

Cable wiring quotes and recommendations 2013

Sounds of Music:

Best quote submitted by far more experience doing this wiring in fitness centers such as Elmhurst Park District, Athletic Club in Libertyville, Gurnee Centre Club, Good Samaritan hospital, Southcourt fitness, Wicker park fitness, and more. Very detailed and exact with their quote and plan for operation. With their submittal they included a floor layout, example bill with Direct TV, and more detail than any other. Knowledge how to connect wiring to different styles of equipment. None of the others were familiar on how to connect properly.

Procom:

Lack of experience in the fitness industry. Never have done a job like this before. Triple the cost we have budgeted for this project. Good detail in quote but aren't aware how to connect to the treadmills, elliptical or steppers.

Plus one audio and video:

Good detail but would be higher than what we have budgeted and also doesn't have any experience with fitness centers. Zero knowledge on connection of the machines needed.

Mr. Kurt Heinen
Village of Orland Park Recreation Department
Orland Park SportsPlex
11351 W. 159th Street
Orland Park, IL 60467

Dear Mr. Heilen:

Plus One AV is pleased to submit this proposal for the Distributed Antenna Upgrades for the SportsPlex facility. At Plus One AV, our process is cooperative. Using the information you provided regarding your needs and project budget, we have worked to design you a system that is professional, easy to use, and works within your budget. We provide training with every system we install to teach you how to use your new system because it's important to us that you feel that you have invested wisely.

Over the years, our staff has been asked to create custom solutions for many schools, houses of worship and various businesses because of our long-standing reputation for professional engineering, quality workmanship and responsible service.

Please call me if you have any questions regarding this proposal. We thank you for this opportunity to earn your business and look forward to working with you in the future.

Sincerely,

Ron Pachuta
Project Manager

plus one audio + video

About Your System...

Per your request, Plus One AV will furnish and install the Distributed Antenna system upgrades to the 52 locations as discussed in the SportsPlex walk thru.

We will use the existing Comcast signal that is connected to the existing televisions and divide and extend the RF signal to the three (3) areas, for the new 52 exercise machines.

We propose to install one (1), small surface mounted equipment racks in each of the three (3) areas where the new exercise equipment is to be located. Inside these equipment racks shall house the video signal distribution amplifiers needed for that exercise area. From the equipment rack we shall install surface mounted metal raceway, across the floor, for the RG6 coaxial cable that shall connect each machine to the distribution amplifiers in each area.

All of the electronic equipment shall be located in the small wall mounted equipment racks, a/c power shall be required at each of these equipment racks.

Once the listed equipment is installed and connected, the antenna system shall be adjusted for the best optimum picture.

Equipment List.

QTY	MFR	MODEL #	DESCRIPTION
4	BLONDER TONGUE	BT-ZCM-201	BROADBAND DA
7	CHANNEL PLUS	CP-DA550BID	1X8 DA
4	CHANNEL PLUS	CP-2534	1X4 SPLITTER
3	MID-ATLANTIC	TOR-3-20SP	3 RU WALL RACK
3	MID-ATLANTIC	U2	2 RU SHELF
3	MID-ATLANTIC	PD815-SC-NS	RACK POWER
a/r	WESTPEN	RG6	COAXIAL CABLE
a/r	IDEAL	COMPRESSION	F CONNECTORS
a/r	WIREMOLD	2400BC	RACEWAY
a/r	WIREMOLD	2401	COULPER

We will include all parts and materials necessary for a complete and functional system.

Distributed Antenna System Total Installed Price \$ 11,675.00

Prices are subject to change without notice; however we are happy to honor these prices for a period of thirty (30) days from the date included herein. Prices reflect current costs and do not include applicable sales taxes.

Copyright Protected

All materials appearing in this proposal, including the text, design, as well as the selection, assembly and arrangement of product thereof, are the sole property of Plus One AV © 2013, ALL RIGHTS RESERVED.

No materials from this proposal may be copied, reproduced, modified, republished, uploaded, posted, transmitted, or distributed in any form or by any means without Plus One AV's prior written permission. All rights not expressly granted herein are reserved.

Any unauthorized use may violate copyright, trademark and other applicable laws and could result in criminal or civil penalties.

About Our Installation

Plus One AV shall perform the installation as outlined in the above proposal. Plus One AV uses only highly qualified technicians to perform our installations. We know that it is important to you that your new system be installed in a timely and undistruptive fashion. That is why we make every effort to work within your schedule and availability of facilities whenever possible.

WARRANTY

- A one-year warranty is included with all installed systems, which covers all workmanship and any applicable manufacturer's warranties and begins from the time the installation is complete.
- This warranty does not cover any existing equipment and wiring.
- Additional service warranty programs are available and can be tailored to meet your needs.

NOTE: Any and all required conduit or related electrical boxes shall be provided by others. Plus One AV shall provide conduit requirements and project coordination upon acceptance of this proposal.

While every effort shall be made to provide a clean and aesthetically pleasing sound system installation, cosmetic repairs to millwork, plaster, paint, any applicable mounting surfaces and the respective cost for such work is not included in the scope of this proposal.

The cost for repair or replacement of any existing damaged or non-functioning wiring, mechanical hardware, electrical services or electronic components is not provided for within the scope of this proposal and shall be billed to the Purchaser (customer) at Purchaser's expense.

Payment Terms and Conditions

- A Deposit of 50% shall be required to initiate the ordering of hardware and establish a position in the installation queue. **A Purchase Order shall waive the deposit requirements; payment shall become due upon completion of the installation.**
- The remaining balance will be due at the time of substantial completion.
- The following credit terms, Net 30, shall be granted upon completion and approval of a credit application.
- A finance charge of 1.5% per month will be assessed if the invoice remains open for Thirty-One (31) days.

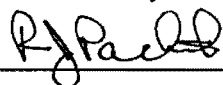

Payment; Default

Terms of payment shall be Net 30 days after date of invoice. Until the Purchaser pays the full purchase price of the merchandise sold hereunder, Plus One AV ("Company") shall have, and is hereby granted by the Purchaser, a purchase money security interest in the equipment sold hereunder in accordance with the Uniform Commercial Code. The Purchaser further agrees to execute such financing statements and other documentation as the Company may reasonably request in order to perfect such security interest. The Purchaser authorizes the Company to file financing statements with respect to such security interest without the additional signature of the Purchaser wherever law permits such filing.

Failure of the Purchaser to pay the amounts due hereunder, or its insolvency, bankruptcy, assignment for the benefit of creditors, or its dissolution or termination of existence, shall constitute a default and shall afford to Company all remedies of secured party under the Uniform Commercial Code. In addition, the Company may repossess the equipment without notice and the Purchaser agrees to pay the Company's costs and expenses of collection and/or repossession, including the maximum attorney's fee permitted by law.

If your organization maintains a tax-exempt status you must provide a copy of your state's internal revenue service tax-exempt letter for Plus One AV's file.
