ORDINANCE GRANTING A SPECIAL USE FOR PLANNED DEVELOPMENT –
NINETY 7 FIFTY ON THE PARK

.. B

WHEREAS, an application seeking a special use for planned development for certain real estate, as set forth below, has been filed with the Village Clerk of this Village and has been referred to the Plan Commission of this Village and has been processed in accordance with the Land Development Code of the Village of Orland Park, as amended; and

WHEREAS, the Plan Commission of this Village held a public hearing on August 9, 2011 on whether the requested special use permit should be granted, at which times all persons present were afforded an opportunity to be heard; and

WHEREAS, a public notice in the form required by law, was given of said August 9, 2011, public hearing by publication not more than thirty (30) days nor less than fifteen (15) days prior to said hearing in the Orland Park Prairie, a newspaper of general circulation in this Village; and

WHEREAS, the Plan Commission of this Village has filed with this President and Board of Trustees its report of findings and recommendations that the requested special use for planned development be granted, and this Board of Trustees has duly considered said report and findings and recommendations;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1

The Plan Commission has made its report of findings and recommendations, and such are hereby adopted by reference as findings of this President and Board of Trustees as fully as if completely set forth at length herein. All exhibits submitted at the aforesaid public hearing are also incorporated by reference into this Ordinance. This President and Board of Trustees find that the proposed special use for planned development is in the public good and in the best interests of the Village and its residents, is consistent with the Comprehensive Plan of the Village, and is consistent with and fosters the purposes and spirit of the Land Development Code of the Village of Orland Park, as set forth in Section 1-102 thereof.

SECTION 2

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds in relation to the special use permit for planned development as follows:

(a) The Subject Property is located within the Village of Orland Park in Cook County, at the northeast corner of 143rd Street and Main Street and is zoned VCD Village Center District. It is a 3.45-acre site.

(b) Specifically, Petitioner, Metra Triangle FC, LLC, propose to construct a multi-story, mixed use building of over 50,000 square feet that will include 295 residential units, 365 structured parking spaces, 4,000 square feet of retail space, 8,600 square feet of residential amenity space and two outdoor courtyards.

(c) Petitioner also requests several modifications. The first modification is to reduce the 143rd Street setback from fifteen feet (15') to five feet, nine inches (5'9"). This modification is acceptable due to the location of the Subject Property in the downtown area and the 143rd Street improvements, which include enhanced pedestrian areas and a landscaped boulevard. The second modification is to reduce the required parking from 458 spaces to 365 spaces. This modification is requested due to the access to transit, the available public on-street parking and the nearby Metra lot which is available nights and weekends. In addition, if parking becomes an issue, the Village will require future phases of the development to construct additional parking to accommodate the demand.

(d) Granting the requested modifications will enhance the ability of the proposed special use to meet the general standards for all special uses set out in Section 5-105(E) of the Land Development Code.

(e) The proposed special use for planned development is consistent with the character of the immediate vicinity of the Subject Property. The surrounding property is zoned OS Open Space District to the north where Crescent Park is located; VCD Village Center District to the south, east and west. The property to the south contains commercial uses and the property to the west is vacant.

(f) The special use is consistent with the purposes, goals, objectives and standards of the Comprehensive Plan, any adopted overlay plan and the Land Development Code of the Village of Orland Park. The Comprehensive Plan designates this site as Planned Mixed Use Residential/Commercial. The proposed use is a transit-oriented development with a mix of residential, retail and open space that will be consistent with this designation. It also conforms with the development principles for the Village Center District.

(g) The design of the proposed special use will minimize any adverse effects, including visual impacts, on adjacent properties. It has been designed to provide foundation landscaping, parkway design and architectural features to provide a pleasant pedestrian experience and to further minimize any potential adverse impacts on adjacent properties. In addition, the buildings have a strong architectural identity and attractive street facades.

(h) The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police protection, hospital and medical services, drainage systems, refuse disposal, water and sewers, and schools will be capable of serving the special use at an adequate level of service. The Ravinia Avenue extension

will provide primary access to the site and the construction of 143rd Street and its intersection improvements will also benefit the Subject Property.

(i) The Petitioner has made adequate legal provisions to guarantee the provision and development of any open space and other improvements associated with the proposed development.

(j) The development will not adversely affect a known archaeological, historical or cultural resource.

(k) The special use as granted shall in all aspects conform to the applicable regulations of the Land Development Code of the Village of Orland Park as amended, for the district in which it is located as well as all applicable regulations and ordinances of the Village, unless specifically addressed in this or another Ordinance.

SECTION 3

Subject to the conditions below, a special use permit for planned development in the VCD Village Center District is hereby granted and issued to Metra Triangle FC, LLC for multi-story, mixed use building of over 50,000 square feet that will include 295 residential units, 365 structured parking spaces, 4,000 square feet of retail space, 8,600 square feet of residential amenity space and two outdoor courtyards to be located on property legally described as:
