Rope Pull (FXT-RPL)

Resistance increases with speed. Can be combined with the Power Pivot and Chin Options (Suspension or Rock Grip).

MSRP: \$

Stall Bars (FXT-SB)

Great for assisted movements & use with TRX Suspension Trainer.

MSRP: \$

Rock Grip Chin (FXT-ROC)

Best ergonomics for chin ups but can also be used for suspension training. Rock grips add more chin variety.

MSRP: \$299

Suspension Chin (FXT-SUS)

Best suited for suspension training but also can be used for Chin ups.

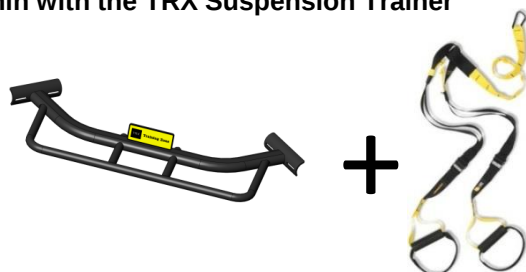

MSRP: \$299

Suspension Chin w/ TRX (FXT-TRX)

Suspension Chin with the TRX Suspension Trainer included.

MSRP: \$499

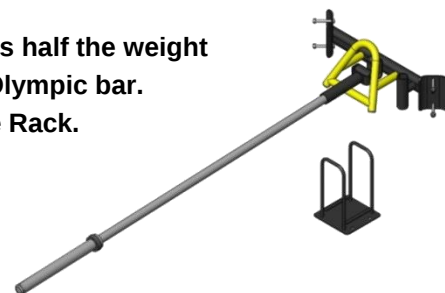

***Red Models below can NOT go in front of Cables.**

Power Pivot (FXT-PP)*

Includes:

- Synrgy360 Bar, that is half the weight compared to an Olympic bar.
- Weight Plate Storage Rack.

MSRP: \$699
