

ORDINANCE GRANTING AN AMENDMENT TO A SPECIAL USE FOR PLANNED DEVELOPMENT – LAGRANGE RETAIL DEVELOPMENT (PDQ RESTAURANT – 15610 LAGRANGE ROAD)

WHEREAS, an application seeking an amendment to a special use for planned development for certain real estate with a modification, as set forth below, has been filed with the Village Clerk of this Village and has been referred to the Plan Commission of this Village and has been processed in accordance with the Land Development Code of the Village of Orland Park, as amended; and

WHEREAS, the Plan Commission of this Village held a public hearing on October 10, 2017, on whether the requested amendment to a special use permit should be granted, at which time all persons present were afforded an opportunity to be heard; and

WHEREAS, a public notice in the form required by law, was given of said October 10, 2017 public hearing by publication not more than thirty (30) days nor less than fifteen (15) days prior to said hearing in the Orland Park Prairie, a newspaper of general circulation in this Village; and

WHEREAS, the Plan Commission of this Village has filed with this President and Board of Trustees its report of findings and recommendations that the requested amendment to a special use for planned development be granted, and this Board of Trustees has duly considered said report and findings and recommendations;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1

The Plan Commission has made its report of findings and recommendations, and such are hereby adopted by reference as findings of this President and Board of Trustees as fully as if completely set forth at length herein. All exhibits submitted at the aforesaid public hearing are also incorporated by reference into this Ordinance. This President and Board of Trustees find that the proposed amendment to a special use for planned development is in the public good and in the best interests of the Village and its residents, is consistent with the Comprehensive Plan of the Village, and is consistent with and fosters the purposes and spirit of the Land Development Code of the Village of Orland Park, as set forth in Section 1-102 thereof.

SECTION 2

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds in relation to the amendment to a special use permit for planned development as follows:

(a) The Subject Property is located within the Village of Orland Park in Cook County, at 15610 S. La Grange Road and is zoned COR Mixed Use Core District. It is an approximately 0.82-acre site.

(b) The Subject Property is the subject of Special Use Ordinance No. 5266, which approved the LaGrange Retail planned development.

(c) Specifically, Petitioner, PDQ and LFI, Inc., propose to construct an approximately 3,500 square foot restaurant building on a 35,623 square foot lot, which is Lot 3 of the 15610 LaGrange Retail Development, with a drive-through facility.

(d) Petitioner also requests a modification to move the dumpster to a location behind the restaurant building as depicted in the original plans submitted to the Village on June 19, 2017. This modification will not negatively impact neighboring property owners because it is on an interior lot line of the planned development behind the restaurant building.

(e) Granting the requested modification will enhance the ability of the proposed special use to meet the general standards for all special uses set out in Section 5-105(E) of the Land Development Code.

(f) The proposed amended special use for planned development is consistent with the character of the immediate vicinity of the Subject Property. The surrounding property to the north and west is zoned COR Mixed Use District and is the 15610 LaGrange Retail Development, with parking and a future retail facility to the west and Miller's Ale House and Chuy's Mexican Restaurant to the north. Lakeview Plaza shopping center is to the south and restaurants and retail businesses are located to the east across LaGrange Road (U.S. Route 45). A restaurant is an enumerated special use in the COR District, and amending Ordinance 5266 to allow for the restaurant use is consistent with these surrounding uses.

(g) The amendment to a special use is consistent with the purposes, goals, objectives and standards of the Comprehensive Plan, any adopted overlay plan and the Land Development Code of the Village of Orland Park. The Comprehensive Plan designates this site as Regional Mixed-Use. The restaurant building will be consistent with this designation. There will be adequate parking and landscaping.

(h) The design of the proposed amended special use will minimize any adverse effects, including visual impacts, on adjacent properties. The restaurant building has been designed to blend in with the restaurants being constructed and the planned retail facility and to incorporate green space and landscaping to further minimize any potential adverse impacts on adjacent properties.

(i) The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police protection, hospital and medical services,

drainage systems, refuse disposal, water and sewers, and schools, will be capable of serving the amended special use at an adequate level of service.

(j) The Petitioner has made adequate legal provisions to guarantee the provision and development of any open space and other improvements associated with the proposed development.

(k) The development will not adversely affect a known archaeological, historical or cultural resource.

(l) The amended special use as granted shall in all aspects conform to the applicable regulations of the Land Development Code of the Village of Orland Park as amended, for the district in which it is located as well as all applicable regulations and ordinances of the Village, unless specifically addressed in this or another Ordinance.

SECTION 3

Subject to the conditions below, an amendment to a special use permit for planned development in the COR Mixed Use Core District, originally granted by Ordinance No. 5266 is hereby granted and issued for an approximately 3,500 square foot restaurant, with a drive-through facility, to be located on property legally described as:
