Explain how your purchase of goods or services meets one or more of the above criteria for a valid sole source

Public Works crews responded to a sinkhole that formed in the driveway to the FLC parking lot. The initial investigation showed that the sinkhole formed over the CPM. The sink hole in the drive took 2 full loads of a 1 ton dump truck to fill in and make it safe for vehicle traffic. The site has continued to settle and lose dirt and stone under the road and a permanent repair will need to be made.

Price Reasonableness

I determined that the price is reasonable for one of the following reasons:

Relevant documentation attached

- I compared the proposed price to prices I previously paid for the same or similar services.
- I compared the proposed price to current published catalog, price lists, or market prices as documented in the attachments.
- I compared the proposed price to rough yardsticks and did not discover significant inconsistencies that warrant additional inquiry.
- Based on my knowledge of the market, my experience of prior similar proposals, or knowledge imparted by technical experts.
- The price is set by law or regulations.
- Market research reveals that same or similar goods or services are available for a similar price.

Section 2 - Purchasing Authorization - (Section 1 of this form must be completed)
