Village of Orland Park

We are pleased to submit our estimate for

Ditch Maintenance

We are pleased to submit our estimate to supply equipment and operators to maintain approximately 900 feet of ditch at Brown Park for the price of **\$14,445.00**. Prices includes equipment with operator, mobilization in and out, service trucks, labor and supervision.

Restoration services include supervision, cost, and installation of turf seed and straw blanket for the price of **\$2,500.00**.

Trucking/Disposal – At the time of this estimate, prices for trucking are \$375.00 per load. However, due to external factors, the number and cost of loads are subject to change. Soil testing is not included in our price and all associated costs are considered the responsibility of others. For informational purposes only, our estimate for the testing of spoil is \$3,000.00. If, after testing, the spoil is found to be contaminated and transport to a special facility deemed necessary, the per-load haul off cost will increase.

**Total Cost = \$16,945.00**

Thank you for your consideration.

Sincerely,

*James R. Hering Jr.* 5/24/17

James R. Hering Jr.

Price is good for 30 days and subject to change thereafter.
