by the Chief of Police and said annual schedule shall be posted no later than December 1st of each year. The three permanent shifts and hours are: Days (0635 - 1500), Afternoons (1435 - 2300), and Nights (2235 - 0700). The Chief of Police shall provide notice to the Chapter prior to November 1st, if a Power Shift (1835 – 0300) will be implemented into the schedule and will also indicate the estimated number of

available biddable positions within the Power Shift. Failure to provide such notification for Power Shift will result in no Power Shift schedule for the bidding year.

(e) Open Shift Bidding Except in cases of exigent circumstances (i.e., long-term illness/injury) employees who are eligible to bid pursuant to Section 4.3(d) shall be allowed to bid, by seniority, any open shift on a permanent basis and shall thereafter be allowed to bid, pursuant to their seniority, on the annual bid pursuant to this section.

Section 4.4. Overtime Pay.

(a) Hold-over Overtime -- When any police officer is held over more than fifteen (15) minutes beyond his regularly scheduled work day or duty shift as a result of events or activities which occur during his shift, he shall be paid at a rate of one and one-half (1-1/2) times the regular straight-time hourly rate of pay for each overtime hour worked beyond his regular scheduled work day with such pay received in fifteen (15) minute segments. Officers will not be arbitrarily held over beyond their assigned shift times.

(b) FLSA Overtime -- The Village shall pay overtime required by the Fair Labor Standards Act. Such overtime payments shall be based upon a twenty-seven (27) day work period for officers regularly scheduled on the current six (6) and three (3) work schedule and upon a twenty eight (28) day work period for officers regularly assigned to a five and two work schedule. In the event of a change from the established work schedules the applicable work period for calculation and overtime pay shall be mutually agreed between the parties and if they are not able to reach an agreement then such issue shall be resolved through the binding arbitration process as set forth in the Illinois Compiled Statutes, Illinois Public Labor Relations Act. For purposes of calculating an employee's hourly wage rate for overtime pay purposes, the employee's annual base salary shall be divided by 2080 hours.

(c) On-duty, full-time police officers, assigned to the patrol unit, may be used to fill minimum shift strength as long as no individual officer's schedule (to include work hours + day-off rotation) is changed.

(d) On-duty, full-time officers assigned to other units or assignments in the Patrol Division that are not full-time (i. e., motorcycle, bike patrol) may have their schedules changed to fill minimum shift strength. These officers will be used prior to the assignment of officers assigned to other full-time units in the Patrol Division.

(e) On-duty, full-time officers assigned to other full-time units or assignments in the Patrol Division (i.e., Traffic Unit) may have their schedules changed to fill minimum strength with reasonable notification which must be a minimum of twenty-four hours in advance.

(f) Probationary officers' individual schedules may be changed to accomplish the mission and goals of the department to accommodate training; holiday requests; personal day requests; vacation day requests; and extended sick leave in excess of one day.

Section 4.5. Compensatory Time.

(1) All officers covered by this Agreement who currently have accumulated compensatory time hours in excess of one hundred forty (140) hours shall not be afforded the discretion to earn additional compensatory time.

(2) All officers covered by this Agreement who have less than one hundred forty (140) hours currently accumulated in their compensatory time banks shall, at that officer's discretion be allowed to earn compensatory time due, calculated at the overtime rate in lieu of overtime pay, subject to the following conditions:

a. Compensatory time may only be earned from time worked beyond the employee's regularly scheduled duty hours (hold over, cover shift, etc.) required overtime (per Section 4.7: Required Overtime), call outs (per Section 13.6: Call Out) training, off-key court (per Section 4.6: Court Time) and overtime earned as a result of specialty pay, on call Investigators and State Certified Traffic Accident Reconstructionist may earn comp time on call outs only, at a double time rate.

b. Compensatory time may not be accrued for village special events, details or special initiatives managed by the department to include details or assignments funded by outside agencies or sources, or for any reason not listed in paragraph 2(a), unless such time blocks are mutually agreed upon between the employee and the Chief of Police or designee.

c. All officers covered by this Agreement who currently have in excess of one hundred forty (140) hours of accrued compensatory time will retain those accrued hours upon execution of the Agreement but may not accrue additional hours until such time as they have less than one hundred forty (140) accrued hours.

d. The parties agree that compensatory time off is subject to the manpower requirements of the Department and shall be granted as outlined in Section 7.5 (Holidays and Compensatory Time Scheduling) of this agreement.

Section 4.6. Court Time.

(a) Employees who would otherwise be off-duty shall be paid, with a two hour minimum, at time and one half (1 1/2) the regular straight time hourly rate of pay for all hours worked when appearing in court on behalf of the Village in the capacity of a commissioned officer or when preparing for an off-duty court appearance when in the presence of a prosecuting attorney.

(b) Employees required to remain on stand-by status for court in Will County who are not subsequently required to attend court, shall be compensated for two (2) hours duty at time and one-half (1½) the regular straight time hourly rate subject to compliance with the terms of the Special Order related to this topic.

Section 4.7. Required Overtime. The Chief of Police or his designee(s) shall have the right to require overtime work and officers may not refuse overtime assignments. The Chief or his designee(s) will endeavor to distribute overtime according to the procedure as set forth in General Order 22.4 (attached hereto as Appendix C).

Section 4.8. No Pyramiding. Compensation shall not be paid (or compensatory time taken) more than once for the same hours under any provision of this Article or Agreement.

Section 4.9. Part-Time Officers. The Village will not use part time officers to fill shift minimums as outlined in GO 41-1 or to avoid the payment of overtime as outlined in GO 22.3. Upon direction of the Chief, part-time officers may be used to increase shift strength.

Section 4.10. Exchange of Shifts. Officers covered by this agreement may be allowed to exchange shifts with other officers with the approval of the Chief or his designee. The employee who agrees to work a switch assumes all the responsibilities and obligations of the employee with whom the switch was made.

ARTICLE V **GRIEVANCE PROCEDURE**

Section 5.1. Definition. A "grievance" is defined as a dispute or difference of opinion raised by an employee or the Chapter against the Village involving an alleged violation of an express provision of this Agreement. Grievances concerning disciplinary matters shall be conducted according to the procedure described in Article XIX with the exception of oral or written reprimands which may be appealed no further than Step 2 of the Grievance Procedure.

Section 5.2. Procedure. A grievance filed against the Village shall be processed in the following manner:

Step 1 Any employee and/or Steward who has a grievance shall submit the grievance in writing to the employee's (in most cases, the Division Commander) immediate supervisor, specifically indicating that the matter is a grievance under this Agreement. The grievance shall contain a statement of the relevant facts, the provision or provisions of this Agreement which are alleged to have been violated, and the relief requested. All grievances must be presented no later than five (5) business days (Mondays through Fridays) from the date of the occurrence of the matter giving rise to the grievance or within five (5) business days after the employee, through the use of reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the grievance provided, however, that the failure to cite specific provision in the original grievance shall not be a reason to deny a grievance if the Village is afforded reasonable notice of the omitted provision. The immediate supervisor shall render a written response to the grievance within five (5) business days after the grievance is presented.

Step 2 If the grievance is not settled at Step 1 and the employee, or the Chapter if a Chapter grievance, wishes to appeal the grievance to Step 2 of the grievance procedure, it shall be submitted in writing designated as a "grievance" to the Police Chief within five (5) business days after receipt of the Village's answer in Step 1. The grievance shall specifically state the basis upon which the grievant believes the grievance was improperly denied at the previous step in the grievance procedure. The Police Chief or his designee shall investigate the grievance and, in the course of such investigation, shall offer to discuss the grievance within five (5) business days with the grievant and an authorized Chapter representative if one is requested by the employee at a time mutually agreeable to the parties. If no settlement of the grievance is reached, the Police Chief or designee shall provide a written answer to

the grievance, or to the Chapter of a Chapter grievance, within five (5) business days following their meeting.

Step 3 If the grievance is not settled at Step 2 and the Chapter desires to appeal, it shall be referred by the Chapter in writing to the Village Manager within five (5) business days after receipt of the Village's answer in Step 2. Thereafter, the Village Manager or his designee and the Police Chief or other appropriate individual(s) as desired by the Village Manager, shall meet with the grievant and the Steward involved within five (5) business days of receipt of the Chapter's appeal, if at all possible. If no agreement is reached, the Village Manager or designee shall submit a written answer to the Chapter within five (5) business days following the meeting.

Section 5.3. Arbitration. If the grievance is not settled in Step 3 and the Chapter wishes to appeal the grievance from Step 3 of the grievance procedure, the Chapter may refer the grievance to arbitration, as described below, within five (5) business days of receipt of the Village's written answer, or within five (5) business days of the Village's failure to provide a written response, as provided to the Chapter at Step 3:

(a) The parties shall attempt to agree upon an arbitrator within five (5) business days after receipt of the notice of referral. In the event the parties are unable to agree upon the arbitrator within the five (5) day period, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a panel of five (5) arbitrators who shall be members of the National Academy of Arbitrators residing in the Midwest region. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. The party requesting arbitration shall strike the first name; the parties shall then strike alternately until only one person remains. The person remaining shall be the arbitrator.

(b) The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Chapter and Village representatives.

(c) The Village and the Chapter shall have the right to request the arbitrator to require the presence of witnesses or documents. The Village and the Chapter retain the right to employ legal counsel.

(d) The arbitrator shall submit his/her decision in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later.

(e) More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing.

(f) The fees and expenses of the arbitrator and the cost of a written transcript, if any, shall be divided equally between the Village and the Chapter; provided, however, that each party shall be responsible for compensating its own representatives and witnesses.

Section 5.4. Limitations on Authority of Arbitrator. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. The arbitrator shall be empowered to determine the issue raised by the grievance as submitted in writing at the Second Step. The arbitrator shall have no authority to make a decision on any issue not so submitted or raised. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with, in any way, applicable laws, or of rules and regulations of administrative bodies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the Village under law and applicable court decisions. Any decision or award of the arbitrator rendered within the limitations of this Section 5.4 shall be final and binding upon the Village, the Chapter and the employees covered by this Agreement.

Section 5.5. Time Limit for Filing. No grievance shall be entertained or processed unless it is submitted at Step 1 no later than five (5) business days after the occurrence of the event giving rise to the grievance or no later than five (5) business days after the employee, through the use of reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the grievance. A "business day" is defined as a calendar day exclusive of Saturdays, Sundays or holidays recognized by the Village.

If a grievance is not presented by the employee or the Chapter within the time limits set forth above, it shall be considered "waived" and may not be further pursued by the employee or the Chapter. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Village's last answer. If the Village does not answer a grievance or an appeal thereof within the specified time limits, the aggrieved employee and/or the Chapter shall treat the grievance as denied at that step and may elect to timely appeal the grievance to the next step within five (5) business days.

ARTICLE VI NO STRIKE - NO LOCKOUT

Section 6.1. No Strike. Neither the Chapter nor any of its officers, agents or employees will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, slowdown, sit-down, concerted stoppage of work, concerted refusal to perform overtime, concerted, abnormal and unapproved enforcement procedures or policies or work to the rule situation, mass resignations, mass absenteeism, picketing except for informational picketing, or any other intentional disruption of the operations of the Village, regardless of the reason for so doing. Any or all employees who violate any of the provisions of this Article may be discharged or otherwise disciplined in accordance with the rules and regulations of the Board of Fire and Police Commissioners. Each employee who holds the position of officer or steward of the Chapter occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this Section of this Article the Chapter agrees to inform its members of their obligations under this Agreement and to direct them to return to work.

Section 6.2. No Lockout. The Village will not lock out any employees during the term of this Agreement as a result of any labor dispute with the Chapter.

Section 6.3. Penalty. The only matter which may be made the subject of a grievance concerning disciplinary action imposed for an alleged violation of Section 6.1 is whether or not the employee actually engaged in such prohibited conduct. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

Section 6.4. Judicial Restraint. Nothing contained herein shall preclude the Village or the Chapter from obtaining judicial restraint and damages in the event the other party violates this Article.

ARTICLE VII **HOLIDAYS**

Section 7.1. Holidays. The following are paid holidays for eligible employees:

VACATIONS

Section 9.1. Eligibility and Allowance. Employees shall be eligible for paid vacation time after the completion of the first six (6) months of the eighteen (18) month probationary period. Employees shall start to earn vacation allowance as of their date of hire. Vacation allowances shall be earned annually, based on the following schedule:

Length of Continuous Service	Working Days Vacation Per Year
Less than 5 years	10 days (2 weeks)
At least 5 years but less than 10	15 days (3 weeks)
At least 10 years but less than 20	20 days (4 weeks)
At least 20 years	25 days (5 weeks)

Employees shall earn vacation allowances for any month in which they receive compensation for more than one hundred twenty (120) hours of work. shall be scheduled at times most desired by employees, with priority to employees having the most seniority. An employee may submit his or her preference for vacation, requesting such time in two (2) week increments first. After the yearly vacation schedule passes through an employee's shift or work group, the remainder of any vacation time available to the employee may be scheduled by repeating the process. For employees who earn five weeks of vacation, the process will be repeated a third and final time.

If an employee declines to schedule accrued vacation time during the period designated for vacation scheduling by the Chief of Police, then an employee must submit his or her vacation request subject to availability and approval by the Chief of Police or his designee. Unused vacation time shall not accumulate from year-to-year unless specifically authorized in writing by the Chief of Police or the Village Manager. In conjunction with the 6+3 schedule concerning vacation days, one holiday either before or after the vacation will be approved.

An employee's preference for a vacation week is defined as follows: Every officer who earns a week of vacation will have one (1) work week vacation request. That vacation request can be scheduled from one (1) day and up to six (6) consecutive days in conjunction with an officer's regularly scheduled days off. ARTICLE X **SICK LEAVE**

Section 10.1. Purpose. Section 10.5. Medical Examinations. The Village may, at its discretion, require an employee utilizing sick leave to submit during such leave to an examination by a doctor or nurse designated by the Village, at the Village's expense. An employee, at his own expense, may obtain a second opinion from another physician. The opinion of such physician, if timely submitted, will be given fair consideration by the Village before a final determination is made as to the employee's medical condition.

Section 10.6. Sick Leave Utilization. Sick leave shall be used in no less an increment than one (1) hour.

Section 10.7. Sick Leave Buy Back Upon Retirement. Upon an employee's retirement, the Village will pay the retiring employee the current straight time hourly rate or equivalent for every hour of sick time in excess of four hundred (400) hours, which the employee has accrued.

Section 10.8. Annual Sick Leave Buy Back.

(a) The Village, on an annual basis, will pay an officer the current straight time hourly rate or equivalent in whole day increments for unused sick time up to four (4) days per year. To be eligible the officer must have used four (4) or less sick days during that calendar year.

(b) If an officer elects to exercise this "Annual Sick Leave Buy Back" option only the remaining unused sick days after buy back from that year will accrue towards the officer's buy back upon retirement. The specific procedures for documenting sick leave usage and making application for Annual Sick Leave Buy Back payments shall be in accordance with such orders issued from time to time by the Chief of Police.

Section 10.9. 401(a) Plan.

In order to assist members to fund post-employment health care and insurance expenses the Village will make available a 401(a) Plan to Chapter members. Books, fees and other charges shall be paid by the employee. However, an amount for books and fees is eligible for reimbursement when combined with the tuition cost that does not exceed \$400.00 per credit hour.

If an employee terminates his employment with the Village less than two (2) years after completing a course and receiving any tuition reimbursement from the Employer, then the Employer may deduct the tuition reimbursement (or a portion thereof) from the employee's final paycheck or take such other steps as may be necessary in order to obtain the repayment of tuition monies reimbursement previously provided to the employee.

An employee's failure to meet said minimum standards may result in disciplinary action being taken by the Village and, in addition, the Village may withhold scheduled step increases, as defined in Section 13.3. Said minimum acceptable work performance standards may be changed by mutual consent of the Village and the Chapter. Effective upon ratification all officers assigned to the patrol unit are required to produce 350 contacts per year or an average of 29 contacts per month. A contact is defined as a traffic stop of an occupied vehicle traveling on the roadway, any custodial arrest,

any ticket written or a Positive Citizen Contact (PCC). A PCC is defined as an officer self-initiated engagement with a citizen for the purpose of fostering community police relations, assisting with crime prevention or working with a citizen on a concern. PCC will be documented with a general case report. A warning ticket(s) will only count as a 0.5 contact per incident, per person.

Employees shall be subject to an annual performance evaluation based upon the quality of their performance during the rating period. In the event an employee receives an unsatisfactory annual performance evaluation in any year during the effective terms of this Agreement, the employee shall be entitled to one performance evaluation (mid-year evaluation) within six (6) months after said unsatisfactory annual evaluation and prior to the next annual evaluation. Should the officer receive a satisfactory or better performance evaluation on the mid-year evaluation, the officer shall move to his/her next higher step on the date of the mid-year evaluation. There will be no retroactive increase for the time prior to the date of the mid-year evaluation. The Village may require that an employee being paid for call back time remain at work for the entire two hours to perform work tasks as assigned by the Village.

Employees will be required to either provide a valid phone number to which they can respond to a call back or will download a phone application as requested by the Village that will provide call back notifications. Employees downloading the phone application will be reimbursed by the Village for the purchase of the application. In all cases, employees will be required to timely respond to Village requests for call back or on-call duties.

(c) Permanent Shift Seniority shall be strictly maintained by the basic Seniority List. Any and all deviations can only be made by the individual who is willing to accept a position at a lower position than his Seniority would allow for, (i.e., officer chooses a lower assignment in order to obtain training or a special assignment consideration thereof).

(d) The special Detail list are those details that are compensated through the Village payroll system. Special details will be posted as soon as possible on the rear bulletin board in roll call under a banner entitled "Special Details". Officers who sign up will be selected by basic seniority. (b) Wellness Incentive (All Plans)

1. The Village will conduct on-site health screenings scheduled by the Village on predetermined dates each calendar year for the employee. The Village will pay for the cost of the health screening for full-time employees, and their spouses who are currently enrolled on the Village's medical plan.

For those employees who choose not to participate in the employee health screening, the employee's monthly health insurance premium share will be increased by \$80 per month. Such premium increase shall not reflect the voluntary decision of a member's eligible spouse who has elected not to participate in the health screening.

2. If an employee is unable to participate in the health screening when they are held onsite, the employee will have 30 days post written notification that they have not completed the screening to obtain a health screening at one of the screening company's alternate locations. Failure to obtain a screening by that date will result in the loss of the discounted rate.

3. Employee premium rates will be administered assuming the discount will apply; upon confirmation of non-compliance with the wellness screening, discount removal will be applied retroactively to January 1 of the plan year.

(c) HDHP/HSA

Annual Deductible:

For plan years covered by this Agreement, the annual deductibles for the HDHP/HSA plans will be:

The Village will make annual deposits no later than the second pay period in January of the respective plan year.

Prescription Drugs / Emergency Room Co-pays:

The prescription drug benefit will again be subject to the annual deductible; however, once the deductible is satisfied prescriptions will be subject to a co-pay of \$0/\$20/\$40 or a model similar, as offered by the administrator at that time.

Emergency room benefit will again be subject to the annual deductible; however once the deductible is satisfied emergency room benefits will be subject to a \$150 co-pay after the deductible is satisfied. All co-pays and deductibles will be subject to a maximum annual out-of-

pocket limit in the amount of \$5,950 per single coverage and \$11,900 per family coverage. *This limit does not apply to deductible and expenses for out-of-network services if the plan uses a network of providers. Instead only deductibles and out-of-pocket expenses for services within the network should be used to figure whether the limit applies.

(d) Section 125 Plan.

The Village shall extend to members of the bargaining unit the opportunity to participate in the IRC §125 Plan it has established so long as such Plan continues to be authorized by the Internal Revenue Code.

(e) Continuation of Coverage.

The Village shall also offer employees who are under the age of 65 who retire during the life of this Agreement and their eligible dependents, the option to participate in the plans offered by the Village to employees in accordance with the Police Officer's Continuance Privilege 215 ILCS 5, Section 367(g) or under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) subject to their contribution of premium costs as provided in this Agreement. Eligible dependents are the employee's spouse and dependents who are participants in the plan on the day before the effective date of the employee's retirement.

Benefit continuation for health coverage begins the 1st of the month following a bargaining unit member's end of employment. Pursuant to this Agreement, benefit continuation for bargaining unit members electing to retire under the Police Officer's Continuance Privilege (215 ILCS 5/367g) will end upon attainment of Medicare eligibility and as a result and in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), eligible dependents whose coverage ends will be eligible for benefit continuation under COBRA as a qualified beneficiary. A qualified beneficiary who elects continuance coverage under COBRA is responsible for 100% of the premium payment for the selected coverage.

Premium rates will be set by the Village and may change annually. Except for employees eligible for a Village subsidy, full payment of premium rate for continued health coverage is due for payment as outlined in the Police Officer's Continuance Privilege (215 ILCS 5/367g) or under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuants will be charged a 2% administration fee.

For purposes of this Section, "retired benefit continuant" shall mean those employees who retire from active service as a police officer with an attained age and accumulated creditable service which together qualify the employee for immediate receipt of retirement pension benefits under Section 3-111 of the Illinois Pension Code.

The Village will apply a subsidy to the premium rates for retired benefit continuants under Police Officer's Continuance Privilege (215 ILCS 5/367g) as outlined below. Any Village subsidy will be applied to reduce the full premium amount due. Village subsidy will end on the last day of the month prior to the month the retired benefit continuant attains age 65 or Medicare eligibility, whichever is earlier. The spouse or dependent of a retired benefit continuant that attains Medicare eligibility or age 65, whichever occurs first, may elect to continue their

coverage under Police Officer’s Continuance Privilege (215 ILCS 5/367g) with payment of the full cost of the premium.

For Bargaining Members Hired Before January 1, 2014:	100%	Not to exceed 100% of the HMO Employee Only Premium Rate	Equal to active bargaining unit employee contribution rate for elected plan and coverage level plus all costs above Village subsidy

For Bargaining Members Hired On or After May 1, 2020:	100%	None	100%

IF AN OFFICER LEAVES THE STATE OF ILLINOIS AFTER RETIREMENT AND THERE ARE NO HMO INSURANCE BENEFITS AVAILABLE TO THAT OFFICER, THE AFFECTED OFFICER SHALL RECEIVE A MONTHLY PAYMENT EQUAL TO 100% OF THE THEN CURRENT MONTHLY PREMIUM FOR SINGLE HMO COVERAGE. EXCEPT THAT FOR EMPLOYEES HIRED AFTER JANUARY 1, 2014 THE BENEFIT FOR RELOCATED RETIREES SHALL BE REDUCED BY THE THEN CURRENT MONTHLY PREMIUM FOR SINGLE HMO COVERAGE. THIS MONTHLY PAYMENT WILL END ON THE LAST DAY OF THE MONTH PRIOR TO THE MONTH THE RETIRED BENEFIT CONTINUANT ATTAINS AGE 65 OR MEDICARE ELIGIBILITY, WHICHEVER IS EARLIER.

Section 15.3. Terms of Insurance Policies to Govern. The extent of coverage under any insurance policies and/or benefit plan descriptions referred to in this Agreement shall be governed by the terms and conditions set forth in such policies and/or benefit plan descriptions. Any questions or disputes concerning said insurance policies and/or benefit plan descriptions or benefits therein under shall be resolved in accordance with the terms and conditions set forth in said policies and/or benefit descriptions and shall not be subject to the grievance and arbitration procedure set forth in this Agreement. The failure of any insurance carrier(s) to provide any benefit for which it has contracted or is obligated shall result in no liability to the Village, nor shall such failure be considered a breach by the Village of any obligation undertaken under this or any other Agreement. However, nothing in this Agreement shall be construed to relieve any insurance carrier(s) from any liability it may have to the Village, employee or beneficiary of any Village employee, by reason of said insurance policy.

Section 15.4. Life Insurance. The Village shall provide, at no cost to the employee, life insurance coverage at least equal to two year's annual base salary of the employee up to a maximum of \$150,000.00 coverage to include death due to infectious disease as a result of job duties.

The Village shall allow a surviving spouse and eligible dependents of a deceased employee, either active or retired at the time of death, to maintain group hospitalization and major medical benefits, provided these individuals pay the monthly premium charge for this coverage to the Village. Such premiums shall be made available at group rates.

In the event that the deceased employee is killed or dies in the line of duty the surviving spouse and eligible dependents of such employee shall be provided with health and dental benefits equal to those prior to the employee's death and the cost of such benefits shall be paid entirely by the Village.

ARTICLE XVI **MAINTENANCE OF ECONOMIC BENEFITS**

All significant economic benefits which are not set forth in this Agreement and are currently in effect shall continue and remain in effect until such time as the Village shall notify the Chapter of its intention to change them. Upon such notification, and if requested by the Chapter, the Village shall meet and negotiate, in good faith, any such changes before they are finally implemented by the Village. The Village may temporarily implement such changes pending the outcome of negotiations. Any impasse that develops between the parties as to such change, shall be resolved in accordance with the impasse procedures of the Illinois Public Labor Relations Act, as amended, as of January 1, 1986.

ARTICLE XVII **PROGRAM AND COMMITTEES**

Section 17.2. Accident Review Board. The process of the Accident Review Board shall continue and amendments in the process shall be implemented as agreed between the parties and indicated in General Order 26.5, issued by the Chief of Police on 3/1/98 and attached herein as Appendix G. ARTICLE XIX
POLICE AND FIRE COMMISSION AND THE IMPOSITION OF DISCIPLINE

Section 19.1. Police and Fire Commission Authority. The parties recognize that the Police and Fire Commission of the Village of Orland Park has certain statutory authority over employees covered by this Agreement as defined by the Illinois Municipal Code, 65 ILCS 5/10-2.1-1, et seq. The Agreement is nevertheless intended to supplement the authority of the Police and Fire Commission by providing non-probationary employees with the right to choose between having a dispute as to disciplinary action resolved through the grievance arbitration procedure of this Agreement or by hearing conducted by the Police and Fire Commission. Accordingly, the parties agree that if a disciplinary matter as to which a grievance has been filed is not resolved at Step 3 of the grievance procedure, the employee shall have the right to choose to have the dispute heard before the Police and Fire Commission or to continue an appeal through the grievance procedure as described in § 5.3 of this Agreement. An employee must in writing elect between having a dispute as to a disciplinary action resolved through the grievance/arbitration procedure or by hearing conducted by the Police and Fire Commission. The filing of a notice with the Village by the Chapter to refer the grievance to arbitration, as described in § 5.3, shall constitute notice of the employee's election to appeal the disciplinary dispute through the grievance arbitration procedure and to waive any hearing before the Police and Fire Commission. Conversely, the failure to file such notice shall constitute a waiver of the grievance appeal and an election by the employee to have the dispute heard by the Police and Fire Commission.

In the event of any conflicts between this procedure and any Village ordinances or Police and Fire Commission rules, the provisions of this contract shall take precedence.

The administration of discipline by the Employer in other respects shall be carried out as stated in the sections which follow.

Section 19.2. Disciplinary Action. Disciplinary action (i.e. oral or written reprimand, suspension or discharge) may be imposed upon a post-probationary employee only for just cause. In no event shall the discipline of an employee include corporal punishment.

Section 19.3. Pre-Disciplinary Meeting. Before a decision to impose or recommend a suspension, without pay, or a discharge is reached by the Chief of Police, the Chief or his designee shall notify the Chapter and meet with the employee involved, and the employee's Chapter representative if requested by the employee, and inform the employee of the reasons for contemplated disciplinary action. The employee, and the Chapter representative if present, shall be given the opportunity to informally discuss, rebut or clarify the reasons for contemplated disciplinary action.

Section 19.4. Notification and Measure of Disciplinary Action. In the event disciplinary action of five (5) days or less is taken against an employee, the Department shall promptly furnish the employee a statement in writing of the reasons therefore. The measure of discipline and the statement of reasons may be modified but not increased by the Village as a result of any grievance meetings. The previous sentence shall not preclude the Chief from initiating additional charges if new facts become known to him, nor shall it affect the authority of the Fire and Police Commission under the Municipal Code.

Section 19.5. Polygraph Testing. The Village shall abide by Illinois Law concerning polygraph examinations.

Section 19.6. Officers' Conduct. The parties agree that they shall treat each other with respect and courtesy.

Section 19.7. Purge of Personnel File. An officer may request in writing to the Chief of Police that a specific oral reprimand shall be removed from the employee's personnel file, if, from the date of the last oral reprimand, twelve (12) months have passed without the employee receiving an additional reprimand or discipline for the same or substantially similar offenses.

An officer may request in writing to the Chief of Police that a specific written reprimand shall be removed from the employee's personnel file, if, from the date of the last written reprimand, thirty-six (36) months have passed without the employee receiving an additional written reprimand or discipline for the same or substantially similar offenses with the exception of misconduct involving insubordination, excessive force, sexual harassment, discrimination, criminal conduct or dishonesty in the performance of official police duties.

Notwithstanding the above, the record of such disciplinary action may be introduced when relevant at a disciplinary proceeding before the Board of Fire and Police Commissioners or an independent arbitrator.

Section 19.8. Uniform Police Officer's Disciplinary Act. The parties agree that the provisions of Chapter 50, ILCS 725/1, et seq., in effect as of 5/1/03, are hereby incorporated as part of this Agreement.

Section 19.9 Post Shooting Incident. All officers who use deadly force against another person shall not be the subject of a formal interview or interrogation within forty-eight hours from the time of the incident.

ARTICLE XX **UNION SECURITY AND RIGHTS**

Section 20.1. Dues Checkoff. While this Agreement is in effect, the Village may deduct from each employee's paycheck once each pay period a uniform, regular, monthly Chapter dues for each employee in the bargaining unit who has filed with the Village a voluntary, effective checkoff authorization in the form set forth in Appendix E of this Agreement. If a conflict exists between that form and this Article, the terms of this Article and Agreement control.

A Chapter member desiring to revoke the dues checkoff may do so by thirty (30) days written notice to the Employer at any time during the contract.

The actual dues amount deducted, as determined by the Chapter, shall be uniform in nature for each employee in order to ease the Employer burden of administering this provision.

If the employee has no earnings due for that period, the Chapter shall be responsible for collection of dues. The Chapter agrees to refund to the employee any amounts paid to the Chapter in error on account of this deduction provision. The Chapter may change the fixed uniform dollar amount which will be considered the regular monthly fees once each year during the life of this Agreement. The Chapter will give the Village sixty (60) days' notice of any such change in the amount of uniform dues to be collected (see Appendix E).

Section 20.2. Chapter's Indemnification. The Chapter shall indemnify, defend and save the Village harmless against any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reason of actions taken or not taken by the Village in complying with the provisions of this Article, except if the Village initiates or prosecutes such action unless the Village sues to enforce this provision (Section 20.2). If an improper deduction is made, the Chapter shall refund directly to the employee any such amount.

ARTICLE XXI **SUBSTANCE ABUSE PREVENTION PROGRAM**

Police Officers will be considered covered under the Village of Orland Park Drug and Alcohol Policy and Testing Program for Non-DOT Regulated - Employees, attached hereto as Appendix H. The parties agree that marijuana and cannabis are controlled substances and illegal "drugs" as defined by federal law. The Chapter agrees that as a recipient of federal funds, the Village is required to enforce a drug-free workplace policy consistent with federal law. Further, the Chapter agrees that the employees are subject to the federal Gun Control Act which prohibits drug users from possessing firearms or ammunition, with drugs to be as defined by federal law. Therefore, employees covered by this Agreement shall continue to be prohibited from possessing or using marijuana or cannabis in any form, on or off duty, even though Illinois law may permit certain individuals to possess and use marijuana and cannabis. However, the employer may not take adverse employment action against an employee based solely on the lawful possession or consumption of cannabis or cannabis-infused substances by members of the employee's household.

ARTICLE XXII **SAVINGS CLAUSE**

In the event any Article, Section or portion of this Agreement should be held invalid and unenforceable by any Board, Agency or Court of competent jurisdiction, such decision shall apply only to that specific Article, Section or portion thereof specifically specified by the Board, Agency or Court decision; and upon issuance of such a decision, the Village and the Chapter

agree to immediately begin negotiations on a substitute for the invalidated Article, Section or portion thereof.

ARTICLE XXIII
ENTIRE AGREEMENT

This Agreement constitutes the complete and entire agreement between the parties, and concludes collective bargaining between the parties for its term. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral which conflict with the express terms of this Agreement. If a past practice is not addressed in the Agreement, it may be changed by the Employer as provided in the Management Rights Clause, Article III and in accordance with Article XVI.

The parties acknowledge that during the negotiations that resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law or ordinance from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. The Chapter specifically waives any right it might have to impact or effect bargaining for the life of this Agreement.

ARTICLE XXIV
TERMINATION

Section 24.1. Termination. This Agreement shall be effective as of May 1, 2019 and shall remain in full force and effect until 11:59 p.m. on the 30th day of April, 2023. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing at least one hundred twenty (120) days prior to the anniversary date that it desires to modify this Agreement. In the event that such notice is given, negotiations shall begin no later than ninety (90) days prior to the anniversary date.

In the event that either party desires to terminate this Agreement, written notice must be given to the other party no less than ten (10) days prior to the desired termination date which shall not be before the anniversary date set forth in the preceding paragraph.

Section 24.2. Termination Effect. Upon the termination of this Agreement, all agreements and obligations of the parties secured by this Agreement shall be terminated and shall not survive the Agreement, unless interest arbitration is invoked as provided under Section 14 of the Illinois Public Labor Relations Act in which event the Village shall maintain the status quo as provided in Section 14(1) of the Act. The parties may also extend the term of this Agreement by written agreement.

APPENDIX A: DEFINITIONS
APPENDIX B: CONDITION OF EMPLOYEE REPORT

I. OVERVIEW

A. Statement of Purpose

The Village of Orland Park (the "Village") is dedicated to providing safe, dependable, and efficient services to the general public while ensuring safe working conditions for its employees. The Village's employees are its most valuable resource. As such, it is our goal to provide a work environment free from the presence of alcohol and drugs.

The purpose of this policy is to:

1. Ensure that employees are not impaired in their ability to perform assigned duties in a safe, productive, and healthy manner;
2. Create a workplace environment free from the adverse effects of drug abuse and alcohol misuse;
3. Prohibit the unlawful manufacture, distribution, dispensing, possession or use of controlled substances; and
4. Encourage employees to seek professional assistance at any time for personal problems, including alcohol or drug dependency, which may adversely affect their ability to perform their assigned duties.

In documents titled "Village of Orland Park Drug and Alcohol Policy and Testing Program for Safety Sensitive Employees covered under the Federal Transit Administration" ("FTA Policy"), and "Village of Orland Park Drug and Alcohol Policy and Testing Program for Safety Sensitive Employees covered under the Federal Motor Carrier Safety Administration" ("FMCSA Policy"), the Village set forth drug and alcohol policy and testing programs developed to comply with the requirements of federal laws and regulations promulgated by the Federal Transit Administration ("FTA"), the Federal Motor Carrier Safety Administration ("FMCSA"), and the Department of Transportation ("DOT"). As required by the FTA, the FMCSA, and the DOT, the FTA and FMCSA Policies are limited in their application to only those employees of the Village engaged in the performance of safety-sensitive functions as defined under the applicable federal administration. This document sets forth the drug and alcohol policy and testing program mandated by the Village, but not required by the FTA, the FMCSA, or the DOT for employees of the Village.

In adopting this policy and program, the Village does not otherwise waive its right to enforce already established rules, policies, programs, or the terms and provisions of any applicable collective bargaining agreement governing drug and alcohol use or possession that are consistent with this policy. Moreover, this

document is intended to be read consistent with and subject to any applicable law, regulation, or applicable collective bargaining agreement presently in effect or which in the future may take effect. If any section or provision of this document should be held invalid by operation of law, none of the remainder shall be affected.

Neither this policy nor any of its terms are intended to create a contract of employment, or to alter any existing at-will employment relationship in any way. Subject to any applicable collective bargaining agreement, the Village retains the sole right to change, amend, or modify any term or provision of this policy without notice. This policy is effective January 1, 2020 and supersedes all prior policies and statements relating to drug and alcohol prohibitions and testing.

B. Employee and Management Responsibilities

All employees of the Village covered by this policy are required to refrain from using drugs and alcohol contrary to the specific prohibitions identified herein. The Village's Human Resource Director (or a designated representative) will monitor the Village's drug and alcohol testing policy and program to ensure compliance with and answer any questions concerning the information presented in this policy. The Human Resource Director may be contacted at 708-403-6166.

Employees are responsible for ensuring adherence to this policy. Employees also are obligated to notify a supervisor immediately if they believe that another employee: is under the influence of alcohol; is under the influence of a lawful, unlawful or unlawfully used controlled substance; or has violated any other provision of this Policy. Managers and supervisors will be held accountable for both the application of the policy and the consistency of its enforcement. To that end, the Village prohibits the discriminatory application, implementation, or enforcement of any provision of this policy on the basis of race, color, age, sex, religion, national origin and ancestry, sexual orientation, veteran status, disability, or any other basis that is protected by federal, state, or local laws.

II. PERSONS SUBJECT TO TESTING

The following persons will be subject to drug and alcohol testing pursuant to the terms of this policy and must participate in this program as a condition of employment:

- All non-DOT regulated full time, part time, seasonal, and temporary employees of the Village.
- Applicants for non-DOT regulated positions of employment with the Village.

III. POLICY COMMUNICATION AND TRAINING

A. Employees

All employees subject to testing under this policy will be provided with:

1. A copy of the policy; and
2. Informational material concerning:
 - The effects of alcohol and controlled substances use on an individual's health, work, and personal life; and
 - Signs and symptoms of an alcohol or a controlled substances problem.

B. Supervisory Employees

All supervisory employees shall receive training on alcohol misuse and controlled substances use. The training will be used by supervisory personnel to determine whether reasonable suspicion exists to require an employee to undergo drug and/or alcohol testing. The training shall include: the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances; and available methods of intervening when an alcohol or a controlled substances problem is suspected.

IV. EMPLOYEE ASSISTANCE

A. Employee Assistance Program

In order to promote a drug and alcohol-free environment, the Village will work to assist eligible employees with problems due to the use of drugs or misuse of alcohol. Accordingly, the Village encourages the use of its Employee Assistance Program ("EAP"). The EAP is offered in part so that an employee who recognizes that he/she has a drug use or alcohol misuse problem may have the opportunity to receive treatment and rehabilitation. Although employees are encouraged to receive help for drug and alcohol problems, participation in the Village's EAP will not excuse an employee's failure to comply with rules and regulations of the Village. Nor will it preclude discipline for rule or policy violations. Additional information regarding the EAP is available in the Human Resources Department. Any questions regarding the Village's EAP should be referred to the Human Resources Department.

B. Employee Admission of Alcohol/Drug Use

The Village has established a voluntary self-identification program that allows employees to admit to alcohol misuse or controlled substances use without being subject to disciplinary action.

All employees are eligible to participate in this program. Self-identification must be made to the employee's supervisor, Department Director, or the Village's Human Resources Director. Once an employee has made a voluntary admission of alcohol or drug misuse or illegal drug use, the employee will be offered assistance in finding an appropriate evaluation and/or treatment program. The employee then will be provided sufficient opportunity to seek evaluation, education, or treatment to establish control over the employee's drug or alcohol problems.

In accordance with this program, an employee:

- May not self-identify in order to avoid testing under this policy.
- Will be removed from service until:
 - The Village is satisfied that the employee has been evaluated by a substance abuse counselor;
 - The substance abuse counselor has provided a written release stating that the employee has successfully completed or is in the process of completing recommended education and/or treatment requirements and authorizing the Village to return the employee to work; and
 - The employee has undergone a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02; and/or the employee has undergone a return-to-duty drug test with a verified negative test result.

The Village will take no adverse action against an employee making a voluntary admission of alcohol misuse or drug use within the parameters of the program. Any questions regarding the voluntary self-identification program should be referred to the Human Resource Director (or a designated representative).

V. PROHIBITED CONDUCT

A. Alcohol

1. Alcohol Concentration

All persons covered by this policy are prohibited from reporting to duty or remaining on duty while having an alcohol concentration of 0.04 or greater. No Village supervisory person having actual knowledge that a

covered employee has consumed alcohol during the work day or within four hours of beginning the work day, shall permit the employee to work or continue to work.

2. Alcohol Concentration of 0.02 or Greater but Less Than 0.04

No employee who is found to have an alcohol concentration of 0.02 or greater but less than 0.04 shall perform or continue to perform any job related duties. Nor shall a Village supervisory person permit the employee to perform or continue to perform any job related duties until: the start of the employee's next scheduled work day; and the employee's alcohol concentration measures less than 0.02 as determined by a return-to-duty alcohol test administered the next scheduled work day.

3. On Duty Prohibitions

The use, distribution, dispensing, or possession of alcohol by any Village employee at any time while on Village property or on duty is prohibited. No employee shall knowingly permit an employee to work who is under the influence of alcohol.

4. Pre-Duty Use

All persons covered by this policy are advised against the use of alcohol within four (4) hours prior to reporting for work.

5. Use Following an Accident

Any person required to take a post-accident alcohol test under this policy is prohibited from using alcohol until he/she undergoes a post-accident test. Such a test shall be conducted no later than eight (8) hours after the accident occurs.

B. Drugs

The unlawful use, manufacture, distribution, dispensing, or possession of any controlled substance or associated paraphernalia by any Village employee at any time is prohibited. The use, manufacture, distribution, dispensing, or possession of a controlled substance, including cannabis or marijuana, by any Village employee at any time while on Village property or on duty is prohibited. The use of cannabis while "on-call" or in any manner that would cause impairment while on duty, and use or possession in the workplace any time during the work day, including meal and break periods, is prohibited. No employee shall knowingly permit an employee to work who is under the influence of a lawful, unlawful or unlawfully used controlled substance.

Marijuana and cannabis are controlled substances and illegal “drugs” as defined by federal law. As a recipient of federal funds, the Village is required to enforce a drug-free workplace policy consistent with federal law. Further, some employees are subject to the federal Gun Control Act which prohibits drug users from possessing firearms or ammunition, with drugs to be as defined by federal law. Therefore, employees covered by this policy and assigned to a department that receives federal funds shall continue to be prohibited from possessing or using marijuana or cannabis in any form, on or off duty, even though Illinois law may permit certain individuals to possess and use marijuana and cannabis.

Village-mandated drug testing will be performed to detect for the presence of the following five (5) substances: marijuana; cocaine; opiates; phencyclidine; and amphetamines. Cut-off levels to be used to determine whether specimens are negative for these five (5) drugs are provided in 49 CFR Part 40.87.

Pre-employment testing for positions that are not subject to the federal requirements will be performed to detect for the presence of the following four (4) substances; cocaine; opiates; phencyclidine; and amphetamines. Cut-off levels to be used to determine whether specimens are negative for these four (4) drugs are provided in 49 CFR Part 40.87.

Prescribed Medication: An employee taking over-the counter or prescribed medication must be aware of any effect the medication may have on the performance of their duties. The employee must inform his/her physician of his/her job duties in order to make certain that the drug does not affect or interfere with the employee’s safe and effective performance of his/her job duties. An employee must promptly report to Human Resources on the the use of any medication which has or may have any adverse effect on his or her ability to effetely and safely perform his or her essential job duties.

C. Conduct that Constitutes a Refusal to Test

The following conduct will be regarded by the Village as a refusal to submit to a drug and/or alcohol test:

- Failure to appear for any test (except a pre-employment test) within a reasonable time as determined by the Village, after being directed to do so by the Village.
- Failure to remain at the testing site until the testing process is complete; provided that an employee who leaves the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test.

- Failure to provide a specimen; provided that an employee who does not provide a specimen because he/she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test.
- Failure to provide a sufficient amount of urine, breath, or saliva and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure.
- Failure to permit a directly observed or monitored collection when required.
- Failure or declining to take a second test the Village or collector has directed the employee to take.
- Failure to undergo a medical examination or evaluation as required. In the case of a pre-employment drug test, the employee is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment.
- Failure to sign the certification at Step 2 of the Alcohol Testing Form.
- Failure to cooperate with any part of the testing process.
- An adulterated or substituted test result verified by a Medical Review Officer ("MRO").

VI. TESTING CIRCUMSTANCES

Subject to any applicable collective bargaining agreement, employees are required to submit to drug and/or alcohol testing under the following circumstances.

A. Pre-Employment Testing

No applicant for employment will be hired into a position of employment at the Village unless the applicant submits to and passes a pre-employment drug test subsequent to an offer of employment. Additionally, any employee who has not performed work for the Village for six (6) or more consecutive calendar months shall be required to take a pre-employment drug test with a verified negative result. If a pre-employment drug test is cancelled, the applicant shall be required to submit to and pass another test.

B. Reasonable Suspicion Testing

The Village has the sole discretion to decide when and under what circumstances an employee is fit to work. Testing on the basis of reasonable suspicion may include, but is not limited to: 1) observation of an employee acting or appearing in a manner which suggests drug or alcohol use, such as, behavior appearance, judgment, coordination, job performance and/or other conduct including, but not limited to, slurred speech, glassy eyes, unsteady walk, disorientation, significant or repeated lapses of concentration, emotional outbursts, substantial mood changes, the smell of alcohol on an employee's breath, etc.; 2) instances where the Village observes or receives credible information that the employee is using or has symptoms of drugs and/or alcohol use; and/or 3) other facts which support a reasonable belief that the employee is using or has symptoms of drugs and /or alcohol use in violation of this policy. All employees covered by this policy shall submit to drug and alcohol tests when the Village has reasonable suspicion. Such requests will be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the covered employee. At least one supervisor who is trained in detecting the signs and symptoms of drug use and alcohol misuse must notify Human Resources and make the required observations and complete a Condition of Employee Report.

Once the determination that reasonable suspicion exists, under no circumstances will an employee be allowed back to work until he or she has a negative drug and/or alcohol test.

The Village shall require the employee to be escorted by a supervisory employee directly to and from the collection site for drug and/or alcohol testing. Subsequent to the testing, the employee will need to make arrangements to be taken home.

Reasonable suspicion alcohol tests will be performed within two (2) hours but no later than eight (8) hours following the observation. If an alcohol test is not administered within two (2) hours following the observation, the Village will prepare and maintain a record stating the reason(s) the test was not so administered. If an alcohol test still is not administered within eight (8) hours following the observation, all attempts to administer the test will cease and the written record stating the reason(s) the test was not administered will be updated.

In all cases where an employee is required to submit to a “reasonable suspicion” drug and alcohol test, the employee shall be removed from and not returned to service until the test results have been reported and confirmed as negative. Any employee who is determined to be in violation of this policy or to be impaired by alcohol, cannabis or any other substance, while at work or on duty, will be afforded a reasonable opportunity to contest the finding that he or she was impaired or under the influence or otherwise in violation of this policy.”

C. Return-to-Duty Testing

Any employee permitted to return to work following a violation of this policy or in connection with a voluntary admission of alcohol misuse or drug use will be required to be evaluated by a substance abuse counselor, submit to any recommended treatment and/or education program, obtain a release to return to work from the substance abuse counselor, and complete a return-to-duty test with a negative test result. If a drug and/or alcohol test is cancelled, the employee will be subject to and required to pass another drug and/or alcohol test.

D. Follow-Up Testing

An employee who has returned to work following a violation of this policy or in connection with a voluntary admission of alcohol misuse or drug use may be subject to follow-up drug and alcohol testing at times and frequencies determined by the substance abuse counselor.

VII. TESTING AND REPORTING PROCEDURES

The Village’s testing program and reporting procedures will conform to the standards established by the DOT in 49 CFR Part 40 as amended, *Procedures for Transportation Workplace Drug and Alcohol Testing Programs*.

VIII. CONSEQUENCES FOR VIOLATING ALCOHOL AND DRUG PROHIBITIONS

A. Applicants for Employment

An applicant for employment covered under this policy who has a verified positive drug test result or refuses to submit to a test will be disqualified from consideration for employment with the Village.

B. Employees

Whenever the results of any test administered under this policy are positive, the employee shall be removed from service immediately for further disposition consistent with the provisions of this policy.

Any covered employee who violates any provision of this policy will be subject to discipline up to and including discharge (subject to the terms of any applicable collective bargaining agreement). Any employee who is determined to be in violation of this policy or to be impaired by alcohol, cannabis or any other substance, while at work or on duty, will be afforded a reasonable opportunity to contest the finding that he or she was impaired or under the influence or otherwise in violation of this policy.

Employees offered the opportunity to return to work following a violation of the drug and/or alcohol testing policy will be required to be evaluated by a substance abuse counselor. Continued employment and/or reinstatement will be conditional based on: cooperation with the counselor; successful participation in any prescribed counseling, treatment or aftercare, which may include follow-up drug and/or alcohol tests and other appropriate conditions; the Village's receipt of a release to return to work from the substance abuse counselor; and completion of a return to duty test with a negative test result.

IX. CONFIDENTIALITY AND RECORDKEEPING

Confidentiality will be maintained throughout the drug and alcohol testing process. The Village will maintain records in a manner so that the disclosure of information to unauthorized persons does not occur. Additionally, the Village, the specimen collection site, testing laboratory, and MRO will be held to strict confidentiality requirements.

A covered employee is entitled, upon written request, to obtain copies of any records pertaining to the employee's use of prohibited drugs or alcohol, including any records pertaining to his/her drug or alcohol tests. The Village shall promptly provide the records requested by the employee. Access to an employee's records shall not be contingent upon payment for records.

APPENDIX I

APPENDIX I

Process for Permanent Shift Bidding

The process for choosing permanent shifts will be conducted using the existing seniority list, with the most senior officer choosing first and then the next senior officer and so on.

The officer can choose the most desired shift first, the second most desired, the third most desired and the remaining shift as his fourth choice.

The permanent shift selection process will begin with the most senior officer on the seniority list. Officers will fill the shifts using their first choice. If the officer's first choice is unavailable, the officer's second choice will be used, and so on. The selection process will continue until the shifts are filled.

If an opening on a shift becomes available after the shift schedule for the year is posted, the next senior officer who chooses that shift as his first preference will be offered that position. If an officer declines a position that is offered, that position will be offered to the next officer and so on. The officer who declines a position will forfeit their right to reclaim that position until the next bidding period.

If an officer is assigned to a different detail, such as traffic or detective division and then returned to the patrol division by direction of the department, that officer shall have the right to acquire the shift that would have been available to that officer in the original bid process. Individual officers could be bumped from their shifts if this were the case, if the returning officer was senior.

If an officer who is assigned to a different detail, as earlier described, elects to return on his own to the patrol division and requests same, that officer will be returned to the patrol division at the discretion of the department and the individual officer will not have the opportunity to exercise their right to seniority until the next bidding period.

Officer Involved Shooting

The Village of Orland Park ("Village"), the Metropolitan Alliance of Police Chapter #159, (referred to herein as the "Union") hereby agree to the following policy to be implemented in accordance with Illinois Public Act 100-389:

1. The Union agrees that its members shall be required to abide by the Village's General Order #1-11 Officer Involved Shooting or Death Protocol.
2. For the purpose of clarity, the parties agree that a person "involved in" an officer involved shooting is defined to mean any officer who discharged a firearm during an incident that caused injury or death to a person or persons.
3. The parties agree that the term "involved in" an officer-involved shooting does not include officers who did not discharge their weapon, even if they were providing other forms of support and assistance during the call.
4. The parties agree that the provisions of the collective bargaining agreement regarding drug testing and standards for discipline shall regulate the drug testing procedures and the consequences for any positive drug test results.
5. The parties agree that any drug or alcohol test required pursuant to this Agreement shall be considered a compelled, non-voluntary drug or alcohol test under threat of disciplinary action. Such testing shall only be done by urinalysis and/or breathalyzer. Blood tests shall only be administered with a warrant. This does not limit the Village's right to obtain test results via other available legal process.
