WHEREAS pursuant to the provisions of said Section 6, the Village has the power to incur debt payable from ad valorem property tax receipts or from any other lawful source and maturing within 40 years from the time it is incurred without prior referendum approval; and

WHEREAS, the Village has heretofore issued and now has outstanding its General Obligation Refunding Bonds, Series 2004, dated December 1, 2004 (the "*Prior Bonds*"), and of which said outstanding bonds those due on and after December 1, 2013, are subject to redemption prior to maturity on December 1, 2012, and any date thereafter at the redemption price of par plus accrued interest to the date fixed for redemption (the "*Refunded Bonds*"); and

WHEREAS, the President and Board of Trustees of the Village (the "*Board*") have considered and determined that interest rates available in the bond market are currently more favorable for the Village than they were at the time when the Prior Bonds were issued and that it is possible, proper, and advisable to refund the Refunded Bonds to take advantage of the debt service savings which will result from such lower interest rates (which refunding may hereinafter be referred to as the "*Refunding*"); and

WHEREAS, the Board does hereby determine that it is advisable and in the best interests of the Village to borrow \$ _____ at this time pursuant to the Act (hereinafter defined) for the purpose of refunding the Refunded Bonds, and, in evidence of such borrowing, issue the full faith and credit bonds of the Village in a principal amount of \$ _____:

NOW THEREFORE Be It Ordained by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, in the exercise of its home rule powers, as follows:

Section 2. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Ordinance are true, correct and complete and does incorporate them into this Ordinance by this reference.

Section 3. Determination to Issue Bonds. It is necessary and in the best interests of the Village to accomplish the Refunding, to pay all related costs and expenses incidental thereto, and to borrow money and issue the Bonds for such purposes. It is hereby found and determined that such borrowing of money is necessary for the welfare of the government and affairs of the

Village, is for a proper public purpose or purposes and is in the public interest, and is authorized pursuant to the Act; and these findings and determinations shall be deemed conclusive.

Section 4. Bond Details. For the purpose of providing for the Refunding, there shall be issued and sold the Bonds in the principal amount of \$_____. The Bonds shall be designated “*General Obligation Refunding Bonds, Series 2012D*”, shall be dated December __, 2012, and shall also bear the date of authentication. The Bonds shall be fully registered, shall be in denominations of \$5,000 each and authorized integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date), and shall be numbered 1 and upward. The Bonds shall become due and payable serially (without option of prior redemption) on December 1 of the years and in the amounts and bearing interest at the rates per annum as follows:

YEAR	PRINCIPAL AMOUNT	INTEREST RATE
2013	\$	%
2014		%
2015		%
2016		%
2017		%
2018		%

The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on June 1 and December 1 of each year, commencing June 1, 2013. Interest on each Bond shall be paid by check or draft of the Paying Agent, payable upon presentation thereof in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the applicable Record Date (the “*Record Date*”), and mailed to the registered owner of the Bond as shown in the Bond Register or at such other

address furnished in writing by such Registered Owner. The Record Date shall be the 15th day of the month next preceding any regular or other interest payment date occurring on the 1st day of any month. The principal of the Bonds shall be payable in lawful money of the United States of America upon presentation thereof at the principal corporate trust office of the Paying Agent.

Section 5. Execution; Authentication. The Bonds shall be executed on behalf of the Village by the manual or facsimile signature of its President and attested by the manual or facsimile signature of its Village Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village. In case any such officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication, substantially in the form hereinafter set forth, duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 6. Registration and Exchange or Transfer of Bonds; Persons Treated as Owners. The Village shall cause books for the registration and for the transfer of the Bonds as provided in this Ordinance to be kept at the principal corporate trust office of the Bond Registrar,

which is hereby constituted and appointed the registrar of the Village for the Bonds. The Village is authorized to prepare, and the Bond Registrar or such other agent as the Village may designate shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount. The execution by the Village of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided, however*, that the principal amount of Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the close of business on the Record Date for an interest payment to the opening of business on such interest payment date.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any

Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Village or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Section 7. Global Book-Entry System. The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 4 hereof. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto ("*Cede*"), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns ("*DTC*"). All of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The President, Village Clerk and Village Treasurer and the Bond Registrar are each authorized to execute and deliver, on behalf of the Village, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the "*Representation Letter*"), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the Village and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "*DTC Participant*") or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence,

the Village and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The Village and the Bond Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Village's obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the Village to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 4 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name "Cede" in this Ordinance shall refer to such new nominee of DTC.

In the event that (i) the Village determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the Village, the Bond Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the Village determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Village shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the Village may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the Village, or such depository's agent or designee, and if the Village does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 6 hereof.

Notwithstanding any other provisions of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

Section 8. Form of Bond. The Bonds shall be in substantially the form hereinafter set forth; *provided, however,* that if the text of the Bonds is to be printed in its entirety on the front side of the Bonds, then the second paragraph on the front side and the legend "See Reverse Side for Additional Provisions" shall be omitted and the text of paragraphs set forth for the reverse side shall be inserted immediately after the first paragraph.

Section 9. Tax Levy. For the purpose of providing funds required to pay the interest on the Bonds promptly when and as the same falls due, and to pay and discharge the principal thereof at maturity, there is hereby levied upon all of the taxable property within the Village, in the years for which any of the Bonds are outstanding, a direct annual tax sufficient for that

purpose; and there is hereby levied on all of the taxable property in the Village, in addition to all other taxes, the following direct annual taxes (the Pledged Taxes as hereinabove defined):

FOR THE YEAR	A TAX SUFFICIENT TO PRODUCE THE DOLLAR SUM OF:	
2012	\$	for interest and principal up to and including December 1, 2013

Interest or principal coming due at any time when there are insufficient funds on hand from the Pledged Taxes to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the Pledged Taxes herein levied; and when the Pledged Taxes shall have been collected, reimbursement shall be made to said funds in the amount so advanced. The Village covenants and agrees with the purchasers and registered owners of the Bonds that so long as any of the Bonds remain outstanding, the Village will take no action or fail to take any action which in any way would adversely affect the ability of the Village to levy and collect the foregoing tax levy. The Village and its officers will comply with all present and future applicable laws in order to assure that the Pledged Taxes may be levied, extended and collected as provided herein and deposited into the Bond Fund.

Whenever other funds from any lawful source are made available for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the taxes levied herein for the payment of same, the Board shall, by proper proceedings, direct the deposit of such funds into the Bond Fund and further shall direct the abatement of the taxes by the amount

so deposited. A certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerks in a timely manner to effect such abatement.

Section 10. Filing with County Clerks and Certificate of Reduction of Taxes. Promptly, as soon as this Ordinance becomes effective, a copy hereof, certified by the Village Clerk of the Village shall be filed with the County Clerks; and the County Clerks shall in and for each of the years 2012 to 2017, inclusive, ascertain the rate percent required to produce the aggregate tax hereinbefore provided to be levied in each of said years; and the County Clerks shall extend the same for collection on the tax books in connection with other taxes levied in said years in and by the Village for general corporate purposes of the Village; and in said years such annual tax shall be levied and collected by and for and on behalf of the Village in like manner as taxes for general corporate purposes for said years are levied and collected, and in addition to and in excess of all other taxes.

The President, Village Clerk and Village Treasurer be and the same are hereby directed to prepare and file with the County Clerks a Certificate of Reduction of Taxes Heretofore Levied for the Payment of Bonds showing the Refunded Bonds and directing the abatement of the taxes heretofore levied for the years 2012 to 2017, inclusive, to pay the Refunded Bonds.

The Bonds hereby authorized shall be executed as in this Ordinance provided as soon after the passage hereof as may be, and thereupon be deposited with the Village Treasurer, and, after authentication thereof by the Bond Registrar, be by said Treasurer delivered to _____, _____, _____, the purchaser thereof (the "*Purchaser*"), upon receipt of the purchase price therefor, the same being \$_____, plus accrued interest to date of delivery. The contract for the sale of the Bonds heretofore entered into (the "*Purchase Contract*"), as evidenced by an "*Official Notice of Sale*" and an "*Official Bid Form*", as submitted to and presented to the Board at this meeting, as

executed by the Purchaser, is hereby in all respects approved and confirmed, and the officer(s) of the Village designated therein are authorized and directed to execute the contract (bid form) on behalf of the Village, it being hereby declared that, to the best of the knowledge and belief of the members of the Board, after due inquiry, no person holding any office of the Village, either by election or appointment, is in any manner financially interested, either directly in his own name or indirectly in the name of any other person, association, trust or corporation, in such contract for the sale of the Bonds to such Purchaser.

The use by the Purchaser of any Preliminary Official Statement and any final Official Statement relating to the Bonds (the "*Official Statement*") is hereby ratified, approved and authorized; the execution and delivery of the Official Statement is hereby authorized; and the officers of the Board are hereby authorized to take any action as may be required on the part of the Village to consummate the transactions contemplated by the Purchase Contract, this Ordinance, said Preliminary Official Statement, the Official Statement and the Bonds.

Section 12. Creation of Funds and Appropriations. The proceeds derived from the sale of the Bonds shall be used as follows:

A. Accrued interest, if any, on the Bonds shall be and is hereby appropriated for the purpose of paying the first interest due on the Bonds, and to such end is hereby ordered to be deposited into the "*General Obligation Refunding Bonds, Series 2012D, Bond Fund*" (the "*Bond Fund*"), hereby created, which shall be the fund for the payment of principal of and interest on the Bonds. Taxes received for the payment of the Bonds shall be deposited into the Bond Fund and used solely and only for the purpose of paying the Bonds. Interest received from investments on deposit in the Bond Fund shall be retained therein as a credit against future deposits or transferred to such other fund as the Board may from time to time determine.

The Pledged Taxes shall either be deposited into the Bond Fund and used solely and only for paying the principal of and interest on the Bonds or be used to reimburse a fund or account from which advances to the Bond Fund may have been made to pay principal of or interest on the Bonds prior to receipt of Pledged Taxes. Interest income or investment profit earned in the Bond Fund shall be retained in the Bond Fund for payment of the principal of or interest on the Bonds on the interest payment date next after such interest or profit is received or, to the extent lawful and as determined by the

Board, transferred to such other fund as may be determined. The Village hereby pledges, as equal and ratable security for the Bonds, all present and future proceeds of the Pledged Taxes for the sole benefit of the registered owners of the Bonds, subject to the reserved right of the Board to transfer certain interest income or investment profit earned in the Bond Fund to other funds of the Village, as described in the preceding sentence.

B. The amount necessary from the proceeds of the Bonds, together with any premium received from the sale of the Bonds and other lawfully available funds of the Village as may be advisable for the purpose, shall be used to provide for the Refunding and the payment of such expenses as may be designated, pursuant to the provisions of the Escrow Agreement given to the Escrow Agent, all in accordance with the provisions of such Escrow Agreement, substantially in the form attached hereto as *Exhibit A* to this Ordinance, made a part hereof by this reference, or with such changes therein as shall be approved by the officers of the Village executing the Escrow Agreement, such execution to constitute evidence of the approval of such changes, for the purpose of paying the principal of and interest on the Refunded Bonds prior to and upon redemption hereof. The Board approves the form, terms and provisions of the Escrow Agreement and directs the President and Village Clerk to execute, attest, seal and deliver the Escrow Agreement in the name and on behalf of the Village. At the time of the issuance of the Bonds, the costs of issuance of the Bonds may be paid by the Purchaser on behalf of the Village from the proceeds of the Bonds.

Section 13. Call of the Refunded Bonds. In accordance with the redemption provisions of the ordinance authorizing the issuance of the Refunded Bonds, the Village by the Board does hereby make provision for the payment of and does hereby call (subject only to the delivery of the Bonds) the Refunded Bonds for redemption on _____, 20__, all as provided by the terms of the Escrow Agreement.

Section 14. Use of Taxes Heretofore Levied. All proceeds received or to be received from any taxes heretofore levied to pay principal and interest on the Refunded Bonds, including the proceeds received or to be received from the taxes levied for the year 2011 for such purposes, shall be used to pay the principal of and interest on the Refunded Bonds and to the extent that such proceeds are not needed for such purpose because of the establishment of the escrow referred to in Section 12 hereof, the same shall be deposited into the Bond Fund and used to pay principal and interest on the Bonds in accordance with all of the provisions of this Ordinance.

Section 15. Non-Arbitrage and Tax-Exemption. One purpose of this Section is to set forth various facts regarding the Bonds and to establish the expectations of the Board and the Village as to future events regarding the Bonds and the use of Bond proceeds. The certifications, covenants and representations contained herein and at the time of the Closing are made on behalf of the Village for the benefit of the owners from time to time of the Bonds. In addition to providing the certifications, covenants and representations contained herein, the Village hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the hereinafter defined Code or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The Village acknowledges that, in the event of an examination by the Internal Revenue Service (the “IRS”) of the exemption from federal income taxation for interest paid on the Bonds, under present rules, the Village may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination. The Board and the Village certify, covenant and represent as follows:

“Verifier” means Grant Thornton LLP, Minneapolis, Minnesota.

“Yield” means that discount rate which when used in computing the present value of all payments of principal and interest paid and to be paid on an obligation (using semiannual compounding on the basis of a 360-day year) produces an amount equal to the obligation’s purchase price (or in the case of the Bonds, the issue price as established in paragraph 5.1 hereof), including accrued interest.

“Yield Reduction Payment” means a rebate payment or any other amount paid to the United States in the same manner as rebate amounts are required to be paid or at such other time or in such manner as the Internal Revenue Service may prescribe that will be treated as a reduction in Yield of an investment under the Regulations.

2.1. *Purpose of the Bonds.* The Bonds are being issued solely and exclusively to refund in advance of maturity the Refunded Bonds in a prudent manner consistent with the revenue needs of the Village. A breakdown of the sources and uses of funds is set forth in the preceding Section of this Ordinance. Except to pay the Refunded Bonds and except for any accrued interest on the Bonds used to pay first interest due on the Bonds, no proceeds of the Bonds will be used more than 30 days after the date of issue of the Bonds for the purpose of paying any principal or interest on any issue of bonds, notes, certificates or warrants or on any installment contract or other obligation of the Village or for the purpose of replacing any funds of the Village used for such purpose.

2.2. *Bond Fund Investment.* The investment earnings on the Bond Fund will be spent to pay interest on the Bonds, or to the extent permitted by law, investment earnings on amounts in the Bond Fund will be commingled with substantial revenues from the governmental operations of the Village, and the earnings are reasonably expected to be spent for governmental purposes within six months of the date earned. Interest earnings on the Bond Fund have not been earmarked or restricted by the Board for a designated purpose.

2.3. *Reimbursement.* None of the Sale Proceeds or investment earnings thereon will be used for Reimbursed Expenditures.

2.4. *Working Capital.* All Sale Proceeds and investment earnings thereon will be used, directly or indirectly, to pay principal of, interest on and redemption premium (if any) on the Refunded Bonds, other than the following:

- (a) payments of interest on the Bonds for the period commencing at Closing and ending on the date one year after the date on which the Prior Project is Placed-in-Service;

- (b) Costs of Issuance and Qualified Administrative Costs of Investments;

- (c) payments of rebate or Yield Reduction Payments made to the United States under the Regulations;

- (d) principal of or interest on the Bonds paid from unexpected excess Sale Proceeds and investment earnings thereon;

- (e) fees for the Credit Facility; and

- (f) investment earnings that are commingled with substantial other revenues and are expected to be allocated to expenditures within six months.

2.5. *Consequences of Contrary Expenditure.* The Village acknowledges that if Sale Proceeds and investment earnings thereon are spent other than as permitted by paragraph 2.4 hereof, a like amount of then available funds of the Village will be treated as unspent Sale Proceeds.

2.6. *Investment of Bond Proceeds.* No portion of the Bonds is being issued solely for the purpose of investing a portion of Sale Proceeds or investment earnings thereon at a Yield higher than the Yield on the Bonds.

2.7. *No Grants.* None of the Sale Proceeds or investment earnings thereon will be used to make grants to any person.

2.8. *Hedges.* Neither the Village nor any member of the same Controlled Group as the Village has entered into or expects to enter into any hedge (*e.g.*, an interest rate swap, interest rate cap, futures contract, forward contract or an option) with respect to the Bonds or the Prior Bonds. The Village acknowledges that any such hedge could affect, among other things, the calculation of Bond Yield under the Regulations. The Internal Revenue Service could recalculate Bond Yield if the failure to account for the hedge fails to clearly reflect the economic substance of the transaction.

The Village also acknowledges that if it acquires a hedging contract with an investment element (including *e.g.*, an off-market swap agreement, or any cap agreement for which all or a portion of the premium is paid at, or before the effective date of the cap agreement), then a portion of such hedging contract may be treated as an investment of Gross Proceeds of the Bonds, and be subject to the fair market purchase price rules, rebate and yield restriction. The Village agrees not to use proceeds of the Bonds to pay for any such hedging contract in whole or in part. The Village also agrees that it will not give any assurances to any Bond holder, the Credit Facility Provider, or any other credit or liquidity enhancer with respect to the Bonds that any such hedging contract will be entered into or maintained. The Village recognizes that if a portion of a hedging contract is determined to be an investment of gross proceeds, such portion may not be fairly priced even if the hedging contract as a whole is fairly priced.

2.9. *IRS Audits.* The Village represents that the IRS has not contacted the Village regarding the Prior Bonds or any other obligations issued by or on behalf of the Village. To the best of the knowledge of the Village, no such obligations of the Village are currently under examination by the IRS.

2.10. *Abusive Transactions.* Neither the Village nor any member of the same Controlled Group as the Village will receive a rebate or credit resulting from any payments having been made in connection with the issuance of the Bonds or the advance refunding of the Refunded Bonds.

3.1. *Use of Proceeds.* (a) The use of the Sale Proceeds and investment earnings thereon and the funds held under this Ordinance at the time of Closing are described in the preceding Section of this Ordinance. No Sale Proceeds will be used to

pre-pay for goods or services to be received over a period of years prior to the date such goods or services are to be received, except for any payment to the Credit Facility Provider. No Sale Proceeds or any investment earnings thereon will be used to pay for or otherwise acquire goods or services from the Village, any member of the same Controlled Group as the Village, or an Affiliated Person.

(b) Only the funds and accounts described in said Section will be funded at Closing. There are no other funds or accounts created under this Ordinance, other than the Rebate Fund if it is created as provided in paragraph 4.2 hereof.

(c) Principal of and interest on the Bonds will be paid from the Bond Fund.

(d) Any Costs of Issuance incurred in connection with the issuance of the Bonds to be paid by the Village will be paid at the time of Closing.

3.2. *Purpose of Bond Fund.* The Bond Fund (other than the Reserve Portion of the Bond Fund) will be used primarily to achieve a proper matching of revenues and earnings with principal and interest payments on the Bonds in each bond year. It is expected that the Bond Fund (other than the Reserve Portion of the Bond Fund) will be depleted at least once a year, except for a reasonable carry over amount not to exceed the greater of (a) the earnings on the investment of moneys in the Bond Fund (other than the Reserve Portion of the Bond Fund) for the immediately preceding bond year or (b) 1/12th of the principal and interest payments on the Bonds for the immediately preceding bond year.

The Village will levy taxes to produce an amount sufficient to pay all principal of and interest on the Bonds in each bond year. To minimize the likelihood of an insufficiency, the amount extended to pay the Bonds may in most years be in excess of the amount required to pay principal and interest within one year of collection. This over-collection (if any) may cause the Bond Fund as a whole to fail to function as a bona fide debt service fund. Nevertheless, except for the Reserve Portion of the Bond Fund, the Bond Fund will be depleted each year as described above. The Reserve Portion of the Bond Fund will constitute a separate account not treated as part of the bona fide debt service fund. The Reserve Portion of the Bond Fund is subject to yield restriction requirements except as it may otherwise be excepted as provided in 5.2 below. It is also subject to rebate requirements.

3.3. *The Prior Bonds.* (a) As of the earlier of (i) the time of the Closing or (ii) the date three years after the Prior Bonds were issued, all Prior Bond Proceeds, including investment earnings thereon, were completely spent to pay the costs of Capital Expenditures.

(b) As of the date hereof, no Prior Bond Proceeds or money or property of any kind (including cash) is on deposit in any fund or account, regardless of where held or the source thereof, with respect to the Prior Bonds or any credit enhancement or liquidity

device relating to the foregoing, or is otherwise restricted to pay the Village's obligations other than amounts on deposit in the Escrow Account.

(c) The Prior Bond Fund was used primarily to achieve a proper matching of revenues and earnings with principal and interest payments on the Prior Bonds in each bond year. The Prior Bond Fund was depleted at least once a year, except for a reasonable carry over amount not to exceed the greater of (i) the earnings on the investment of moneys in such account for the immediately preceding bond year or (ii) one-twelfth (1/12th) of the principal and interest payments on the Prior Bonds.

(d) At the time the Prior Bonds were issued, the Village reasonably expected to spend at least 85% of the proceeds (including investment earnings) of the Prior Bonds to be used for non-refunding purposes for such purposes within three years of the date the Prior Bonds were issued and such proceeds were so spent. Not more than 50% of the proceeds of the Prior Bonds to be used for non-refunding purposes was invested in investments having a substantially guaranteed Yield for four years or more.

(e) The Refunded Bonds subject to redemption prior to maturity will be called on the first optional redemption date of the Refunded Bonds.

(f) The Village has not been notified that the Prior Bonds or any obligation refunded by the Prior Bonds is under examination by the Internal Revenue Service, and to the best of the Village's knowledge neither the Prior Bonds nor any obligation refunded by the Prior Bonds is under examination by the Internal Revenue Service.

(h) The Village acknowledges that (i) the final rebate payment with respect to the Prior Bonds may be required to be made sooner than if the refunding had not occurred and (ii) the final rebate is due 60 days after the Prior Bonds are paid in full.

3.4. *The Escrow Account.* (a) The Escrow Account will be funded at the Closing.

(b) The uninvested cash and anticipated receipts from the Government Securities on deposit in the Escrow Account, without regard to any reinvestment thereof, will be sufficient to pay, when due, principal and interest on the Refunded Bonds as such become due and payable and to redeem the outstanding principal amount of any callable Refunded Bonds on the first optional redemption date of such callable Refunded Bonds, at the applicable redemption price thereof based on the Verification Report.

(c) Any moneys remaining on deposit in the Escrow Account upon the final disbursement of funds sufficient to pay principal and interest of the Refunded Bonds shall be transferred by the Escrow Agent to the Bond Fund to be used to pay interest on the Bonds.

3.5. *No Other Gross Proceeds.* (a) Except for the Bond Fund and except for investment earnings that have been commingled as described in paragraph 2.2 and any

credit enhancement or liquidity device related to the Bonds, after the issuance of the Bonds, neither the Village nor any member of the same Controlled Group as the Village has or will have any property, including cash, securities or any other property held as a passive vehicle for the production of income or for investment purposes, that constitutes:

(i) Sale Proceeds;

(ii) amounts in any fund or account with respect to the Bonds (other than the Rebate Fund);

(iii) Transferred Proceeds;

(iv) amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the Bonds were not used or to be used for that governmental purpose (the mere availability or preliminary earmarking of such amounts for a governmental purpose, however, does not itself establish such a sufficient nexus);

(v) amounts in a debt service fund, redemption fund, reserve fund, replacement fund or any similar fund to the extent reasonably expected to be used directly or indirectly to pay principal of or interest on the Bonds or any amounts for which there is provided, directly or indirectly, a reasonable assurance that the amount will be available to pay principal of or interest on the Bonds or any obligations under any credit enhancement or liquidity device with respect to the Bonds, even if the Village encounters financial difficulties;

(vi) any amounts held pursuant to any agreement (such as an agreement to maintain certain levels of types of assets) made for the benefit of the Bondholders or any credit enhancement provider, including any liquidity device or negative pledge (*e.g.*, any amount pledged to pay principal of or interest on an issue held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of holders of the Bonds or a guarantor of the Bonds); or

(vii) amounts actually or constructively received from the investment and reinvestment of the amounts described in (i) or (ii) above.

(b) No compensating balance, liquidity account, negative pledge of property held for investment purposes required to be maintained at least at a particular level or similar arrangement exists with respect to, in any way, the Bonds or any credit enhancement or liquidity device related to the Bonds.

(c) The term of the Bonds is not longer than is reasonably necessary for the governmental purposes of the Bonds. The average reasonably expected remaining economic life of the Prior Project is at least 6 years. The weighted average maturity of the Bonds does not exceed 6 years and does not exceed 120 percent of the average

reasonably expected economic life of the Prior Project. The maturity schedule of the Bonds (the "*Principal Payment Schedule*") is based on an analysis of revenues expected to be available to pay debt service on the Bonds. The Principal Payment Schedule is not more rapid (*i.e.*, having a lower average maturity) because a more rapid schedule would place an undue burden on tax rates and cause such rates to be increased beyond prudent levels, and would be inconsistent with the governmental purpose of the Bonds as set forth in paragraph 2.1 hereof.

4.1. *Compliance with Rebate Provisions.* The Village covenants to take such actions and make, or cause to be made, all calculations, transfers and payments that may be necessary to comply with the Rebate Provisions applicable to the Bonds. The Village will make, or cause to be made, rebate payments with respect to the Bonds in accordance with law.

4.2. *Rebate Fund.* The Village is hereby authorized to create and establish a special fund to be known as the Rebate Fund (the "*Rebate Fund*"), which, if created, shall be continuously held, invested, expended and accounted for in accordance with this Ordinance. Moneys in the Rebate Fund shall not be considered moneys held for the benefit of the owners of the Bonds. Except as provided in the Regulations, moneys in the Rebate Fund (including earnings and deposits therein) shall be held in trust for payment to the United States as required by the Rebate Provisions and by the Regulations and as contemplated under the provisions of this Ordinance.

4.3. *Records.* The Village agrees to keep and retain or cause to be kept and retained for the period described in paragraph 7.9 adequate records with respect to the investment of all Gross Proceeds and amounts in the Rebate Fund. Such records shall include: (a) purchase price; (b) purchase date; (c) type of investment; (d) accrued interest paid; (e) interest rate; (f) principal amount; (g) maturity date; (h) interest payment date; (i) date of liquidation; and (j) receipt upon liquidation.

If any investment becomes Gross Proceeds on a date other than the date such investment is purchased, the records required to be kept shall include the fair market value of such investment on the date it becomes Gross Proceeds. If any investment is retained after the date the last Bond is retired, the records required to be kept shall include the fair market value of such investment on the date the last Bond is retired. Amounts or investments will be segregated whenever necessary to maintain these records.

4.4. *Fair Market Value; Certificates of Deposit and Investment Agreements.* The Village will continuously invest all amounts on deposit in the Rebate Fund, together with the amounts, if any, to be transferred to the Rebate Fund, in any investment permitted under this Ordinance. In making investments of Gross Proceeds or of amounts in the Rebate Fund the Village shall take into account prudent investment standards and the date on which such moneys may be needed. Except as provided in the next sentence, all amounts that constitute Gross Proceeds and all amounts in the Rebate Fund shall be invested at all times to the greatest extent practicable, and no amounts may be held as

cash or be invested in zero yield investments other than obligations of the United States purchased directly from the United States. In the event moneys cannot be invested, other than as provided in this sentence due to the denomination, price or availability of investments, the amounts shall be invested in an interest bearing deposit of a bank with a yield not less than that paid to the general public or held uninvested to the minimum extent necessary.

Gross Proceeds and any amounts in the Rebate Fund that are invested in certificates of deposit or in GICs shall be invested only in accordance with the following provisions:

(a) Investments in certificates of deposit of banks or savings and loan associations that have a fixed interest rate, fixed payment schedules and substantial penalties for early withdrawal shall be made only if either (i) the Yield on the certificate of deposit (A) is not less than the Yield on reasonably comparable direct obligations of the United States and (B) is not less than the highest Yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public or (ii) the investment is an investment in a GIC and qualifies under paragraph (b) below.

(b) Investments in GICs shall be made only if

(i) the bid specifications are in writing, include all material terms of the bid and are timely forwarded to potential providers (a term is material if it may directly or indirectly affect the yield on the GIC);

(ii) the terms of the bid specifications are commercially reasonable (a term is commercially reasonable if there is a legitimate business purpose for the term other than to reduce the yield on the GIC);

(iii) all bidders for the GIC have equal opportunity to bid so that, for example, no bidder is given the opportunity to review other bids (a last look) before bidding;

(iv) any agent used to conduct the bidding for the GIC does not bid to provide the GIC;

(v) at least three of the providers solicited for bids for the GIC are reasonably competitive providers of investments of the type purchased (*i.e.*, providers that have established industry reputations as competitive providers of the type of investments being purchased);

(vi) at least three of the entities that submit a bid do not have a financial interest in the Bonds;

(vii) at least one of the entities that provided a bid is a reasonably competitive provider that does not have a financial interest in the Bonds;

(viii) the bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Village or any other person (whether or not in connection with the Bonds) and that the bid is not being submitted solely as a courtesy to the Village or any other person for purposes of satisfying the federal income tax requirements relating to the bidding for the GIC;

(ix) the determination of the terms of the GIC takes into account the reasonably expected deposit and drawdown schedule for the amounts to be invested;

(x) the highest-yielding GIC for which a qualifying bid is made (determined net of broker's fees) is in fact purchased; and

(xi) the obligor on the GIC certifies the administrative costs that it is paying or expects to pay to third parties in connection with the GIC.

(c) If a GIC is purchased, the Village will retain the following records with its bond documents until three years after the Bonds are redeemed in their entirety:

(i) a copy of the GIC;

(ii) the receipt or other record of the amount actually paid for the GIC, including a record of any administrative costs paid, and the certification under subparagraph (b)(xi) of this paragraph;

(iii) for each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results; and

(iv) the bid solicitation form and, if the terms of the GIC deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.

Moneys to be rebated to the United States shall be invested to mature on or prior to the anticipated rebate payment date. All investments made with Gross Proceeds or amounts in the Rebate Fund shall be bought and sold at fair market value. The fair market value of an investment is the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's length transaction. Except for

investments specifically described in this Section and United States Treasury obligations that are purchased directly from the United States Treasury, only investments that are traded on an established securities market, within the meaning of regulations promulgated under Section 1273 of the Code, will be purchased with Gross Proceeds. In general, an “established securities market” includes: (i) property that is listed on a national securities exchange, an interdealer quotation system or certain foreign exchanges; (ii) property that is traded on a Commodities Futures Trading Commission designated board of trade or an interbank market; (iii) property that appears on a quotation medium; and (iv) property for which price quotations are readily available from dealers and brokers. A debt instrument is not treated as traded on an established market solely because it is convertible into property which is so traded.

An investment of Gross Proceeds in an External Commingled Fund shall be made only to the extent that such investment is made without an intent to reduce the amount to be rebated to the United States Government or to create a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the rebate or Yield restriction requirements not been relevant to the Village. An investment of Gross Proceeds shall be made in a Commingled Fund other than an External Commingled Fund only if the investments made by such Commingled Fund satisfy the provisions of this paragraph.

A single investment, or multiple investments awarded to a provider based on a single bid may not be used for funds subject to different rules relating to rebate or yield restriction.

The foregoing provisions of this paragraph satisfy various safe harbors set forth in the Regulations relating to the valuation of certain types of investments. The safe harbor provisions of this paragraph are contained herein for the protection of the Village, who has covenanted not to take any action to adversely affect the tax-exempt status of the interest on the Bonds. The Village will contact Bond Counsel if it does not wish to comply with the provisions of this paragraph and forego the protection provided by the safe harbors provided herein.

4.5. *Arbitrage Elections.* The President, Village Clerk and Village Treasurer of the Board are hereby authorized to execute one or more elections regarding certain matters with respect to arbitrage.

4.6. *Six Month Exception.* If all Gross Proceeds of the Bonds (including earnings thereon) are spent within six months of the date the Bonds are issued, other than amounts deposited in a reasonably required reserve fund or a bona fide debt service fund, no rebate is required except in the case of unexpected gross proceeds arising after the date of Closing. If all proceeds (including earnings thereon) required to be spent are so spent within this six-month period, except for 5% of the Bond proceeds, and the Village spends the 5% (plus earnings thereon), within one year from the Closing, no rebate is required. To qualify for the six-month exception, there must be no other amounts that are treated as Gross Proceeds of the Bonds, other than a reasonably required reserve or

replacement fund or a bona fide debt service fund. Even if the Village qualifies for this exception, the Village may have to rebate with respect to any amounts that arise or are pledged to the payment of the Bonds at a later date.

5.1. *Issue Price.* For purposes of determining the Yield on the Bonds, the purchase price of the Bonds is equal to the first offering price (including accrued interest) at which the Purchaser reasonably expected to sell at least ten percent of the principal amount of each maturity of the Bonds to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). All of the Bonds have been the subject of a bona fide initial offering to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers) at prices equal to those set forth in the Official Statement. Based upon prevailing market conditions, such prices are not less than the fair market value of each Bond as of the sale date for the Bonds.

5.2. *Yield Limits.* Except as provided in paragraph (a) or (b), all Gross Proceeds shall be invested at market prices and at a Yield (after taking into account any Yield Reduction Payments) not in excess of the Yield on the Bonds.

The following may be invested without Yield restriction:

(a) amounts on deposit in the Bond Fund (except for capitalized interest and any Reserve Portion of the Bond Fund) that have not been on deposit under the Ordinance for more than 13 months, so long as the Bond Fund (other than the Reserve Portion of the Bond Fund) continues to qualify as a bona fide debt service fund as described in paragraph 3.2 hereof;

(b) (i) An amount not to exceed the lesser of \$100,000 or five percent of the Sale Proceeds;

(ii) amounts invested in Qualified Tax Exempt Obligations (to the extent permitted by law and this Ordinance);

(iii) amounts in the Rebate Fund;

(iv) all amounts other than Sale Proceeds for the first 30 days after they become Gross Proceeds; and

(v) all amounts derived from the investment of Sale Proceeds or investment earnings thereon other than those on deposit in the Escrow Account for a period of one year from the date received; and

(vi) all amounts used to pay principal and interest on the Refunded Bonds within 90 days of Closing.

5.3. *Yield Limits on Prior Bond Proceeds.* Except for an amount not to exceed the lesser of \$100,000 or five percent of Prior Bond Proceeds, the Village acknowledges that all Prior Bond Proceeds must be invested at market prices and at a Yield not in excess of the Yield on the Prior Bonds.

5.4. *Continuing Nature of Yield Limits.* Except as provided in paragraph 7.10 hereof, once moneys are subject to the Yield limits of paragraph 5.2 hereof, such moneys remain Yield restricted until they cease to be Gross Proceeds.

5.5. *Federal Guarantees.* Except for investments meeting the requirements of paragraph 5.2(a) hereof and except for investments in the Escrow Account, investments of Gross Proceeds shall not be made in (a) investments constituting obligations of or guaranteed, directly or indirectly, by the United States (except obligations of the United States Treasury or investments in obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank, as amended (*e.g.*, Refcorp Strips)); or (b) federally insured deposits or accounts (as defined in Section 149(b)(4)(B) of the Code). Except as otherwise permitted in the immediately prior sentence and in the Regulations, no portion of the payment of principal or interest on the Bonds or any credit enhancement or liquidity device relating to the foregoing is or will be guaranteed, directly or indirectly (in whole or in part), by the United States (or any agency or instrumentality thereof), including a lease, incentive payment, research or output contract or any similar arrangement, agreement or understanding with the United States or any agency or instrumentality thereof. No portion of the Gross Proceeds has been or will be used to make loans the payment of principal or interest with respect to which is or will be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). Neither this paragraph nor paragraph 5.6 hereof applies to any guarantee by the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, the Student Loan Marketing Association or the Bonneville Power Administration pursuant to the Northwest Power Act (16 U.S.C. 839d) as in effect on the date of enactment of the Tax Reform Act of 1984.

5.6. *Investments After the Expiration of Temporary Periods, Etc.* Any amounts, other than amounts in the Escrow Account, that are subject to the yield limitation in Section 5.2 because Section 5.2(a) is not applicable and amounts not subject to yield restriction only because they are described in Section 5.2(b) cannot be invested in (i) federally insured deposits or accounts (as defined in Section 149(b)(4)(B) of the Code or (ii) investments constituting obligations of or guaranteed, directly or indirectly, by the United States (except obligations of the United States Treasury or investments in obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank Act, as amended (*e.g.*, Refcorp Strips).

5.7. *Escrow Yield.* The Yield on the Government Securities purchased with Sale Proceeds of the Bonds, taking into account any Transferred Proceeds, has been computed by the Purchaser and verified by the Verifier to be not greater than the Yield on the Bonds computed by the Purchaser and verified by the Verifier.

5.8. *Treatment of Certain Credit Facility Fees.* The fee paid to the Credit Facility Provider with respect to the Credit Facility may be treated as interest in computing Bond Yield.

Neither the Village nor any member of the same Controlled Group as the Village is a Related Person as defined in Section 144(a)(3) of the Code to the Credit Facility Provider. The fee paid to the Credit Facility Provider does not exceed ten percent of the Sale Proceeds. Other than the fee paid to the Credit Facility Provider, neither the Credit Facility Provider nor any person who is a Related Person to the Credit Facility Provider within the meaning of Section 144(a)(3) of the Code will use any Sale Proceeds or investment earnings thereon. The fee paid for the Credit Facility does not exceed a reasonable, arm's length charge for the transfer of credit risk. The fee does not include any payment for any direct or indirect services other than the transfer of credit risk.

6.1. *Payment and Use Tests.* (a) No more than five percent of the proceeds of each issue of the Prior Bonds and investment earnings thereon were used, directly or indirectly, in whole or in part, in any Private Business Use. The Village acknowledges that, for purposes of the preceding sentence, Gross Proceeds used to pay costs of issuance and other common costs (such as capitalized interest and fees paid for a qualified guarantee or qualified hedge) or invested in a reserve or replacement fund must be ratably allocated among all the purposes for which Gross Proceeds are being used.

(b) The payment of more than five percent of the principal of or the interest on the Bonds or on each issue of the Prior Bonds considered separately will not be, directly or indirectly (i) secured by any interest in (A) property used or to be used in any Private Business Use or (B) payments in respect of such property or (ii) on a present value basis, derived from payments (whether or not to the Village or a member of the same Controlled Group as the Village) in respect of property, or borrowed money, used or to be used in any Private Business Use.

(c) No more than the lesser of \$5,000,000 or five percent of the sum of the proceeds of each issue of the Prior Bonds and investment earnings thereon were used, and no more than the lesser of \$5,000,000 or five percent of the sum of the Sale Proceeds and investment earnings thereon will be used, directly or indirectly, to make or finance loans to any persons. The Village acknowledges that, for purposes of the preceding sentence, Gross Proceeds used to pay costs of issuance and other common costs (such as capitalized interest and fees paid for a qualified guarantee or qualified hedge) or invested in a reserve or replacement fund must be ratably allocated among all the purposes for which Gross Proceeds are being used.

(d) No user of the Prior Project other than a state or local governmental unit will use more than five percent of such facilities, considered separately, on any basis other than the same basis as the general public.

6.2. *I.R.S. Form 8038-G.* The information contained in the Information Return for Tax-Exempt Governmental Obligations, Form 8038-G, is true and complete. The

Village will file Form 8038-G (and all other required information reporting forms) in a timely manner.

6.3. *Bank Qualification.* Each of the Bonds is deemed designated as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code. In support of such designation the Village certifies that (i) the Refunded Bonds were bank qualified; (ii) the final maturity of the Bonds is not more than 30 years after the date of issue of the Refunded Bonds; (iii) the average maturity of the Bonds is not greater than the average maturity of the Refunded Bonds; and (iv) the aggregate principal amount of the Bonds does not exceed \$10,000,000.

7.1. *Termination; Interest of Village in Rebate Fund.* The terms and provisions set forth in this Section shall terminate at the later of (a) 75 days after the Bonds have been fully paid and retired or (b) the date on which all amounts remaining on deposit in the Rebate Fund, if any, shall have been paid to or upon the order of the United States and any other payments required to satisfy the Rebate Provisions of the Code have been made to the United States. Notwithstanding the foregoing, the provisions of paragraphs 4.3, 4.4(c) and 7.9 hereof shall not terminate until the third anniversary of the date the Bonds are fully paid and retired.

7.2. *Separate Issue.* Since a date that is 15 days prior to the date of sale of the Bonds by the Village to the Purchaser, neither the Village nor any member of the same Controlled Group as the Village has sold or delivered any tax-exempt obligations other than the Bonds that are reasonably expected to be paid out of substantially the same source of funds as the Bonds. Neither the Village nor any member of the same Controlled Group as the Village will sell or deliver within 15 days after the date of sale of the Bonds any tax-exempt obligations other than the Bonds that are reasonably expected to be paid out of substantially the same source of funds as the Bonds.

7.3. *No Sale of the Prior Project.* (a) Other than as provided in the next sentence, neither the Prior Project nor any portion thereof has been, is expected to be, or will be sold or otherwise disposed of, in whole or in part, prior to the earlier of (i) the last date of the reasonably expected economic life to the Village of the property (determined on the date of issuance of the Bonds) or (ii) the last maturity date of the Bonds. The Village may dispose of personal property in the ordinary course of an established government program prior to the earlier of (i) the last date of the reasonably expected economic life to the Village of the property (determined on the date of issuance of the Bonds) or (ii) the last maturity of the Bonds, provided: (A) the weighted average maturity of the Bonds financing the personal property is not greater than 120 percent of the reasonably expected actual use of that property for governmental purposes; (B) the Village reasonably expects on the issue date that the fair market value of that property on the date of disposition will be not greater than 25 percent of its cost; (C) the property is no longer suitable for its governmental purposes on the date of disposition; and (D) the Village deposits amounts received from the disposition in a commingled fund with substantial tax or other governmental revenues and the Village reasonably expects to

spend the amounts on governmental programs within six months from the date of the commingling.

(b) The Village acknowledges that if property financed with the Prior Bonds is sold or otherwise disposed of in a manner contrary to (a) above, such sale or disposition may constitute a “deliberate action” within the meaning of the Regulations that may require remedial actions to prevent the Bonds from becoming private activity bonds. The Village shall promptly contact Bond Counsel if a sale or other disposition of Bond-financed property is considered by the Village.

7.4. *Purchase of Bonds by the Village.* The Village will not purchase any of the Bonds except to cancel such Bonds.

7.5. *Final Maturity.* The period between the date of Closing and the final maturity of the Bonds is not more than 10-1/2 years.

7.6. *Registered Form.* The Village recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon be exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

7.7. *First Amendment.* The Village acknowledges and agrees that it will not use, or allow the Prior Project to be used, in a manner which is prohibited by the Establishment of Religion Clause of the First Amendment to the Constitution of the United States of America or by any comparable provisions of the Constitution of the State of Illinois.

7.8. *Future Events.* The Village acknowledges that any changes in facts or expectations from those set forth herein may result in different Yield restrictions or rebate requirements from those set forth herein. The Village shall promptly contact Bond Counsel if such changes do occur.

7.9. *Records Retention.* The Village agrees to keep and retain or cause to be kept and retained sufficient records to support the continued exclusion of the interest paid on the Bonds from federal income taxation, to demonstrate compliance with the covenants in this Ordinance and to show that all tax returns related to the Bonds submitted or required to be submitted to the Internal Revenue Service are correct and timely filed. Such records shall include, but are not limited to, basic records relating to the Bond transaction (including this Ordinance and the Bond Counsel opinion); documentation evidencing the expenditure of Bond proceeds; documentation evidencing the use of Bond-financed property by public and private entities (*i.e.*, copies of leases, management contracts and research agreements); documentation evidencing all sources of payment or security for the Bonds; and documentation pertaining to any investment of Bond proceeds (including the information required under paragraphs 4.3 and 4.4 hereof and in particular information related to the purchase and sale of securities, SLGs

subscriptions, yield calculations for each class of investments, actual investment income received from the investment of proceeds, guaranteed investment contracts and documentation of any bidding procedure related thereto and any fees paid for the acquisition or management of investments and any rebate calculations). Such records shall be kept for as long as the Bonds are outstanding, plus three (3) years after the later of the final payment date of the Bonds or the final payment date of any obligations or series of obligations issued to refund directly or indirectly all or any portion of the Bonds.

7.10. Permitted Changes; Opinion of Bond Counsel. The Yield restrictions contained in paragraph 5.2 hereof or any other restriction or covenant contained herein need not be observed or may be changed if such nonobservance or change will not result in the loss of any exemption for the purpose of federal income taxation to which interest on the Bonds is otherwise entitled and the Village receives an opinion of Bond Counsel to such effect. Unless the Village otherwise directs, such opinion shall be in such form and contain such disclosures and disclaimers as may be required so that such opinion will not be treated as a covered opinion or a state or local bond opinion for purposes of Treasury Department regulations governing practice before the Internal Revenue Service (Circular 230) 31 C.F.R. pt. 10.

7.11. Excess Proceeds. Gross Proceeds of the Bonds and investment earnings thereon and all unspent Prior Bond Proceeds as of the date of Closing and investment earnings thereon do not exceed by more than one percent of the Sale Proceeds of the Bonds the amount that will be used for:

- (i) payment of principal of or interest or call premium on the Refunded Bonds;
- (ii) payment of pre-issuance accrued interest on the Bonds and interest on the Bonds that accrues for a period up to the completion date of any capital project for which the prior issue was issued, plus one year;
- (iii) payment of cost of issuance of the Bonds;
- (iv) payment of administrative costs allocable to repaying the Refunded Bonds, carrying and repaying the Bonds or investments of the Bonds;
- (v) Prior Bond Proceeds that will be used or maintained for the governmental purpose of the Refunded Bonds;
- (vi) interest on purpose investments; and
- (vii) costs of the Credit Facility allocable to the Bonds.

7.12. Successors and Assigns. The terms, provisions, covenants and conditions of this Section shall bind and inure to the benefit of the respective successors and assigns of the Board and the Village.

7.13. *Expectations.* The Board has reviewed the facts, estimates and circumstances in existence on the date of issuance of the Bonds. Such facts, estimates and circumstances, together with the expectations of the Village as to future events, are set forth in summary form in this Section. Such facts and estimates are true and are not incomplete in any material respect. On the basis of the facts and estimates contained herein, the Village has adopted the expectations contained herein. On the basis of such facts, estimates, circumstances and expectations, it is not expected that Sale Proceeds, investment earnings thereon or any other moneys or property will be used in a manner that will cause the Bonds to be arbitrage bonds within the meaning of the Rebate Provisions and the Regulations. Such expectations are reasonable and there are no other facts, estimates and circumstances that would materially change such expectations.

The Village also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Board hereby authorizes the officials of the Village responsible for issuing the Bonds, the same being the President, Village Clerk and Village Treasurer, to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest in the Bonds will be exempt from federal income taxation. In connection therewith, the Village and the Board further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Village in such compliance.

Section 16. Rights and Duties of Bond Registrar and Paying Agent. If requested by the Bond Registrar or the Paying Agent, or both, any officer of the Village is authorized to execute

standard forms of agreements between the Village and the Bond Registrar or Paying Agent with respect to the obligations and duties of the Bond Registrar or Paying Agent hereunder. In addition to the terms of such agreements and subject to modification thereby, the Bond Registrar and Paying Agent by acceptance of duties hereunder agree:

(a) to act as bond registrar, paying agent, authenticating agent, and transfer agent as provided herein;

(b) as to the Bond Registrar, to maintain a list of Bondholders as set forth herein and to furnish such list to the Village upon request, but otherwise to keep such list confidential to the extent permitted by law;

(c) as to the Bond Registrar, to cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer;

(d) as to the Bond Registrar, to furnish the Village at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(e) to furnish the Village at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

The Village Clerk is hereby directed to file a certified copy of this Ordinance with the Bond Registrar and the Paying Agent.

Section 17. Defeasance. Any Bond or Bonds which (a) are paid and cancelled, (b) which have matured and for which sufficient sums been deposited with the Paying Agent to pay all principal and interest due thereon, or (c) for which sufficient Defeasance Obligations have been deposited with the Paying Agent or similar institution having trust powers to pay, taking into account investment earnings on such obligations, all principal of and interest on such Bond or Bonds when due at maturity or as called for redemption, pursuant to an irrevocable escrow or trust agreement, shall cease to have any lien on or right to receive or be paid from the Pledged Taxes hereunder and shall no longer have the benefits of any covenant for the registered owners of outstanding Bonds as set forth herein as such relates to lien and security of the outstanding Bonds. All covenants relative to the tax-exempt status of the Bonds; and payment,

registration, transfer, and exchange; are expressly continued for all Bonds whether outstanding Bonds or not.

For purposes of this Section, “*Defeasance Obligations*” means (a) direct and general full faith and credit obligations of the United States Treasury (“*Directs*”), (b) certificates of participation or trust receipts comprised wholly of Directs or (c) other obligations unconditionally guaranteed as to timely payment by the United States Treasury.

Section 18. Continuing Disclosure Undertaking. The President, Village Clerk or Village Treasurer is hereby authorized, empowered and directed to execute and deliver a Continuing Disclosure Undertaking under Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the “*Continuing Disclosure Undertaking*”). When the Continuing Disclosure Undertaking is executed and delivered on behalf of the Village as herein provided, the Continuing Disclosure Undertaking will be binding on the Village and the officers, employees and agents of the Village, and the officers, employees and agents of the Village are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Ordinance, the sole remedies for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order, to cause the Village to comply with its obligations under the Continuing Disclosure Undertaking.

Section 19. Municipal Bond Insurance. In the event the payment of principal and interest on the Bonds is insured pursuant to a municipal bond insurance policy (the “*Municipal Bond Insurance Policy*”) issued by a bond insurer (the “*Bond Insurer*”), and as long as such

Municipal Bond Insurance Policy shall be in full force and effect, the Village and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Bond Insurer when holding Bonds, amendment hereof, or other terms, as approved by the President on advice of counsel, his or her approval to constitute full and complete acceptance by the Village of such terms and provisions under authority of this Section.

Section 20. Record-Keeping Policy and Post-Issuance Compliance Matters. It is necessary and in the best interest of the Village to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the Bonds and other debt obligations of the Village, the interest on which is excludable from “gross income” for federal income tax purposes or which enable the Village or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds (including the Bonds, the “*Tax Advantaged Obligations*”). Further, it is necessary and in the best interest of the Village that (i) the Board adopt policies with respect to record-keeping and post issuance compliance with the Village’s covenants related to its Tax Advantaged Obligations and (ii) the Compliance Officer (as hereinafter defined) at least annually review the Village’s Contracts (as hereinafter defined) to determine whether the Tax Advantaged Obligations comply with the federal tax requirements applicable to each issue of the Tax Advantaged Obligations. The Board and the Village hereby adopt the following Record-Keeping Policy and, in doing so, amend any similar Record-Keeping Policy or Policies heretofore adopted:

(a) *Compliance Officer is Responsible for Records.* The Finance Director of the Village (the “*Compliance Officer*”) is hereby designated as the keeper of all records of the Village with respect to each issue of the Tax Advantaged Obligations, and such officer shall report to the Board at least annually that he/she has all of the required records in his/her possession, or is taking appropriate action to obtain or recover such records.

(b) *Closing Transcripts.* For each issue of Tax Advantaged Obligations, the Compliance Officer shall receive, and shall keep and maintain, a true, correct and complete counterpart of each and every document and agreement delivered in connection with the issuance of the Tax Advantaged Obligations, including without limitation (i) the proceedings of the Village authorizing the Tax Advantaged Obligations, (ii) any offering document with respect to the offer and sale of the Tax Advantaged Obligations, (iii) any legal opinions with respect to the Tax Advantaged Obligations delivered by any lawyers, and (iv) all written representations of any person delivered in connection with the issuance and initial sale of the Tax Advantaged Obligations.

(c) *Arbitrage Rebate Liability.* The Compliance Officer shall review the agreements of the Village with respect to each issue of Tax Advantaged Obligations and shall prepare a report for the Board stating whether or not the Village has any rebate liability to the U.S. Treasury, and setting forth any applicable exemptions that each issue of Tax Advantaged Obligations may have from rebate liability. Such report shall be updated annually and delivered to the Board.

(d) *Recommended Records.* The Compliance Officer shall review the records related to each issue of Tax Advantaged Obligations and shall determine what requirements the Village must meet in order to maintain the tax-exemption of interest paid on its Tax Advantaged Obligations, its entitlement to direct payments by the United States Treasury of the applicable percentages of each interest payment due and owing on its Tax Advantaged Obligations, and applicable tax credits or other tax benefits arising from its Tax Advantaged Obligations. The Compliance Officer shall then prepare a list of the contracts, requisitions, invoices, receipts and other information that may be needed in order to establish that the interest paid on the Tax Advantaged Obligations is entitled to be excluded from “gross income” for federal income tax purposes, that the Village is entitled to receive from the United States Treasury direct payments of the applicable percentages of interest payments coming due and owing on its Tax Advantaged Obligations, and the entitlement of holders of any Tax Advantaged Obligations to any tax credits or other tax benefits, respectively. Notwithstanding any other policy of the Village, such retained records shall be kept for as long as the Tax Advantaged Obligations relating to such records (and any obligations issued to refund the Tax Advantaged Obligations) are outstanding, plus three years, and shall at least include:

(i) complete copies of the transcripts delivered when any issue of Tax Advantaged Obligations is initially issued and sold;

(ii) copies of account statements showing the disbursements of all Tax Advantaged Obligation proceeds for their intended purposes, and records showing the assets and other property financed by such disbursements;

(iii) copies of account statements showing all investment activity of any and all accounts in which the proceeds of any issue of Tax Advantaged Obligations has been held or in which funds to be used for the payment of principal of or interest on any Tax Advantaged Obligations has been held, or

which has provided security to the holders or credit enhancers of any Tax Advantaged Obligations;

(iv) copies of all bid requests and bid responses used in the acquisition of any special investments used for the proceeds of any issue of Tax Advantaged Obligations, including any swaps, swaptions, or other financial derivatives entered into in order to establish that such instruments were purchased at *fair market value*;

(v) copies of any subscriptions to the U.S. Treasury for the purchase of State and Local Government Series (SLGS) obligations;

(vi) any calculations of liability for *arbitrage rebate* that is or may become due with respect to any issue of Tax Advantaged Obligations, and any calculations prepared to show that no arbitrage rebate is due, together, if applicable, with account statements or cancelled checks showing the payment of any rebate amounts to the U.S. Treasury together with any applicable IRS Form 8038-T; and

(vii) copies of all contracts and agreements of the Village, including any leases (the "*Contracts*"), with respect to the use of any property owned by the Village and acquired, constructed or otherwise financed or refinanced with the proceeds of the Tax Advantaged Obligations effective at any time when such Tax Advantaged Obligations are, will or have been outstanding. Copies of contracts covering no more than 50 days of use and contracts related to Village employees need not be retained.

(e) *IRS Examinations or Inquiries.* In the event the IRS commences an examination of any issue of Tax Advantaged Obligations or requests a response to a compliance check, questionnaire or other inquiry, the Compliance Officer shall inform the Board of such event, and is authorized to respond to inquiries of the IRS, and to hire outside, independent professional counsel to assist in the response to the examination or inquiry.

(f) *Annual Review.* The Compliance Officer shall conduct an annual review of the Contracts and other records to determine for each issue of Tax Advantaged Obligations then outstanding whether each such issue complies with the federal tax requirements applicable to such issue, including restrictions on private business use, private payments and private loans. The Compliance Officer is expressly authorized, without further official action of the Board, to hire outside, independent professional counsel to assist in such review. To the extent that any violations or potential violations of federal tax requirements are discovered incidental to such review, the Compliance Officer may make recommendations or take such actions as the Compliance Officer shall reasonably deem necessary to assure the timely correction of such violations or potential violations through remedial actions described in the United States Treasury Regulations,

or the Tax Exempt Bonds Voluntary Closing Agreement Program described in Treasury Notice 2008-31 or similar program instituted by the IRS.

(g) *Training.* The Compliance Officer shall undertake to maintain reasonable levels of knowledge concerning the rules related to tax-exempt bonds (and build America bonds and tax credit bonds to the extent the Village has outstanding build America bonds or tax-credit bonds) so that such officer may fulfill the duties described in this Section. The Compliance Officer may consult with counsel, attend conferences and presentations of trade groups, read materials posted on various web sites, including the web site of the Tax Exempt Bond function of the IRS, and use other means to maintain such knowledge. Recognizing that the Compliance Officer may not be fully knowledgeable in this area, the Compliance Officer may consult with outside counsel, consultants and experts to assist him or her in exercising his or her duties hereunder. The Compliance Officer will endeavor to make sure that the Village's staff is aware of the need for continuing compliance. The Compliance Officer will provide copies of this Ordinance and the Tax Exemption Certificate and Agreement or other applicable tax documents for each series of Tax Advantaged Obligations then currently outstanding (the "*Tax Agreements*") to staff members who may be responsible for taking actions described in such documents. The Compliance Officer should assist in the education of any new Compliance Officer and the transition of the duties under these procedures. The Compliance Officer will review this Ordinance and each of the Tax Agreements periodically to determine if there are portions that need further explanation and, if so, will attempt to obtain such explanation from counsel or from other experts, consultants or staff.

(h) *Amendment and Waiver.* The procedures described in this Section are only for the benefit of the Village. No other person (including an owner of a Tax Advantaged Obligation) may rely on the procedures included in this Section. The Village may amend this Section and any provision of this Section may be waived, without the consent of the holders of any Tax Advantaged Obligations and as authorized by passage of an ordinance by the Board. Additional procedures may be required for Tax Advantaged Obligations the proceeds of which are used for purposes other than capital governmentally owned projects or refundings of such, including tax increment financing bonds, bonds financing output facilities, bonds financing working capital, or private activity bonds. The Village also recognizes that these procedures may need to be revised in the event the Village enters into any derivative products with respect to its Tax Advantaged Obligations.

Section 21. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 22. Repealer. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

Section 23. Publication of Ordinance. A full, true, and complete copy of this Ordinance shall be published within ten days after passage in pamphlet form by authority of the Board.

Section 24. Superseder and Effective Date. All ordinances, resolutions, and orders, or parts thereof, in conflict herewith, are to the extent of such conflict hereby superseded; and this Ordinance shall be in full force and effect immediately upon its passage and approval, and publication as provided by law.

Re: Village of Orland Park, Cook and Will Counties, Illinois
General Obligation Refunding Bonds, Series 2012D

Ladies and Gentlemen:

4. The Village has called the Refunded Bonds for redemption and payment prior to maturity on January __, 2013. You are hereby directed as the bond registrar and paying agent for the Refunded Bonds, as successor to Cole Taylor Bank, Chicago, Illinois (the "*Bond Registrar*"), to provide for and give timely notice of the call for redemption of the Refunded Bonds. 7.
