SECTION 3

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds, in relation to the proposed amended special use permit for a place of worship as follows:

A. The Subject Property contains approximately 32.0 acres and is located within the Village, at the southeast corner of 159th Street and Wolf Road. The Subject Property is of the type contemplated in Section 6-201(c) of the Code and is being developed in accordance with a site plan best suited for the Subject Property. The plan is to develop the Subject Property for an addition to the existing place of worship (Ashburn Baptist Church) for use as a teen center under the under the E-1 Estate Residential Zoning classification, with an amended special use for a place of worship.

B. The proposed amended special use will be consistent with the purpose, goals, objectives, and standards of the Comprehensive Plan, any adopted overlay plans and the Land Development Code. The Comprehensive Plan designates this Subject Property as Community & Institutional in the Centennial Planning District.

C. The proposed amended special use will be consistent with the character of the immediate vicinity of the Subject Property. To the north (across 153rd Street) and to the west (across the Wolf Road) is vacant and open space (Doctor East parcel) respectively, to the south is a single family residential subdivision zoned R-3 Residential (Fawn Creek) and to the east is single family residential zoned R-3 Residential (Ashburn Point).

D. The proposed use of the Subject Property creates no adverse effects, including visual impacts, on adjacent properties. The proposed special uses will not adversely affect the value of adjacent property.

E. The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police and fire protection, hospital and medical services, drainage systems, refuse disposal, water and sewers, will be capable of serving the Subject Property at an adequate level of service. Adequate measures have been or will be taken to provide ingress and egress so designed to minimize traffic congestion in the public streets. The entrances and exits will comply with all applicable requirements, and internal traffic is adequately provided for.

F. Petitioner has made adequate legal provision, to guarantee the provision and preservation of all open spaces designated on the site plan and other improvements associated with the Subject Property development.

G. The proposed use will not adversely affect a known archaeological, historical or cultural resource.

H. The proposed amended special use shall comply with all additional standards imposed on it by all other applicable requirements of the ordinances of the Village.
