Thank you for considering Samsara

The Samsara platform provides real-time visibility, AI safety programs, and powerful analytics that enable customers to increase the safety, sustainability, and efficiency of their operations. A solution for your business is proposed below.

What is included?

Samsara's connected operations solution may include cellular gateways, hardware accessories, and a per-gateway license. Licenses provide all ongoing elements of the service, including:

- Real-time sensor data
- Cellular data connectivity
- Access to the Samsara Dashboard and mobile apps
- Over-the-air software updates and firmware upgrades
- API access for integration with 3rd party systems as they relate to your licenses
- Support and maintenance for Samsara Products
- Access to training resources

Wifi Data Usage

The Enterprise Vehicle Gateway License (LIC-VG-ENT) includes up to 500MB per month of WiFi data. No other Vehicle Gateway license includes WiFi data, unless identified otherwise in this Order Form together with the magnitude of data included. Connectivity between the Vehicle Gateway and Samsara Services does not count towards the monthly WiFi data provision. Samsara reserves the right to limit access to personal entertainment streaming services. Data usage above the monthly threshold may result in the reduction of connection speeds, the restriction of connectivity, the interruption of connectivity, or some combination thereof. Restriction or interruption of connectivity will not impact the function of HOS Logs. Customer may track data usage from the Gateways page within the Settings section of the Samsara dashboard.

Payment Terms

This order form includes a license fee for the Samsara Software associated with the Hardware to be paid annually and, if applicable, a one-time Hardware cost to be paid upfront. The annual fees are payable by recurring wire transfer. All transfers are subject to a 3% processing fee unless the wire transfer is initiated by Samsara via ACH, in which case the 3% processing fee will be waived. Late payments are subject to a 1.5% per month late fee. If license payments are delinquent by 60 days, Samsara may suspend the Service until late payments are remitted.

License Term

The license term begins on the day your Samsara Hardware ships. If you wish to continue using the Samsara Software when your license term ends, you may renew your license. Samsara Hardware requires a valid license to function.

Samsara may ship Hardware under this Order Form subject to a schedule as mutually agreed between the Parties or as determined by Samsara. The Samsara Software license term for each Hardware device will start on the day that device ships regardless of the shipment schedule for the other Hardware devices. If all Hardware is shipped in one shipment, the license term for all Hardware will be the full license term under this Order Form. If Hardware is shipped in multiple shipments, only the license term of Hardware in the initial shipment will be as such a full license term. The license term of the remaining Hardware shipped after the initial shipment will be set to match the then-remaining license term of the initial shipment, so that the license term for all Hardware under this Order Form expires on the same date. The total cost of the licenses for Hardware shipped after the initial shipment will be pro-rated based on their actual license term, rounded up to the nearest month, as compared to the full license term under this Order Form. Certain payment amounts under this Order Form assume that the entire order is fulfilled at the same time, and are subject to potential reduction based on the actual schedule of order fulfillment.

Support and Warranty

Samsara stands behind its Products. Hardware Products that require a valid license to function come with a warranty that lasts as long as you maintain a valid license for such Hardware. All other Hardware Products, such as accessories, come with a one-year warranty, unless otherwise specified on the relevant Samsara data sheet. During the warranty period, Hardware exhibiting material defects will be replaced. For more information, see our Hardware Warranty & RMA policy at www.samsara.com/support/hardware-warranty. Additional support information can be found at www.samsara.com/support.

Unless otherwise set forth herein, your use and access of the Hardware, Products, and Services specified herein are governed by Samsara's terms of service found at <https://www.samsara.com/terms-of-service>, unless the Parties have entered into a separate terms of service agreement and/or a separate terms of service agreement is attached to this Order Form, in which case such separate terms of service agreement shall govern (the 'Terms of Service').
