Dear Chief Rossi:

I wish to inform you that I am retiring from my position as Assistant Support Services Manager/ESDA Coordinator. My last day worked will be August 30, 2024.

I'd like to take the opportunity to thank you and every member of the department for providing me with the knowledge, guidance and experiences that have helped me become the person I am today. Further, I'd like to thank the Mayor and entire Village Board, Village Manager and all of the department directors. It was always a pleasure working hand in hand with those individuals, ensuring village residents received the excellent services Orland Park has to offer.

This decision does not come lightly, however, I feel that it's right for my future and the future of my family. I will always call Orland Park my home. I will remain available to aid through any transition process the department undertakes in filling the vacant position.

Sincerely,

Richard Miller
