## **PARKS AND RECREATION**

### **2013-0472 153rd Street Metra Railroad Car Painting Quote**

Park's Division Director reported that due to weather and aging, the caboose and boxcar located at the 153rd Street Metra station are in need of paint and repair.

Three quotes were received: Celtic Commercial Painting LLC submitted a quote to paint both at a cost of \$7,420 (caboose - \$4,140 and boxcar - \$3,280), Rich Ternes (both cars for \$9,720), and Professional Decorators, Inc. at a cost of \$8,660 (boxcar - \$4,975 and caboose - \$3,685).

The Building Maintenance Department will repair the windows and doors. This is a necessary but non-budgeted repair.

President McLaughlin asked if these repairs were the beginning of a restoration of these train cars.

Director Stec stated that for now the caboose and boxcar will be repaired and given a much needed paint job similar to their current color. To do a restoration on the two train cars would cost as much as \$50,000. A restoration of these two train cars is something that will be researched and done in the future.

## FINANCE

### 2013-0559 PerfectForms System Renewal - Approval

PerfectForms is cloud-based service used by the Village last year to provide residents the ability to submit their property tax rebate applications and supporting documentation over the Internet. The system's core functionalities includes the capability to build custom web forms with intelligent behaviors and workflow applications. Examples of the features that were built into the tax rebate application include lookup and validation of property index and utility account numbers, dispatching of email to both the applicant and internal staff, and internal routing of applications for verification and approval.

The cost of the annual license is \$4,500. There are additional charges for hosting the data files from which the lookups are performed, for one additional user license, and for additional storage space so that residents can attach their supporting documentation. The total cost for the renewal of the system is \$7,035.

I move to approve the annual renewal of PerfectForms system at a cost not to exceed \$7,035.

### 2013-0520 FY2013 Residential Property Tax Rebate - Ordinance

Beginning with FY2002 (checks mailed in March 2003) thru FY 2012 (checks mailed in March 2013), the Village issued residential property tax rebates for 8 of the 11 years in the total amount of approximately \$30.07 million. Due to the economic downturn and the effects this had on the Village's home rule sales tax revenues, as well as the significant amount of funding needed for various capital projects that the Village was undertaking, the Village suspended the residential property tax rebate program for FY2009, FY2010 and FY2011.

Recently, the Board requested that staff determine if there is any funding available so that the Village could once again provide for a rebate in FY2013. Staff has identified funding in the amount of approximately \$2.28 million that could be used to fund the rebate program. This funding comes from a number of items, as reflected on the attached schedule. A significant amount of the funding comes from savings on various capital projects that have recently been completed by the Village; other funding comes from delaying certain projects. Based upon the amount identified as available, staff recommends a rebate in the total amount not to exceed \$2.2 million. Residents would receive the rebate in March 2014.

For the proposed rebate cycle, the Board has chosen to evenly divide the total rebate amount amongst all applicants. Based upon this allocation method, holding constant the number of applicants, a total rebate of \$2.2 million will provide for a rebate amount of approximately \$137.50 per household.

Attached to the Board packet was the ordinance that would establish the FY2013 property tax rebate program in an amount of \$2.2 million. The ordinance provides for a rebate of 2012 real estate property taxes paid by residential taxpayers in 2013.

The option to electronically submit an application will once again be available. Residents will also have the option of having their rebate credited to their water billing account. Residents will receive a postcard with application instructions in late October or early November. As in past years, staff will set up a Tax Rebate Phone Line that applicants can call if they have any questions related to the rebate program. In addition, staff will establish an e-mail address that applicants can send questions to. We will also have a list of frequently asked questions listed on the Tax Rebate section of the Village's website. Rebate checks will be mailed approximately the week of March 17, 2014 to the homeowner living at the address for which the real estate property taxes were paid.

A spreadsheet of budget adjustments necessary to fund the residential property tax rebate program in FY2013 was attached to the Board packet. The proposed rebate is \$2.2 million; \$88,000 is also being requested to cover the cost of rebate program operations. The funding sources for the rebate program consist of excess fund balance in the Home Rule Sales Tax Fund over and above Board approved reserves in the amount of \$167,000, projects budgeted in FY2013 that will have savings in the amount of \$1,045,900 and savings from projects that will be postponed for one or more fiscal years in the amount of \$1,075,000. Overall, the reinstatement of the rebate program will require a decrease in total budgeted revenues in the amount of \$1,468,652 and a decrease in total budgeted expenditures in the amount of \$1,305,028.

I move to pass Ordinance Number 4842, entitled: AN ORDINANCE PROVIDING FOR REIMBURSEMENT OF \$2.2 MILLION OF THE VILLAGE SHARE OF REAL ESTATE PROPERTY TAXES PAID BY OWNER-OCCUPANTS OF RESIDENTIAL REAL ESTATE IN THE VILLAGE OF ORLAND PARK;

And

To approve distributing the \$2.2 million rebate evenly amongst all applicants;

And

To approve decreasing the FY2013 revenue budget by \$1,468,652 and decreasing the FY2013 expenditure budget by \$1,305,028.

**A motion was made by Trustee Dodge, seconded by Trustee Gira, that this matter be PASSED. The motion carried by the following vote:**

**Aye:** 6 - Trustee Fenton, Trustee Dodge, Trustee Schussler, Trustee Gira, Trustee Griffin Ruzich, and President McLaughlin

**Nay:** 0
