Re: West Ave Street Light Control Cabinet

We have visited the site and are pleased to provide the following quote for a new street light control cabinet.

We will furnish labor, equipment and materials to install one roadway street lighting cabinet from manufacturer and install same on existing concrete base.

VOP to request temporary disconnect from Comed.

Quote is based on existing concrete base and street light cables in good order and existing cabinet being readily removable.

All areas to be kept broom clean.

ALL WORK WILL BE ACCEPTABLE TO THE VILLAGE OF ORLAND PARK.

Edward Electric will furnish all labor, equipment, and materials to perform the above work for the sum of \$6875.00.

Sincerely,

Steven Passarelli  
President  
The Edward Electric Co
