Other reference information

Recently One Step, Inc. helped rebrand the Dolton West School District 148. Our graphic artist (Michelle Ojermark, who is the lead designer for Frankfort School District) created new mascot logos for 4 of the 7 schools, which were then printed & installed as 4 ft. wall graphics. Each school logo, K through 8, surrounds the main conference area on the walls in the district office. The new District 148 logo was installed in the lobby, on the outer glass entrance door, and conference room window. We also created a "Board of Education" tribute wall, complete with photographs of each member. Inspirational messages will be installed in the hallways during Q1 of 2021. We also replaced the vehicle graphics on their fleet of vehicles, and presented each school with logo mats for their main entrances. New branded tee shirts were given to district employees, and each school received branded face masks for each student and employee with the corresponding school's colors and new logos. Our print production team reprinted all of their office materials and business cards, and provided the annual wall calendar/student handbook, as well as desktop calendar pads for all district employees and individual school administrators. Last year's graduates were presented lawn signs, and various promotional items (such as branded stress relief baseballs) were handed out to the students.
