Re: Make-up air Unit (MUA's) Upgrades – Public Works Building

Mr. Ingram & Mr. Haney,

Per our conversation, CTS recommends the following solution for Upgrading the Public Works Make-up Air Units (MUA's).

As your preferred Qualified Provider, competitively selected by the Village of Orland Park in June of 2015, the CTS Group has provided the following proposal including a fully engineered solution, competitively priced and with project management by our team. This proposal is a guaranteed price with no change orders unless requested by the Village.

Public Works building MUA's Upgrades:

- CTS has provided the engineering and selection of the following Make-up Air Units that will serve the Public Works facility. Unit have been selected to reduce energy, meet capacity requirements, and provide ease of maintenance for village staff.
- CTS Recommends the following Make-up Air Units for the Village of Orland Park. The Village of Orland Park will install the units with existing staff.
 - Three (3) Heating Only Direct Fired Make-up Air Units (MUA-4, 5, & 6)
 - Three (3) Curb Adapters
 - Unit Start-up
 - Freight
 - One (1) Year parts warranty
 - Ten (10) Year Heat Exchanger parts warranty

Make-up Air Unit's (MUA-3, 4, & 5) Pricing: **\$108,735.00**

Items Excluded:

- Equipment Handling
- Setting and Installation of Curb Adapters and Make-up Air Units
- Electrical Installation
- System Balancing & Controls Programming
- Gas piping & Metering
- Disposal of existing Make-up Air Units

Please contact me if you have any questions or need additional information. Thanks again.
