

ORDINANCE GRANTING A SPECIAL USE PERMIT – CHICAGO TASTE GYROS (15880 SOUTH WOLF ROAD)

WHEREAS, an application seeking a special use permit for certain real estate, as set forth below, has been filed with the Village Clerk of this Village and has been referred to the Plan Commission of this Village and has been processed in accordance with the Land Development Code of the Village of Orland Park, as amended; and

WHEREAS, the Plan Commission of this Village held a public hearing on February 9, 2010, on whether the requested special use permit should be granted, at which time all persons present were afforded an opportunity to be heard; and

WHEREAS, a public notice in the form required by law was given of said public hearing by publication not more than 30 days nor less than 15 days prior to said hearing in the Orland Park Prairie, a newspaper of general circulation in this Village; and

WHEREAS, the Plan Commission of this Village has filed its report of findings and recommendations that the requested special use permit be granted with this President and Board of Trustees, and this Board of Trustees has duly considered said report and findings and recommendations;

NOW THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1

The report of the Plan Commission of this Village is herein incorporated by reference, as completely as if fully recited herein. All exhibits submitted at the aforesaid public hearing are also incorporated by reference into this Ordinance. The Board of Trustees find that the proposed special use is in the public good and in the best interests of the Village and its residents, and is consistent with and fosters the purposes and spirit of the Land Development Code of the Village of Orland Park, as set forth in Section 1-102 thereof.

SECTION 2

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds in relation to the special use permit for a restaurant in the BIZ General Business District as follows:

(a) The Subject Property is located at 15880 South Wolf Road in the existing County West Plaza strip center. The proposal is to place a restaurant at this location, with carry out service only, in a 2,200 square foot unit of the 2.4-acre site and within 330 feet of residential property to the west.

(b) The Subject Property is zoned BIZ General Business District within the Village of Orland Park, Cook and Will Counties, Illinois. The Petitioner, Robin Naser, is seeking a special use permit to operate the restaurant on the Subject Property.

(c) The proposed special use will be consistent with the character of the immediate vicinity of the Subject Property. The property to the north of the proposed restaurant location is zoned BIZ General Business District and contains a car wash. Property to the south is zoned BIZ General Business District and contains a bank. Property to the east is vacant and has been approved for commercial development in the BIZ General Business District. Property to the west is in unincorporated Cook County and contains single family residential properties. The proposed restaurant will be compatible with these surrounding uses. The strip center includes other commercial uses and the restaurant is compatible with those. No exterior changes to the existing building are proposed other than a new wall sign.

(d) The proposed special use is consistent with the purposes, goals, objectives and standards of the Comprehensive Plan, any adopted overlay plan and the Land Development Code of the Village of Orland Park. The Comprehensive Plan designates this site as Planned Mixed use Commercial/Residential. A restaurant is appropriate in such an area.

(e) The design of the proposed special use will minimize any adverse effects, including visual impacts, on adjacent properties. Because the use is entirely indoors, in an existing building, there will be no visual impact except for a sign, which will conform to the Village's sign code. The retail center is designed to accommodate uses like this and contains a landscape buffer between the strip center and residential properties at the rear of the building. Parking is adequate in the center so there will be no impact on accessibility to adjacent properties. There will be no adverse effect on the value of adjacent property.

(f) The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police protection, hospital and medical services, drainage systems, refuse disposal, water and sewers, and schools will be capable of serving the special use at an adequate level of service. County West Plaza is generally located at the intersection of 159<sup>th</sup> Street and Wolf Road. Access to the site is available from a curb cut on Wolf Road and two curb cuts on 159<sup>th</sup> Street.

(g) The Petitioner has made adequate legal provisions to guarantee the provision and development of any open space and other improvements associated with the proposed development.

(h) The development will not adversely affect a known archaeological, historical or cultural resource.

(i) The special use as granted shall in all aspects conform to the applicable regulations of the Land Development Code of the Village of Orland Park as amended, for the district in which it is located as well as all applicable regulations and ordinances of the Village, unless specifically addressed in this or another Ordinance.

2. That Petitioner comply with all Building and Health Code requirements; and
