It is expressly understood and agreed that the foregoing indemnification provisions shall survive the termination of this Agreement.

ARTICLE 10: SUBCONTRACTS AND ASSIGNMENTS

Contractor shall not subcontract, assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or, without the express written consent of the Village. The absence of such provision or written consent shall void the attempted subcontract, assignment, delegation or transfer and shall be of no effect as to the services or this Agreement.

All subcontracts and any assignments are subject to approval by the Village. All subcontractors or assignments shall be, regardless of their form, deemed conditioned upon performance by the subcontractor or assignee in accordance with the terms and conditions of this Agreement including, without limitation, all insurance requirements; and if any subcontractor or assignee shall fail to observe or perform the terms and conditions of this Agreement to the satisfaction of the Village, the Village shall have the absolute right, upon written notification, to rescind approval forthwith and to require the performance of this

Agreement by Contractor personally or through any other approved subcontractor or assignee. Any approval for the use of sub-contractors or of assignees in the performance of the services under this Agreement shall under no circumstances operate to relieve Contractor of any of its obligations or liabilities hereunder.

Contractor, upon entering into any agreement with a subcontractor, shall furnish the Village with three (3) copies thereof. All subcontracts shall contain provisions that require the services to be performed in strict accordance with the requirements of this Agreement and shall provide that the subcontractors are subject to all the terms of this Agreement and shall include any provisions that the Village determines are appropriate. Provided that such Agreements do not prejudice any of the Village's rights under this Agreement, such agreements may contain different provisions that are provided herein with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the services.

The Contractor shall provide a conditional assignment acceptable in form and content to the Village to each of its subcontractors, which the Contractor shall sign and shall cause the subcontractor to sign, original copies of which shall be provided to the Village.

The Village reserves the right to assign or otherwise transfer all or any part of its interests hereunder.

ARTICLE 11: PUBLICITY

The Contractor shall not post any signs, plaques or other identification of its services in, on or adjacent to the Buildings without the prior written approval of the Village.

ARTICLE 12: REQUESTS FOR RECORDS

In the event Contractor or any subcontractor is presented with a request for any documents or information by any administrative agency or with a subpoena regarding any records, data, or documents related to this Agreement or the Buildings, Contractor or such subcontractor shall immediately give notice to the Village with the understanding that the Village shall have the opportunity to contest such process by any means available to it before such records, data or documents are submitted to a court or other third party, provided, however, that Contractor shall not be obligated to withhold such delivery beyond that time as may be ordered by any court or administrative agency, unless the subpoena is quashed or the time to produce is otherwise extended.

Contractor shall perform all services in accordance with the terms and conditions of this Agreement and to the satisfaction of the Village. Contractor agrees to furnish efficient business administration and supervision to render and complete the services at reasonable cost.

Any review, approval, acceptance or payment for any and all of the services by the Village shall not relieve Contractor of its responsibility to perform the services as required by this Agreement and for the professional and technical accuracy of its services and documents. This Article in no way limits the Village's rights against Contractor either under this Agreement, at law or in equity.

ARTICLE 15: NONDISCRIMINATION

Contractor shall comply with all applicable federal, state and local nondiscrimination laws, rules and regulations.

ARTICLE 16: TIME OF ESSENCE

Contractor shall use its best efforts to provide services and documents within the time limits required under this Agreement and as requested by the Village. ARTICLE 17: NO DAMAGES FOR DELAY

The Contractor agrees that neither it, nor any subcontractors shall make any claims against the Village for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the Village in the performance of the Contractor's services. The notice by Contractor shall include a description of the reasons for the delay and the steps Contractor has taken or will take to mitigate the schedule effects of the delay. By permitting Contractor to proceed with its services, or any part of them, after an extension, the Village in no way waives any right under this Agreement, at law or in equity.

ARTICLE 22: INDEPENDENT SUBCONTRACTOR

The Contractor agrees that it is acting as an independent contractor in performing under this Agreement and nothing herein is intended or should be construed as in any way creating or establishing the relationship of partners or joint venturers between the Village and the Contractor, or as constituting the Contractor or any officer, owner, employee or agent of the Contractor as an agent, representative or employee of the Village for any purpose or in any manner whatsoever; provided, however, that when Contractor procures goods or services to perform this Agreement pursuant to the provisions of ARTICLE 1 and Exhibit "A" of this Agreement, it shall be deemed to be acting in a fiduciary capacity for the Village and shall be held to a fiduciary standard in performing such duties.

EQUAL EMPLOYMENT OPPORTUNITY

Section I. This EQUAL EMPLOYMENT OPPORTUNITY CLAUSE is required by the Illinois Human Rights Act and the Rules and Regulations of the Illinois Department of Human Rights published at 44 Illinois Administrative Code Section 750, et seq.

Section II. In the event of the Contractor's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Human Right Act, or the Rules and Regulations for Public Contracts of the Department of Human Rights (hereinafter referred to as the Department) the Contractor may be declared non-responsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this agreement may be canceled or avoided in whole or in part, and such other sanctions or penalties may be imposed or remedies involved as provided by statute or regulation.

During the performance of this Agreement, the Contractor agrees:

A. That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or ancestry; and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.

B. That, if it hires additional employees in order to perform this Agreement, or any portion hereof, it will determine the availability (in accordance with the Department's Rules and Regulations for Public Contracts) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.

C. That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, marital status, national origin or ancestry, age, or physical or mental handicap unrelated to ability, or an unfavorable discharge from military service.

D. That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Vendor's obligations under the Illinois Human Rights Act and Department's Rules and Regulations for Public Contract.

E. That it will submit reports as required by the Department's Rules and Regulations for Public Contracts, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and Department's Rules and Regulations for Public Contracts.

F. That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and Department for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and Department's Rules and Regulations for Public Contracts.

G. That it will include verbatim or by reference the provisions of this Equal Employment Opportunity Clause in every subcontract it awards under which any portion of this Agreement obligations are undertaken or assumed, so that such provisions will be binding upon such subcontractor. In the same manner as the other provisions of this Agreement, the Vendor will be liable for compliance with applicable provisions of this clause by such subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply therewith. In addition, the Vendor will not utilize any subcontractor declared by the Illinois Human Rights Department to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

Section III. For the purposes of subsection G of Section II, "subcontract" means any agreement, arrangement or understanding, written or otherwise, between the Vendor and any person under which any portion of the Vendor's obligations under one or more public contracts is performed, undertaken or assumed; the term "subcontract", however, shall not include any agreement, arrangement or understanding in which the parties stand in the relationship of an employer and an employee, or between a Vendor or other organization and its customers.
