Focus 6 Nomad Sales Quotation

1.00	CZ9	CrashZone9 - Standalone PC based software. The Crime Zone and The Crash Zone software are essentially the same program. Both programs can be used equally well to create either crash or crime scene diagrams. The Crime Zone and Crash Zone were created to fill the needs of police officers, private investigators, attorneys, and any other professionals who need to create crime and accident scene diagrams. These programs contain many special tools that allow the user to easily create accurate diagrams perfectly to scale, and will save time at the incident scene and in the courtroom. Even if you are new to computers, these programs make it easy for you to create professional looking diagrams with a minimum of effort. See http://training.cadzone.com/userdocs.aspx for more information Price includes a \$15.00 shipping and handling fee for shipping from CadZone.	\$895.00	\$895.00
1.00	MISC	Two day basic Crash Zone training. Two certified Crash Zone instructors come on site for training up to 18 people. Listed class fee does not include travel expenses. Typically, a two day basic course is then followed up by a two day advanced course at a later date. Instructors are Wisconsin State Patrol employees and Great Lakes Crash Analysis, LLC co-founders.	\$2,000.00	\$2,000.00
1.00	EWSPN-TS	Optional extended Warranty - Total Station Hardware and Field Software Maintenance -	\$890.00	\$890.00
1.00	5217-04-FLY	Optional item: BIPOD,TRB,1/2-13SS,UNIVERSAL -	\$172.95	\$172.95
1.00	SEI-TRAINING	One-Day data collection training - One-day of custom training at a Seiler facility or customer site. Price includes any travel costs as long as facility is within 250 miles of a Seiler office. Date and agenda to be determined.	Included in bundle	
1.00	SI-TNL-DISCOUNT	Law enforcement discount on Spectra items	(\$1,474.30)	(\$1,474.30)
Totals				\$13,706.50
