## Grant Application

All information and exhibits submitted with this application are true and correct to the best of my knowledge.

I understand that the Village has the right and discretion to approve or deny any project or portions thereof. If this grant is awarded to me, I agree to comply with the guidelines and procedures of the Commercial Façade Improvement Program.

The owner invites Village representatives to make all reasonable inspections, investigations and take pictures of the subject property during the processing period of this request. The owner and applicant agree to hold harmless the Village of Orland Park and its representatives of any damage to the building or personal injury that occur as a result of work funded by this grant.

## Required Submittal Documents

- ☐ One (1) original completed Appearance Improvement Grant application.
- ☐ Proof of property ownership.
  - If the property is owned, submit a copy of the latest recorded deed.
  - If the property is rented or leased, submit a letter of authorization from the owner.
  - If the property is owned by a trust, submit a certified copy of the trust agreement, a list of beneficiaries, and a letter of authorization from the trust officer.
  - If the applicant is a contract purchaser, submit a copy of the contract and a letter of authorization from the owner (seller).
- ☐ Receipted copy of the most recent tax bill for the property or evidence of at least a two-year lease.
- ☐ Copy of the title insurance policy.
- ☐ Picture/ historic picture (or copy) of the façade(s) to be improved.
- ☐ Current photo(s) of the façade and particular area(s) to be enhanced. *In digital format.*
- ☐ Brief description of the project (including description of existing conditions, type and location of improvements, and if a historical property, general methodologies for preservation/rehabilitation etc.)
- ☐ Drawings of the proposed work to scale (4 copies). Drawings may not be necessary for projects such as tuck pointing or painting. Additional copies may be required prior to Village Board meetings.
- ☐ Contractor estimates from two (2) different sources. Estimates must include only the work proposed for the façade. The estimate must include a brief description and methodology of the work to be done. Submitting a list of items is not acceptable.
- ☐ Color/material samples, if requested by staff at the pre-application meeting.

2017 - Twin Towers Chapel Re-roof Both Towers

Please submit an estimate for replacing the roof on both East & West towers, including the skirt on the West tower.

The estimate is to include:

1. Covering and protecting all bushes and plantings during work.
2. Follow all safety precautions when using lift equipment around overhead electrical wires.
3. Removing all old roofing down to the wood deck.
4. Install underlayment on all wood roof decking.
5. Install drip edge on both towers, including the skirt.
6. Install metal flashing above apron, where appropriate.
7. Install GAF Timberline HD fiberglass/asphalt shingles. The shingles to be the same type and color as those used on the chapel roof.
8. Install ridge and hip shingles.
9. Any damage to the cedar shingles is to be repaired or replaced.
10. Replace steeple caps and lightening arrestors.
11. Cleanup / haul away all debris from the roof, roof valleys, gutters and grounds.

Thanks,

*Bob Wilson*
