If Licensee elects to cure the Default and Licensor does not either reimburse Licensee within 30 days after it receives Licensee's invoice or dispute such invoice through court proceedings or other available dispute resolution mechanisms, Licensee may deduct all such costs and expenses from the Monthly License Fee due and to become due hereunder. In no event shall either Licensor or Licensee be liable to the other under any statutory, common law, equitable or other theory of law for any consequential damages or punitive damages. (g) Severability. The invalidity of any provision of this License shall not impair or affect in any manner the validity, enforceability or effect of the rest of this License.

(h) Entire Agreement. All understandings and agreements, oral or written, previously made between the parties hereto are merged in this License, which alone fully and completely expresses the agreement between Licensor (and their agents) and Licensee. This License cannot be amended or modified except by a written instrument executed by Licensor and Licensee.

(i) Force Majeure.
