Program Name:	Number of Seasons Offered	Number Enrolled	Brief Description of New Program
Afternoon Children's Crafts			Looking for a fun way to spend a Friday afternoon? Join us to create a themed craft and express your creativity with friends. All supplies included.
Artblazers: Artists Who Changed the World			Discover inspiring masterpieces and artists who changed the world of art and the world as we know it! Using famous artists from history as inspiration, you will experiment with different art techniques to express your ideas.
May Day Celebration			Celebrate the arrival of spring by celebrating the Victorian tradition of May Day at Stellwagen Farm! Festivities will include folk dancing, a maypole, flower-themed activities and more!
Mixed Media Art Workshop			Join instructor Mark LaCien to make mixed media compositions comprised out of colored pencils, watercolors, acrylic paints, masking and more! You'll learn how to apply and layer various artistic media in the correct order for best use and impact to create multifaceted, unique artwork to display in your home.
Spring Break Spanish Immersion Camp			Looking for something fun AND educational for your child to do over spring break? In this four-day Spanish immersion camp, children will participate in fun and education activities, all in Spanish! Each day, children will learn new words, sing songs, and play games in Spanish. They will also create culturally-related crafts. All material is included. Taught by a Language in Action, Inc. instructor.
Vintage Luncheon			Travel back in time to the turn of the century and join us for a customized, vintage luncheon at the Humphrey House! All dishes will be created using recipes from the Village of Orland Park's extensive collection. Guests will also be treated to a costumed performance and are welcome to join in on the fun by dressing in period attire.
Watercolor Techniques			Have you ever wanted to try watercolor painting but you didn't know where to start? Artists of all skill levels are welcome to join instructor Mark LaCien to learn the proper techniques for watercolor application so you can have the skills to paint it with confidence and create beautiful pieces of art.
World of Design: Think it! Draw it! Make it!			In this eight-week program, children will take a journey to the farthest reaches of their imagination while learning about the ocean, the rainforest, Mars, a futuristic city, and more! They will experiment with Crayola® products and many art techniques like sculpting, storyboarding, collage, and mixed media.
