

The figure is an aerial photograph of a project area in Downtown Orlando, Florida. The project area is outlined in black and contains several red and blue overlays. A large red area covers the majority of the project site, including a large parking lot and several buildings. A blue area, representing the Right-of-Way (ROW), follows the perimeter of the project site and includes a central access road. The map is bounded by 143rd Street to the north and Lagrange Road to the east. A data table in the top right corner provides the following information:
