WHEREAS, the State of Illinois has enacted the "Prevailing Wage Act", as amended (820 ILCS 130/0.01 *et seq.*) (the "Act"); and

WHEREAS, the aforesaid Act requires that the Village of Orland Park (the "Village") investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers, in the locality of the Village, employed in performing the construction of public works for the Village;

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1:

To the extent and as required by the Act, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in the construction of public works coming under the jurisdiction of this Village is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Cook County area as determined by the Department of Labor of the State of Illinois, as of July 1, 2015, a copy of that determination being attached hereto as EXHIBIT "A" and incorporated herein by reference. The definition of any terms appearing in this Ordinance that are also used in the aforesaid Act shall be the same as in said Act.

Said notice shall conform substantially to the notice attached hereto as EXHIBIT "B" and incorporated herein by reference. Such publication shall constitute notice that this is the determination of the Village and that it is effective as of the date of this Ordinance.

- B. The Department of Labor of the State of Illinois has indicated that it is in the process of updating the prevailing rate of wages for construction work in Cook County for 2017, but has not done so to date; and
- C. The Village desires to always have ascertained the prevailing rate of wages for construction work for the Village to be the most recent determination by the Department of Labor of the State of Illinois for Cook County;

the Village Clerk is hereby authorized to substitute the most recent determination of the prevailing rate of wages for construction work in Cook County by the Department of Labor of the State of Illinois, if a new determination is made after the adoption of this Ordinance, for EXHIBIT "A" to this Ordinance, prior to the filing of a certified copy of this Ordinance, with the Department of Labor of the State of Illinois, as required by Section 5 of this Ordinance, and any such new determination is hereby approved as a substitute for EXHIBIT "A" hereto, and shall be attached hereto as EXHIBIT "A".

## Explanations

### COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

### EXPLANATION OF CLASSES

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.
