Price Reasonableness     I determined that the price is reasonable for one of the following reasons:   Relevant documentation attached     I compared the proposed price to prices I previously paid for the same or similar services.   I compared the proposed price to current published catalog, price lists, or market prices as documented in the attachments.     I compared the proposed price to rough yardsticks and did not discover significant inconsistencies that warrant additional inquiry.     Based on my knowledge of the market, my experience of prior similar proposals, or knowledge imparted by technical experts.     The price is set by law or regulations.     Market research reveals that same or similar goods or services are available for a similar price.
