Subject: Medina Drive culvert pipe

JOHN

Our price to install 32' of 30" RCP culvert pipe at the pond outfall will be \$10,560 this price would include two fees with toe blocks and rip rap The landscaping will be an additional \$10,985 \$4600 of this price is for sod for entry through the side yard if we could mow this and not create damage you could benefit in the \$4600 savings
