		Estimate is based on volume pricing and a change in quantity may increase unit price. Delivery rate stated above requires customer to receive delivery on the date offered by us and assumes delivery to the Name/Address listed above in lieu of a "Ship to" address. A change in the delivery address may result in a change of the delivery fee. Notice of delivery date is provided at least 2 days in advance, but we cannot provide an estimated time of arrival until the morning of delivery. We cannot guarantee delivery on a specific date or time unless customer pays Special Delivery Rates. If you do not receive delivery on the date or time first offered, a higher rate for special delivery will be assessed. If a large truck cannot get within 300 feet of the stocking site on a gravel, black-top or concrete surface, customer must provide a vehicle to transport the fish from our truck to the stocking site (we provide large plastic tubs for this). If, in our sole discretion, transport by such plastic tubs is not feasible (because of large orders or long distances, etc) or if customer is unable to provide transport from our truck to the stocking area, then customer will be subject to an additional charge for special delivery. Keystone Hatcheries strives to provide superior quality fish in good health. However, we cannot and do not warrant the suitability or survival of any fish. If you experience any difficulty with your purchase, contact us immediately. Keystone Hatcheries shall not be liable for any loss, damage, injury, or claim suffered by customer unless such loss, damage, injury, or claim is the direct result of a negligent or willful act of Keystone Hatcheries. In such case, damages shall be limited to the purchase price paid by customer to Keystone Hatcheries for the product. Once loaded on our truck for delivery or bagged for customer pick-up, fish may not be returned or exchanged for any reason and customer shall be responsible for the entire purchase price for such fish.		0.00
