Customer also agrees that, notwithstanding anything to the contrary contained in this Contract, USIC will not be liable for any damages that occur because of incorrect prints.
- 2.6 If USIC determines that there are Unlocatable Facilities at the excavation site, it will notify Customer and Customer will be responsible for determining what course of action should be followed to assure that the Unlocatable Facilities are not damaged by Excavator. USIC will not be liable for any damages associated with an Unlocatable Facility.
- 2.7 Any maps and records furnished by Customer pursuant to section 3.1 shall remain the property of Customer. USIC agrees to return all copies of such maps and records to Customer upon Customer's written consent or at the termination of this Contract. - 3.2 Customer shall not change existing Gridding such that the volume of tickets received by USIC is reduced with the applicable state One-Call center on or after the Contract Effective Date except as provided in Section 5.4.
- 3.3 Customer agrees to provide USIC with the maps and prints in a GIS format (.shp, .mdb, or .gdb) and One-Call ticket information (One-Call format for the applicable state) via e-mail or web services to USIC's Ticket Management System, so as to permit USIC to provide the Locate Services. Customer acknowledges that it is Customer's responsibility to keep all applicable maps, records, and prints up to date and provide them to USIC in a timely manner via Secure File Transfer Protocol (SFTP.) USIC bears no liability for Customer's failure to provide accurate maps, records, and/or prints, or any damage which arises from inaccurate maps, records, and/or prints.
- 3.4 Customer agrees that it will reasonably cooperate with USIC regarding receipt and resolution of Third Party Claims, which cooperation shall include but not be limited to reasonable information sharing.
- 3.5 Customer will pay USIC for the Locate Services in accordance with the charges set forth on Exhibit A. USIC shall bill for all tickets received from the State One-Call center, on behalf of Customer. - 3.7 Customer recognizes White-Lining as a best practice for safe excavations. Customer agrees to use its best efforts to promote proper "White-Lining" by Excavators.
- 3.8 For Locates involving subsurface electric transmission of voltages greater than 33kV: (1) Customer will provide a qualified electric worker to identify the utility locating equipment connection point(s), via Customer's transmission engineering and system expertise; (2) Customer will make the connection(s) safely without requiring entry inside the Minimum Approach Distance for such hazards; (3) Markings will be provided outside the Minimum Approach Distance. The Locate may require the Customer to make multiple connections to safely reach the full scope of the Ticket. Customer will be notified via email of any Locates with an electric transmission line on the Site and once the Marking is complete.

4. Invoicing and Payment Terms

- 4.1 USIC will remit monthly invoices to Customer via Customer specified email address.

- 5.2 Customer shall use USIC as its exclusive provider of Locate Services within the Excavation Notification Area as identified in Exhibit A.
- 5.3 Either party to this Contract can terminate this Contract upon thirty (30) days' prior written notice to the other. Upon such termination Customer shall only be liable for payment for any Services performed by USIC prior to the effective date of termination. Failure by Customer to provide proper notice under this provision will result in a penalty equal to 30 days average billing over the prior twelve-month period.
- 5.4 Either party may at any time propose changes in the schedule or scope of this Contract. USIC is not obligated to proceed with any change until both parties agree upon such change in writing. The written change documentation will describe the changes in the scope and schedule, and the resulting changes in price and other provisions, as agreed.
- 5.5 The scope, pricing, schedule and other provisions may, as appropriate, be equitably adjusted by USIC within 30 days of written notification to reflect additional costs or obligations incurred by USIC resulting from a change in Customer's requirements or procedures, or in industry specifications, codes, standards, applicable laws or regulations.

- 6.1 Should Customer become aware of any Damage to Customer's Facilities that occurs after USIC has been asked to perform a Locate for Customer, the Customer shall promptly, and not later than seventy-two (72) hours from becoming aware of the Damage, notify USIC. This notification may be made by calling USIC at 1-800-778-9140 or by sending an email to USICDispatch@usicllc.com and should include the street address of the damage location, damage date and size/type of facility. Both parties to this Contract reserve the right and shall be entitled to investigate any reports of Damage to Customer's Facilities.
- 6.2 USIC will investigate incidents of Damage to Customer's Facilities and provide, upon request, a written report of its findings to Customer. Such

report will contain USIC's determination as to whether the Damage to Customer's Facilities constitutes a Locator At Fault Damage. If Customer disputes USIC's conclusion, the parties will seek to mutually resolve such dispute and if they cannot, such dispute will be resolved in accordance with Section 12.

- 6.3 USIC shall be entitled to collect a Damage Investigation Fee for each investigation, performed by USIC relating to a potential or alleged Damage to Customer's Facilities, unless the parties ultimately agree that the damage was Locator At Fault.
- 6.4 Customer agrees that should it fail to notify USIC as provided in section 6.1 of any Damage to Customer's Facilities within seventy-two (72) hours after Customer receives notice of the damage, then USIC shall not be liable to Customer for Repair Costs arising from that Damage to Customers' Facilities and Customer shall indemnify USIC against Third Party Claims as applicable, in accordance with Section 7, even if it is later determined that such damage constitutes a Locator At Fault Damage.
- 6.5 When damages are determined to be Locator at Fault Damage, Customer agrees that USIC will be invoiced for repair costs only with supporting documentation provided with the invoice. Customer agrees not to invoice USIC for third party claims administrator fees.
- 6.6 Customer agrees to submit all supporting documents and detail for any claims related to USIC's failure to perform within 6 months of date of claims invoice. If Customer does not provide USIC with all requested documentation and detail within six (6) months of invoicing USIC for such damages, USIC shall have no further obligation to participate in the pre-litigation portions of the Dispute Resolution of Section 12. This provision does not preclude Customer from seeking remedies in a court of competent jurisdiction.

7. Limitation of Liability and Indemnification

- 7.1 USIC will be responsible for paying Customer's Repair Costs only if: a) USIC receives a request to provide Locate Services with respect to Customer's Facilities at the location of the Damage, and b) the Damage to Customer's Facilities constitutes a Locator At Fault Damage. Repair Costs payable by USIC shall at no time collectively exceed \$2,000 per incident for streetlights that have buried electric wires on maps, \$0.00 for streetlights that are not mapped showing the buried electric lines. If the Damage to Customer's Facilities is not At Fault Damages or if Customer's Facilities are Unidentifiable Facilities or Unlocatable Facilities as determined by the Village and USIC acting jointly, USIC's only responsibility if USIC is not liable to Customer for damages, will be to provide whatever support to Customer it can reasonably provide to establish whether the Excavator or another third party is liable for such Damage to Customer's Facilities.

Nothing in Sections 7.1 or 7.2 shall be interpreted to limit liability on the part of USIC for wanton, willful, reckless, or grossly negligent conduct on the part of USIC.
- 7.3 Each Customer and USIC (as an "Indemnifying Party") shall defend and indemnify the other party (as an "Indemnified Party") from and against claims brought by a third party, on account of personal injury or damage to the third party's tangible property, to the extent caused by the negligence of the Indemnifying Party in connection with this Contract. In the event the injury or damage is caused by joint or concurrent negligence of Customer and USIC, the loss or expense shall be borne by each Party in proportion to its degree of negligence. The Indemnifying Party may retain counsel of its choosing, at its own expense. The Indemnified Party may retain separate or additional counsel as well, but cost of such counsel shall be borne by the

Indemnified Party. Neither Party will indemnify the other Party for claims resulting from Damages that are not caused by USIC's that Party's negligence or for damages to Unidentifiable Facilities, Unlocatable Facilities or Third Party Claims that arise from the sole negligence or willful misconduct of the other Party, its agents or employees.

- 8.2 Notwithstanding Section 8.3, USIC may, following the first contract year, adjust the prices for Locate Services set forth on Exhibit A upon reasonable justification and thirty (30) days' notice to Customer and agreement by the Customer.
- 8.3 USIC may on a semiannual basis adjust fees based upon fluctuation in fuel prices. The adjustment will be based on "U.S. Regular Conventional Retail Gas Prices" from the US Department of Energy site: https://www.eia.gov/dnav/pet/hist/LeafHandler.ashx?n=pet&s=emm_e pmru_pte_nus_dpg&f=w. The average fuel price over the previous 6-months will be reviewed every Contract Year on January 1st and July 1st and pricing will be adjusted when applicable based the average fuel price as outlined in the chart below. There will be no adjustment in fees as long as the average fuel price is at or below \$3.99. For example, if the average fuel price for the previous 6-months is \$4.00 - \$4.49 on July 1, fees will be increased by 1.50% for the next 6-month period through December 31st. If the reviewed average 6-month fuel price (on January 1st or July 1st) drops below \$4.00, the increases will cease to be in effect.
