Dear Doug,

My apologies for the delay in getting this proposal to you. Our Service Department has inspected your failed pump model 4SE15044L from your Seton place lift station and determined it will be less costly to replace than repair.

Repairs would require: New motor, impeller, bolt and washer, volute, lower seal plate housing and complete overhaul kit (almost a complete pump in parts). Based on the above, we offer the following replacement pump proposal for you review and consideration.

<u>Qty</u>	<u>Description</u>

We have not included the slide-away coupling as this pump will be compatible with the one originally supplied.

Your Price for the pump as offered above will be: **\$6,471.00**
