Johnlawler@mac.com

Entrepreneur with MBA looking for new challenges and the opportunity to make a lasting impact using skills acquired as an independent trader. Expertise in analyzing real-time market data and fundamentals to mitigate risk and maximize profit in the highly volatile futures markets and the ever-changing real estate market. Looking to leverage unique mix of experience and education to provide value to an organization while expanding my knowledge base.

Work Experience:

Self-Employed Commodity Trader (1997-2001, 2003-2017)
Chicago Mercantile Exchange, Chicago, IL

- Actively traded agricultural commodities with primary focus in the live cattle and feeder cattle contracts
- Analyzed data from several sources (USDA, CFTC, NWS) to devise cohesive long and short term strategies.
- Made real time strategy adjustments to manage risk.

Self-Employed Residential Appraiser, Illinois (2016-Present)

- Inspection and valuation of residential properties for financial institutions.
- Performed market analysis and in-depth research to identify current market conditions and mitigate risk for lenders or speculators.
- Proficient using MRED and Total software.

Self-Employed Real Estate Developer, Illinois (2006-Present)

- Acquisition and development of residential properties with the goal to maximize personal profit.
- Actively involved in all phases of residential development including, research, architectural design, zoning and planning, construction, and sales.
- Total real estate portfolio in excess of \$3,500,000.

Quality Assurance Analyst, Business Analyst (2001-2003)
Intercontinental Exchange - Atlanta, GA

- Educated the QA department on trading of futures and option contracts.
- Developed testing procedures and plans to ensure bug free trading software.
- Provided second level support to customers experiencing software issues that first level operations could not solve.
- Worked with customers and developers to build new trading software front ends and algorithms.

Education:

- MBA, Finance, DePaul University, Kellstadt Graduate School of Business, Chicago, IL
- The Appraisal Institute, Certified Trainee Appraiser, Chicago, IL
- Bachelor's Degree, History, University of Illinois/Chicago, Chicago, IL

Other:

- Illinois Certified Trainee Residential Appraiser
- Athletic Coordinator SSC School league 2011-2017
