Ravinia Avenue, Orland Park, IL 60462 (the “Village”).

WHEREAS, the Village wishes to retain the technology and business services of Gatso to provide an automated red light camera enforcement program as further defined in Section 4 of this Agreement (the “Services”), as part of the Village’s automated traffic law enforcement program; and

WHEREAS, it is a mutual objective of both Gatso and the Village to reduce the incidence of vehicle collisions at the traffic intersections that will be monitored pursuant to the terms of this Agreement; and

WHEREAS, on July 7, 2014, the Corporate Authorities of the Village voted to approve the terms of this Agreement pursuant to Ordinance No. 4351, which authorized the Village’s entry into this Agreement;

NOW THEREFORE, the parties mutually agree as follows:

1. AGREEMENT DOCUMENTS

This Agreement shall include the following documents (hereinafter referred to as the “Contract Documents”), however this Agreement takes precedence and controls over any contrary provision in any of the Contract Documents. Provisions in the Contract Documents unmodified by this Agreement shall be in full force and effect.

- 1.1 The Request for Proposals issued January 10, 2014;
- 1.2 The Instructions to the Proposers;
- 1.3 This Agreement;
- 1.4 The Proposal submitted on January 22, 2014 including Gatso’s Exceptions to RFP for Red Light Enforcement Program submitted therewith;
- 1.5 All certifications required by the Village; and
- 1.6 Certificates of Insurance as described in Section 4.20 of this Agreement.

2. AGREEMENT TERM; TERMINATION

- 2.1. Initial Term; Extensions. The Agreement shall commence on the Effective Date and continue for a period of five (5) years (the “Initial Term”). Upon expiration of the Initial Term, the Village

will have the right, but not the obligation to extend the term of this Agreement for two (2) additional 2-year period following the expiration of the Initial Term (each a “Renewal Term” and collectively with the Initial Term, the “Term”). The Village may exercise the right to extend the term of the Agreement for a Renewal Term by providing written notice to Gatso not less than thirty (30) days prior to the last day of the Initial Term or the Renewal Term. - 2.2. Termination For Cause. Either party may terminate this Agreement for cause if: (a) the other party has breached its obligations under this Agreement; (b) applicable law is amended, or the Illinois Department of Transportation (“IDOT”) adopts a rule or other requirement, to prohibit or substantially restrict the operation of automated traffic law enforcement systems, including the System being provided by Gatso; or (c) any court of competent jurisdiction rules that all or part of the System, or other similar systems, violates applicable law or cannot otherwise be used to enforce notices of violation or citations issued hereunder. The terminating party must provide thirty (30) days advance notice to the other party of its intent to terminate, which notice must include the reasons for the termination. In the case of a breach of this Agreement, the notice must provide the other party with an opportunity to cure the breach within thirty (30) days after receipt of the notice. Any applicable amount (the “Termination Fee”) must be paid within thirty (30) days after the Effective Date of Termination as defined in Section 2.4. There is no Termination Fee if the Village provides notice in accordance with this Section 2.3 or terminates at the end of the Initial Term or any Renewal Term.
- 2.4. Cessation of Activities Except Pending Violations. On the termination date (if this Agreement is terminated for convenience pursuant to Section 2.3) or on the first day after any other date of termination or expiration of this Agreement (“Effective Date of Termination”), the image capture activities provided by Gatso under this Agreement shall cease immediately. Nevertheless, unless otherwise prohibited by law, all photo-enforcement violations in process or captured prior to the Effective Date of Termination, will continue until final disposition is reached on the violations and Gatso will continue to provide Services related to the process leading to such judgment, if any.
- 2.5. Removal Of Hardware, Equipment; Restoration. Upon the termination of this Agreement, Gatso will, at its sole expense, promptly remove all cameras provided as part of its Services, and, if Camera Poles were installed by Gatso, restore such locations as set forth in Exhibit A, Section C,

EXHIBIT A

Additional Terms and Conditions for Installation of Camera Poles

In the event that Gatso is required to install one (1) or more Camera Poles pursuant to Section 4.3 or 4.4 of the Agreement, the following additional terms and conditions shall apply:

- A. Obtaining Permits. Gatso shall prepare all permit applications, design drawings or other related documents as may be reasonably required by the Village or any other governmental entities for the installation and operation of the poles. The Village will provide to Gatso, at no cost, all Village permits necessary for the operation of the System and provision of the Services provided Gatso meets the minimum requirements for such permits. Gatso will use commercially reasonable efforts to obtain any other necessary permits for the poles from applicable agencies and shall pay all permit or other fees charged by such governmental entities in connection with the installation and operation of the System. The Village will reasonably assist Gatso in securing necessary permits from other governmental agencies, as required.
- B. Installation. Gatso will commence installation of the poles within ten (10) business days after any and all necessary State of Illinois, Cook and Will Counties, and Village permit applications have been approved and such permits have been received. Gatso shall not be responsible for any delays associated with the failure of any state or local government to promptly provide applicable permits. In the event any permitting agency requires one (1) or more upgrades to any Village owned or controlled equipment at any location where the System will be installed, such upgrades shall be the sole responsibility of the Village. Gatso may elect to add a separate circuit breaker to the traffic control system power source, if applicable, to obtain electric power for the System. Gatso will use commercially reasonable efforts to complete installation of the System in a timely manner.
- C. Removal Of Hardware, Equipment; Restoration. Upon the termination of this Agreement, Gatso shall restore the surface of the Village's property to substantially the same condition as such property was in immediately prior to this Agreement. Notwithstanding the foregoing, Gatso will not remove any camera pole foundation, which shall be left approximately flush with grade with no exposed bolts or other hazards. Installed underground conduit and other equipment shall not be required to be removed. Gatso shall use commercially reasonable efforts such that removal and restoration activities occur within forty-five (45) days after the Effective Date of Termination and do not unreasonably interfere with or adversely affect traffic flow.

It is always GATSO's intention to provide a pricing model which makes sound commercial sense for GATSO, while providing much-needed revenue for municipalities to achieve their safety goals. Our solution is flexible, and our pricing model shall be flexible as well.
