

A RESOLUTION OPPOSING REDUCTION OF LOCAL GOVERNMENT DISTRIBUTIVE FUND

WHEREAS, Illinois municipalities are currently experiencing a tremendous decline in revenues during this Great Recession; and

WHEREAS, municipalities are in fiscal turmoil and are struggling to provide vital services to citizens including police, fire, streets, sewers and water; and

WHEREAS, the Village of Orland Park has already reduced its full-time workforce by 10% and reduced expenditures and programs to balance its FY2010 budget; and

WHEREAS, Illinois taxpayers live in municipalities throughout the state and contribute income tax of which 90% goes to the state and 10% goes to municipal services; and

WHEREAS, Governor Quinn proposed in his March 10, 2010 budget address to withhold 30%, or \$300M, of this shared revenue and retain said \$300 million for the state budget; and

WHEREAS, this proposed withholding of municipal revenue which is used to provide services that the local taxpayer needs; will cost each municipality approximately \$23.10 per resident, and

WHEREAS, this reduction compounds the State's late payments of Local Government Distributive Fund amounts to municipalities by four months, thereby causing shortfalls in meeting municipal bills; and

WHEREAS, local taxpayers deserve to have these tax dollars returned to their communities to pay for local community services and avoid further local tax increases.
