Village of Orland Park Proclamation

Honoring Toro Construction

Business of the Month

October 2024

Whereas, The Village of Orland Park is proud to recognize outstanding local businesses that contribute to the community's economic growth, diversity and vitality; and,

Whereas, Toro Construction was opened by Socorro Vazquez and Luis Vasquez in 2004. During expansion in 2021 they decided to open a location in Orland Park; and,

Whereas, Having a passion for skilled trades and a commitment to fair labor practices they were inspired to create a safe and equitable work environment leading them to open a union company that would ensure that workers receive fair wages, benefits, and training opportunities. The quality and craftsmanship that comes from Toro Construction is significant. Ultimately it is about making a positive impact on their employee's lives and the projects they undertake; and,

Whereas, Growing up in a family that valued hard work instilled a deep appreciation for the construction trades, having mentors in the industry who demonstrated integrity, skill and a commitment to quality, and a lifelong fascination with construction and design significantly influenced Luis to open the business; and,

Whereas, Toro Construction's involvement in the community extends to working with Orland Park Mayor and local officials through various events and sponsorships. Building these relationships helps the business stay engaged with the needs of their community and allows them to contribute in meaningful ways; and,

Whereas, With projects finished on time and within budget, being the first Hispanic company to receive the GC of the Year award from HACIA, and the dedication of Toro Construction to excellence reflects positively on our Village and serves as an inspiration to other businesses; and,

Now, therefore, I, Keith Pekau, Village President of the Village of Orland Park, Illinois in the Counties of Cook and Will, do hereby extend the gratitude of the entire community to Toro Construction for exceptional service to the community and hereby proclaim Monday, October 7, 2024 as Toro Construction Day in the Village of Orland Park.
