			\$71,220.00			\$44,110.00			\$ -			\$ -			\$ 45,390.00
Submitted Bid.	Did not bid since he felt the bid was too complicated for him. Did not want to deal with certificates and other stuff in the bid. He had other people calling him for pricing to bid. He decided to let his customers bid.			He	Ozinga purchased all of their block.			No other block sizes. Would have to order from different company. Would not be able to deliver until spring.			Did not have the inventory to bid on the project.
