Joel,

Spoke with Dan McMillan about contract for next 12 months. Only changes are labor rate per hour of \$135 increase to \$141 per hour labor hour.

And labor for brake jobs increased by \$20 per axle.

These prices reflect the result of the current union contract increases in August.

All other prices remain the same...including 20% off parts and labor services

Sorry for the delay

Regards,

Ike,

Can you run this up the Rizza chain and ask if there are any changes we should know about if we were to do a follow on contract in 2022?  
I attached last year's contract.

We will have to take this to the Board for approval.

Joel
