Re: Be Enrolled Business Enterprise Program Certification

Dear Carmen Reynaga,

Congratulations, your business qualifies for enrollment in the new Be Enrolled Business Enterprise Program certification (BE BEP)! The Commission on Equity and Inclusion (CEI) was created to maximize supplier diversity, equity, and inclusion by ensuring access to contracting opportunities by developing procedures and initiatives that make procurement processes inclusive, fair, and equitable while providing support, education, and mentorship. CEI established the BE BEP certification to ensure the seamless activation of a reciprocal certification and reduce duplicative red tape.

BE BEP Partners

Chicago Transit Authority (CTA)

City of Chicago

Cook County

Illinois Department of Transportation

METRA

PACE

CEI enrolled your business in the BE BEP certification based on the diversity certification one of the partners listed above issued. Activating your BE BEP certification has several benefits. Businesses certified through BE BEP will be listed in the CEI's certified vendor directory, ensuring visibility amongst State procurement professionals and potential prime vendors. The BEP certification is recognized by various municipalities and organizations, aligning with their supplier diversity initiatives. Best of all, certification is free!

Host Agency: IDOT

Certification Type: Women Business Enterprise

Certification Date: 06/23/2025

Certification Expiration Date: 08/01/2025

Certification Renewal Date: 08/01/2025

CEI will activate your BE BEP certification based on your host agency's diversity certification. The duration and commodity codes for the newly activated BE BEP certification will match the existing certification held with the BE BEP partner. If applicable, the North American Industry Classification System (NAICS) codes provided by the host agency will be translated to National Institute of Government Purchasing (NIGP) commodity codes using CEI's crosswalk

Your firm's name will appear in the State's Directory as a certified vendor with the Business Enterprise Program in the specialty area(s) of:

962 - 86 - Transportation of Goods, Shipping and Handling, and Other Freight Services

Your firm will only appear in the database of BEP-certified vendors in the NIGP codes listed above, so **please review the list carefully to ensure that all relevant NIGP codes are included.**

Vendors must maintain their certification and comply with the rules of their host agency to maintain an active BE BEP certification. If the host agency's certification expires or the host agency suspends a vendor's bidding privileges, the BE BEP certification will also expire or be suspended. CEI's BEP certification unit will email vendors to update their BE BEP certification 90 days before their host agency and BE BEP certifications expire.

BE BEP-certified vendors are encouraged to notify BEP within two weeks if any of the following changes occur:

- Ownership changes
- Changes in control.
- Changes in the host agency's certification status.

Four chief procurement officers (CPOs) exercise the State of Illinois' procurement authority. Each CPO has a separate bulletin that publishes the State's solicitations and bidding opportunities for each portfolio. CEI strongly recommends that all State-certified vendors register with each procurement bulletin to ensure notification of all relevant prime and subcontractor bidding opportunities.
